JAYNE'S EXPECTORANT for Coughs, Colds, &c.—So many people are afflicted with these common every day disorders, that we deem it our duty to point our readers to a simple remedy, which we have tried and found efficacious. Jayne's EXPECTORANT is a very valuable phial of syrup, which we have lately used with good effect in stopping a cough and loosening and breaking up a cold. It is a very agreeable medicine. This recommendation is not a bought puff, but entirely voluntary; and we feel that we can hardly do a greater favor to our readers in these days of cheating, than to recommend them as well tried, efficient remedies, especially those we have used ourselves.
