MARRIED.

At Westfield, King's County, on Wednesday the 8th instant, by the Rev. C. Milner, Mr. William D. Jones, to Miss Sophia Brundage, both of the same Parish.

At Fredericton, on Tuesday last, by the Rev. Dr. Birkmyre, Mr. Francis M'Carrick, to Miss Mary Hirl, both of that Parish.—On the same day, by the same, Mr. William M'Carrick, to Miss Mary Lindsay, both of that Parish.

At Trinity Church, Digby, (N. S.) on Monday the 6th inst. by the Rev. Mr. Bullock, Mr. James W. Poole, to Miss Deborah Thomas, both of Hillsboro, in the County of Digby.

DIED.

On Friday, 3d instant, Edward Livingstone, only son of Mr. A. B. Thorne, aged eleven months and nine days.

On Saturday last, Charles Boyd, only son of Mr. Joseph Whitburn, Germain-street, aged four years and five months.

On Thursday evening, Thomas, infant son of Mr. William M'Auley, aged nine months.—Funeral To-morrow (Sunday,) at four o'clock, from his father's residence, Pond-street.

At Charlotte Town, Prince Edward Island, on the 28th ultimo, Anna Maria, consort of the Honorable Chief Justice Jarvis, and eldest daughter of the late Doctor John Boyd, of the Medical Staff —deeply deplored by her family and a numerous circle of relatives and acquaintances, to whom her many virtues had endeared her.

At Grand Lake, on the 4th ultimo, at the hospitable mansion of Mr. John Belmain, while on her return from St. John, where she had been for medical advice, after nearly six days of the most excruciating pain, which she bore with resignation to the Divine will, Mary, wife of James Butler, Esquire, aged 43 years. She was, for upwards of fifteen years, a respectable member of the Baptist Church at that place, and departed this life in hope of a glorious resurrection; leaving a disconsolate husband and seven children, to mourn the loss of a kind companion and tender mother—and the community at large, of a kind and peace-making neighbour. "The memory of the just is blessed."

Terms moderate. *Sept.* 4.

NEW MUSIC.

FRANZ PETERSILLEA has just received from his Publisher in New-York, another supply of the following Songs, (the words by Mrs. Hemans's) viz.:—Song of Emigration—The Better Land—The Stranger's Heart—The Silvery Snow—The Fisher's Wife—Lights and Shades—and The Three Homes.

Mr. P. was induced during his professional career in this City, to devote his leisure hours to the composition of some Songs, and has endeavoured to arrange the Music to the feeling and meaning of the words, which are so frequently violated in many compositions; he trusts that he has been successful, as he has received much encouraging assurance from his Publishers, from several of the principal Professors of Music in New-York, particularly from Mr. H. Timm, and also from some very competent judges in Fredericton.

The above mentioned Songs are for sale and may be seen in the *Victoria Book Store*, Market-Square, in the Music Store of Mr. S. Steven, corner of King and Germain-streets, and at the Author's residence, Brussels-street.

The whole of the above Stock is from the best British markets, and purchased on terms that insure cheapness and superiority of quality to purchasers at the Victoria Book Store.

MATHEMATICS.

R. MATTHEWSON respectfully informs the inhabitants of St. John and its vicinity, that he will give private instruction in the following branches of Mathematical Science, viz.: Algebra, Geometry, Trigonometry, Mensuration, Surveying, Navigation, Conic Sections, Fluxions, &c. including the higher Algebraic Equations, Indeterminate Problems, Deaphantine Analysis, the application of Algebra to Geometry; of Plane Trigonometry to the measurement of Heights and Distances; of Spherical Trigonometry to Geography and Astronomy; of the Differential and Integral Calculus to the maxima and minima of quantities, the determination of the lengths of curves, areas of surface, capacities of solids, and the calculations of Logarithms, Lines, Tangents, &c.

R. M. from former experience and success as a teacher of the Mathematics, flatters himself he will give general satisfaction to such as may entrust him with their instruction. He accustoms the student to familiar illustrations, logical reasoning, and as often as possible practical applications, which render this sublime and interesting study rather an amusement than a task, exercise and improve the judgment, gratify and expand the mind, stimulate its energies with an ardour after the investigaion of truth, and rouse its curiosity to explore the mysterious wonders of nature in the fertile regions of science.

Further particulars known by application at the City Hotel, King street, where specimens and testimonials may be seen.
