At the Cheap Clothing and Shoe Store, Water-street, corner of Peters' Wharf.

NEILL & ANDERSON

SAY without fear of contradiction, that they have sold, and are determined to sell, Goods in the above line *cheaper than any other Establishment in the City;* and that Fame which has hitherto distinguished them, of selling nothing but warranted, sound and substantial articles, they are determined to increase ten-fold, *by not selling the remains of* BANKRUPT ESTABLISHMENTS!

They now offer for sale a large and splendid assortment of READY-MADE CLOTHING, of the latest fashions, principally made under their own inspection, by *first-rate Workmen*, (of the city) consisting of—Gents'. Dress and Frock COATS, of different colours and qualities; do. Pantaloons, do. do.; do. VESTS, of all colours and textures; *Mechanics'* and *Labourers'* WORKING CLOTHES, in great varieties; with every article in their line of business suitable to give *Seamen* a complete fit out; and hourly expect per "*British Queen*," the remainder of their Spring supplies.

And have received per "*Perthshire*," direct from Glasgow, Eight Trunks, containing—Gents. THE WONDERS OF CASH,

With all its influence and effects may be seen at

HAGUE & ALLEN'S
NOTED CHEAP

Liverpool Clothing Store,

No. 3, Merritt's Brick Buildings,
WATER-STREET.

T. HAGUE & CO. of the British and American Clothing Hall, Liverpool, beg leave to inform the Public, that in consequence of the great sacrifice made upon Goods in England, from Bankrupts' Sales and *Insolvent Estates*, their Mr. Hague, being on the spot, and in the habit of attending all the principal manufacturing markets, has availed himself of an opportunity of watching the sales of the different stocks belonging to the many respectable manufacturers who unfortunately have been obliged to bring their business to a close; and from their extensive business in Liverpool, together with that in Saint John, and not being limited for that wonder-working article, CASH, they have been enabled to buy several

Bankrupts' Stocks

of Superfine CLOTHS, in every colour and quality; Rich SATINS; Velvets; Valencias; Quiltings; and other Vestings; with fashionable TROUSERINGS, of every description—and have caused the same to be made up (*under their own inspection*,) into GENTLEMEN'S CLOTHING, in the first style of fashion, the whole being cut by a first rate London artist;—which have just arrived per ships *Emerald* and *Alexander Edmond*, and are now on sale.

T. Hague & Co. do not think it requisite to enter into any minute explanation to convince the Public of the advantages an establishment posses ses that has always a buyer in the market, and ready to take every opportunity of purchasing their Goods under the most favourable terms. Is it likely that persons who are obliged to appoint Agents to make their purchases in England, or who visit it at a great expense, can possibly make up their Clothing within TWENTY PER CENT. of those who make up every garment at their own establishment, and purchase every article for the purpose from the manufacturers themselves, or, as in this case, from Thirty to Forty per Cent. less than the manufacturers' prices?

N. B.—A large quantity of M'Intosh CAPES and COATS, *warranted;* Silk and Stuff HATS, which will be sold cheap.

For Cash only and no Abatement.
Saint John, 15th May, 1841.
