IMPORTANT TO SHIP-OWNERS, SHIP-MASTERS AND OTHERS.

THE subscribers beg leave to call the attention of the public to *Joseph Williams' IMPERVIOUS COMPOUND*; being a Mineral Poison, recently invented, for mixing with a Varnish he has prepared, for coating SHIPS' BOTTOMS, and all kinds of Wood and Iron work, likely to become foul, from marine matter or any other cause; which this Impervious Compound will effectually prevent, as no worms will penetrate it.

The Compound and Black Varnish can be had at the Store of CRANE & M'GRATH, WARD STREET.

From the fact of the Impervious Compound and the prepared Black Varnish, containing not the slightest degree of acid, it is peculiarly well adapted for dipping paper in for Ships' Bottoms, as it is well known not to act upon any metals.

SHARP'S
IMPROVED SEIDLITZ POWDERS,
Made on a New, Convenient and Economical Principle,
All the Ingredients being mixed in one Bottle

THESE Powders are made by the subscriber, from a recent analysis (by one of the first Chemists in Europe) of the most celebrated Springs in Germany.

The form into which Seidlitz Powders have hitherto been put up, has long been complained of, as expensive and occasioning a great deal of trouble to mix, particularly to persons travelling; the ordinary form is objectionable also, inasmuch as it does not admit of the possibility of preserving the Powders on ship-board near the sea, or in any damp situation.

These circumstances led the subscriber to turn his attention to the subject: the result has been that he can now offer to the Public at about one half the price, a preparation possessing, in every respect, the medicinal properties of the most approved SEIDLITZ POWDER, and having none of the above objections; they contain the due proportion of fixed air, are quite tasteless, produce the SEIDLITZ WATER, without the slightest trouble, and, from the facility of regulating the dose, may be taken as a mild aperient or brisk purgative, by persons of all ages and constitutions. The Bottle contains every ingredient found in the Native Springs, and Water, impregnated with it, becomes as sparkling and effervescent as Soda Water.

This preparation affords advantages possessed by no other single remedy; and by regulating the dose and time of administering it, will be found an invaluable and universal Family Medicine.

It may be considered a specific in the following disorders:—Sickness at the Stomach, Bilious Disorders, Loss of Appetite, Flatulence, Nausea and Vomiting, Diseases of the Liver, Gravel, Fever and Inflammatory Complaints of *every description*.

Strabismus, Squinting, or Cross Eyes,

CONTRACTION of the Limbs, Club feet, Curvature of the Spine, Wry Neck, and all other distortions of the human body treated with entire success by E. ALLEN WARD, M. D., 113 Chamber-street, New-York.

It is not generally known that the above deformities are curable. For the benefit of those who may be afflicted, Dr. Ward would state that he is able to effect a perfect cure. The operation for squinting is performed in about a minute, is attended with little or no pain, no risk or danger whatever to the eye, and is always successful. Dr. W. has performed the operation in numerous cases, and with uniform success, removing in a few minutes deformities which for years had been a fruitful source of mortification and unhappiness.
E. ALLEN WARD, M. D., Surgeon,
Professor of Diseases of Women and Children,
No. 113 Chamber-street, New-York.
St. John, March 27, 1841.

A CAREFUL examination of the contents of this is respectfully solicited from all persons.

HAYS' LINIMENT.

NO FICTION.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice of our country, first and most certainly for the cure of the *Piles*, and also extensively and effectually as to baffle credulity, unless where its effects are witnessed. *Externally* in the following complaints:

For Dropsy—Creating extraordinary absorption at once.
Swellings—Reducing them in a few hours.
Rheumatism—Acute or chronic, giving quick ease.
Sore Throat—By cancers, ulcers, or colds.
Croup and Whooping-Cough—Externally and over the chest.
All Bruises, Sprains and Burns—Curing in a few hours.
Sores and Ulcers—Whether fresh or long standing, and fever sores.

Its operation upon adults and children, in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception.—The common remark of those who have used it in the *Piles*, is, "It acts like a charm."

For Sale at nearly all Shops, and at Saint John by Messrs. PETERS & TILLEY, *Mr. A. R.* TRURO, *Messrs.* T. WALKER & SON, *and others.* [1 Y.]
St. John, 12th September, 1840.

PURE EXTRACT OF SPANISH SARSAPARILLA.—WILLIAM BROWN, Chemist, 481, Washington-street, Boston, has prepared a liquid Extract of Sarsaparilla by a steam process, without boiling the root. It is an entire new preparation of sarsaparilla never before prepared in this or any other country. It has been in constant use for the past six months by some of the first physicians in Boston, and all those who wish to go through a regular course of sarsaparilla treatment can be referred to them. The preparation contains no other article than the pure Spanish sarsaparilla, and one great improvement over all other preparations of sarsaparilla, it is not reduced by adding sugar to form a syrup.—This article is well adapted to the practice of physicians, as they can learn, by calling on the proprietor, the quantity of sarsaparilla contained in each bottle. The quantity required is small compared with the syrup. It is the cheapest preparation of sarsaparilla now in use, considering its strength. A copy-right is secured for the directions, and each direction signed *Wm. Brown* on the outside. The above article is a sure remedy for all complaints occasioned by an impure state of the blood, diseases of the skin, scrofula, rheumatism, salt rheum, erysipelus, and to remove the effect of calomel.

☞ MRS. M. N. GARDNER'S
INDIAN BALSAM OF LIVERWORT.

Coughs, Colds, Spitting Blood, and all Pulmonary Complaints Cured.

BOSTON, Aug. 14, 1840.—I hereby certify that within a few years past I have had several friends who have been subject to coughs, colds, and pulmonary complaints, and have also been very much troubled with a cough myself. A young man who is Agent for me in New York, fell from the cars on the Boston and Worcester Railroad about four years since, while they were running at the rate of fifteen miles per hour, and received a serious injury, which caused him to bleed inwardly, daily for a year. After much persuasion, I induced him to try Mrs. Gardner's Indian Balsam of Liverwort; he used eight or ten bottles, which entirely cured him; he is now as well as ever. He thinks nothing but this Balsam could have saved his life; I, therefore, from experience, cheerfully recommend it to my friends and the public, for coughs, colds, and all pulmonary complaints, raising of blood, &c. It is prepared and for sale by Wm. Brown, Chemist, 481 Washington-st. Boston.
