## WONDERS OF CASH,

## HAGUE & ALLEN'S
NOTED CHEAP
### *Liverpool Clothing Store,*
**No. 3, Merritt's Brick Buildings,**
WATER-STREET.

T. HAGUE & CO. of the British and American Clothing Hall, Liverpool, beg leave to inform the Public, that in consequence of the great sacrifice made upon Goods in England, from Bankrupts' Sales and *Insolvent Estates*, their Mr. Hague, being on the spot, and in the habit of attending all the principal manufacturing markets, has availed himself of an opportunity of watching the sales of the different stocks belonging to the many respectable manufacturers who unfortunately have been obliged to bring their business to a close; and from their extensive business in Liverpool, together with that in Saint John, and not being limited for that wonder-working article, CASH, they have been enabled to buy several

### Bankrupts' Stocks

of Superfine CLOTHS, in every colour and quality; Rich SATINS; Velvets; Valencias; Quiltings; and other Vestings; with fashionable TROUSERINGS, of every description—and have caused the same to be made up (*under their own inspection,*) into GENTLEMEN'S CLOTHING, in the first style of fashion, the whole being cut by a first rate London artist;—which have just arrived per ships *Emerald* and *Alexander Edmond*, and are now on sale.

T. Hague & Co. do not think it requisite to enter into any minute explanation to convince the Public of the advantages an establishment possesses that has always a buyer in the market, and ready to take every opportunity of purchasing their Goods under the most favourable terms. Is it likely that persons who are obliged to appoint Agents to make their purchases in England, or who visit it at a great expense, can possibly make up their Clothing within TWENTY PER CENT. of those who make up every garment at their own establishment, and purchase every article for the purpose from the manufacturers themselves, or, as in this case, from Thirty to Forty per Cent. less than the manufacturers' prices?

N. B.—A large quantity of M'Intosh CAPES and COATS, *warranted;* Silk and Stuff HATS, which will be sold cheap.

☞ *For Cash only and no Abatement.* ☜

## IMPORTANT
### TO SHIP-OWNERS, SHIP-MASTERS AND OTHERS.

THE subscribers beg leave to call the attention of the public to *Joseph Williams' IMPERVIOUS COMPOUND;* being a Mineral Poison, recently invented, for mixing with a Varnish he has prepared, for coating SHIPS' BOTTOMS, and all kinds of Wood and Iron work, likely to become foul, from marine matter or any other cause; which this Impervious Compound will effectually prevent, as no worms will penetrate it.

The Compound and Black Varnish can be had at the Store of CRANE & M'GRATH, WARD-STREET.

From the fact of the Impervious Compound and the prepared Black Varnish, containing not the slightest degree of acid, it is peculiarly well adapted for dipping paper in for Ships' Bottoms, as it is well known not to act upon any metals.
