☞ NOTICE.

THE Subscriber having duly weighed and considered the advantages derivable by men of nautical pursuits from the use of well adjusted and correctly rated Chronometers, begs to inform Ship masters and owners, and all whom it may concern, that having obtained the necessary instruments to aid and assist him in the rating of ships' Chronometers, he now offers to them his services in that capacity. The very flattering reports which he has received from a few respectable ship masters of this port whose chronometers he rated last year, and the solicitations of others have induced him to come forward in this public manner with a view to effect for the benefit of all interested therein, what has so long and so anxiously been looked for in this city, the ascertaining of the rates of chronometers in the most correct manner.

He begs further to state, that in the management of chronometers the same practical experience which has insured to him the patronage of several Gentlemen will be persevered in with increased attention, and every means adopted to ensure the correct rates of chronometers entrusted to his care.
