PURE EXTRACT OF SPANISH SARSAPARILLA.—WILLIAM BROWN, Chemist, 481, Washington street, Boston, has prepared a liquid Extract of Sarsaparilla by a steam process, without boiling the root. It is an entire new preparation of sarsaparilla never before prepared in this or any other country. It has been in constant use for the past six months by some of the first physicians in Boston, and all those who wish to go through a regular course of sarsaparilla treatment can be referred to them. The preparation contains no other article than the pure Spanish sarsaparilla, and one great improvement over all other preparations of sarsaparilla, it is not reduced by adding sugar to form a syrup.—This article is well adapted to the practice of physicians, as they can learn, by calling on the proprietor, the quantity of sarsaparilla contained in each bottle. The quantity required is small compared with the syrup. It is the cheapest preparation of sarsaparilla now in use, considering its strength. A copy-right is secured for the directions, and each direction signed *Wm. Brown* on the outside. The above article is a sure remedy for all complaints occasioned by an impure state of the blood, diseases of the skin, scrofula, rheumatism, salt rheum, erysipelus, and to remove the effect of calomel.

SHARP'S
IMPROVED SEIDLITZ POWDERS.
Made on a New, Convenient and Economical Principle.
All the Ingredients being mixed in one Bottle.

THESE Powders are made by the subscriber from a recent analysis (by one of the first Chemists in Europe) of the most celebrated Springs in Germany.

The form into which Seidlitz Powders have hitherto been put up, has long been complained of, as expensive and occasioning a great deal of trouble to mix, particularly to persons travelling; the ordinary form is objectionable also, inasmuch as it does not admit of the possibility of preserving the Powders on ship-board near the sea, or in any damp situation.

These circumstances led the subscriber to turn his attention to the subject: the result has been that he can now offer to the Public at about one half the price, a preparation possessing, in every respect, the medicinal properties of the most approved SEIDLITZ POWDER, and having none of the above objections; they contain the due proportion of fixed air, are quite tasteless, produce the SEIDLITZ WATER, without the slightest trouble, and, from the facility of regulating the dose, may be taken as a mild aperient or brisk purgative, by persons of all ages and constitutions. The Bottle contains every ingredient found in the Native Springs, and Water, impregnated with it, becomes as sparkling and effervescent as Soda Water.

This preparation affords advantages possessed by no other single remedy; and by regulating the dose and time of administering it, will be found an invaluable and universal Family Medicine.

It may be considered a specific in the following disorders:—Sickness at the Stomach, Bilious Disorders, Loss of Appetite, Flatulence, Nausea and Vomiting, Diseases of the Liver, Gravel, Fever and Inflammatory Complaints of every description.

Just received, a fresh supply of
ROWLAND'S
KALYDOR.
(For beautifying the Skin and Complexion.)

ROWLAND'S KALYDOR, prepared from the most beautiful exotics, and warranted perfectly innocent, yet possessing properties of surprising energy:—it eradicates all cutaneous eruptions, pimples, spots, redness, &c. transforms even the most sallow complexion into radiant whiteness, realizing delicate white face, neck, hands and arms, and imparting a beautiful juvenile bloom to the complexion; successfully rendering harsh and rough skin, beautifully soft, smooth and even.

The KALYDOR is equally indispensable in the Nursery, as at the Toilet. Perfectly inoxious, it may be used by the most delicate Lady, with the assurance of perfect safety and efficacy.

To Mothers nursing their offspring, it gives, in all cases of incidental inflammation, immediate relief; cools the mouth of the infant, and enhances internal pleasure in the act of administering alimentary nourishment.

To Gentlemen, whose faces are tender after shaving. A great infelicity which attends the operation of shaving, is the irritation of the skin; many gentlemen suffer greatly from this cause. Rowland's Kalydor will be found excellent (beyond precedent) in ameliorating and allaying this most unpleasant sensation.

It protects the skin from the baneful effects occasioned either by intense solar heat or cold winds, and thus to the traveller, whose avocations expose him to various changes of weather, proves an infallible specific—a prompt resource; and, as conducing to comfort, a pleasing appendage and invaluable acquisition.

☞ Price 4s. 6d. and 8s. 6d. per Bottle, duty included.

⁎ To prevent imposition, the name and address of the proprietors, is engraved on the Government Stamp, affixed over the cork of each bottle. *All others are spurious.*
