Halsey's Vegetable Sugar-coated PILLS.

...are highly efficacious in restoring these functions to the performance of their proper office, thereby *promoting the secretion of all fluids* as well as the alvine discharges. To these combined effects are ascribed the great success of Halsey's Pills in the cure of the above complaints, for which they are so highly celebrated; in addition to which, they are a most invaluable alterative medicine, and cure rapidly complaints of the skin, and other chronic affections.

HALSEY'S PILLS are also recommended as the best anti-bilious medicine in the world. They are efficient, yet perfectly mild and harmless.—Their properties being *entirely vegetable*, they never gripe, produce weakness, or prove injurious to the constitution, as do all preparations which contain that lurking poison, *calomel*.

It should be remembered that it is "Halsey's Sugar-coated Pills" (and not the base imitations) which have gained a high reputation for their excellent qualities.

NEWS FROM THE CANADA LINE!

Dr. D. Jayne.—Dear Sir: I am very glad to inform you that your Medicines are in great demand at this station. I feel very much encouraged from the good account I get of all who are using them. The SANATIVE PILLS are selling beyond any thing of the kind in the country. Every person appears to praise them, as well as the other medicines.

The EXPECTORANT, and the ALTERATIVE are going off rapidly. I am nearly out of the TONIC VERMIFUGE, so great is the demand. The call for ten days past has completely astonished me. The HAIR TONIC is doing wonders here—a gentleman whose head has been bald for fifteen or twenty years, has his hair nearly half an inch long, and has only used one bottle.—My wife began to use the HAIR TONIC shortly after I received it, to prevent her hair from falling off, and only used it twice a week. It not only stopped her hair from falling off, but has produced hair three inches long by the use of three bottles. Every person is pleased with it that has used it.
Your's, &c. T. C. BUTLER.
Derby, Vt. (Canada Line.) Jan. 29, 1846.

☞ The above valuable Medicines are prepared by Dr. D. Jayne, No. 8, South Third-street, Philadelphia, and sold in St. John, (N. B.) by Messrs. T. Walker & Son.
