CAUTION.

ALL persons who may trespass on Fishing Lots (so called) from Numbers 80 to 112, inclusive, in the Parish of Lancaster, County of Saint John, nearly opposite the Split Rock, and lying between Lot No. 1 of the Corporation of the City, and the premises owned by John Walker, Esquire, will be prosecuted forthwith by the undersigned, who cautions accordingly.
W. Y. THEAL.
Shediac, N. B., March 7, 1839.

NOTICE.—WHEREAS one W. Y. THEAL, of Shediac, has advertised as his property certain FISHING LOTS in the parish of Lancaster, numbered from 80 to 112, *inclusive*, well knowing at the same time that he has not a shadow of a claim to any property or interest in Nos. 100, 101 and 102, being three of the Lots so advertised by him; and whereas the said Lots Nos. 100, 101 and 102, are the sole property of the Subscriber, the validity of whose title thereto has twice been tried and proved in the Supreme Court, upon prosecutions by the Subscriber against Trespassers, and verdicts have been obtained thereon; the Subscriber therefore hereby offers to Let the said Fishing Lots, Nos. 100, 101 and 102, or either of them, on lease, and will most satisfactorily shew his title thereto to any applicant for such Lease; and also hereby gives notice, that he is determined rigidly to prosecute any person or persons trespassing upon the said Lots, or either of them.
THOMAS MERRITT.
Saint John, March 23, 1839.

THE title to Three LOTS of LAND in the Parish of Lancaster, Nos. 100, 101, and 102, (mentioned in the Courier of the 23d ultimo, *by one Thomas Merritt*) is a Warrantee Deed to the undersigned, dated August 10, 1836, a copy of which the Records of the County will exhibit; the premises being from that time in the possession of
Shediac, April 6, 1839. W. Y. THEAL.

CAUTION

To Buyers and Consumers of Scythes.

WHEREAS SCYTHES of Spurious quality are imported from England and sold in the United States and British settlements of America, stamped on the Plates "*Griffin,*" with the addition of some other name or names—the same are intended to deceive the purchaser—purporting to be of the manufacture of JAMES GRIFFIN & SON, who formerly stamped on the Plates of their Scythes,
JAS. GRIFFIN, { here a Griffin' crest is stamped. } *Dudley.*
but as soon as they discovered the fraud (say 18 months since,) they immediately resolved to stamp the Scythes of their manufacturing with their names in full, and enclosed in each a printed label in each bundle of Scythes. The purchaser may therefore easily discover the imposition by attending to this caution, particularly as there are not any scythe makers in Great-Britain of the name of *Griffin* (excepting themselves.) The genuine GRIFFIN SCYTHES have therefore been stamped since the imposition was discovered, and will be continued to be stamped on the Plates near the Crew or Heel of said Scythes in full
JAS. GRIFFIN & Son, † Dudley.
(† *here a Griffins' crest is stamped.*
with a Star or Rose stamped on the Heel of them.

JUSTUS S. WETMORE.
St. John, 24th April, 1839.

SLATES! SLATES! SLATES!

THE Subscribers have at their office, samples of valuable ROOFING SLATES, by which parties may be enabled to select the sizes as they may fancy for roofing, at a cost delivered at this place equal to shingles, at *twenty shillings* per Thousand; or from these samples slates suitable to fancy may be ordered by themselves from Liverpool or Port Dinowic, Menai Straits, Wales, in their own vessels, by which the Freight may in part be gained; the Slates will be stowed on board by the shippers in such way as to prevent little if any breakage.—Sample sizes sent are 13x6½, 14x8, 16x8, 16x10, 18x9, 20x10, 22x11, and 24x12. Persons disposed to order, at a distance in the Province, will do well by making from a thin board the different sizes, by which they may at once see the description they might fancy to order. They are well known to stand the climate, however cold, and are safe in case of sparks of fire on the roof, which is the origin of many fires when covered with shingles. The Slates will be imported to order if required, and every information given to facilitate those who may choose to import for themselves, on application to

WORMS! LIVING WORMS!

LIVING Worms are not so easily detached from their places in the bowels, as when dead; there is an astonishing *instinct of place*—if one may so term it—in these creatures, by which they are induced to adhere the more tenaciously to their feeding ground when they find themselves attacked by medicine. Sometimes a wily Esculan, by coaxing them with good things, such as molasses for instance, which above all they dearly love; by plying them with this seducing bait until they become pampered and obese, the dexterous vermicide often wheedles them away from their pastures—from their dark hiding places into open air, when he immediately despatches them without mercy. But of the many plans and remedies, it is not in the power of ignorant persons to decide upon the best. It gives the proprietor of the PEPTIC PILLS great pleasure in communicating to anxious parents a most astonishing fact that has occurred within the last few days, and communicated to him by a respectable person of Halifax, a widowed mother, whose only daughter, a child of eleven years of age, is the subject of the circumstance in question, and the unimpeachable character of whose parent places the statement beyond a reach of doubt. Upon the authority, therefore, of Mrs. Moser, daughter of Mr. Dalhonty, deceased, and widow of Capt. Moser, late of Lunenburg, N. S. I am freely permitted to inform the public, that, about a fortnight ago, Mrs. M. gave to her daughter at night, two of the PEPTIC PILLS, which brought away on the following day two very
