WM. WRIGHT,
A. SMITHERS,
HUGH JOHNSTON, } TRUSTEES.

Saint John, N. B., December 31, 1846.

In closing their Report on the Accounts of the past year, your Committee would congratulate the Board, and the citizens generally, on the productive state of the Corporation Revenues.—The amount of Rents collected by the Chamberlain, and the Revenues derived from the Mayor's Office, exceed that of any former year; and the Rent Roll can still be very materially increased, so soon as certain matters now in progress of arrangement are completed.

At the last Session of the Legislature, an Act was passed (9th Vic. cap. xxxix.) authorising the Common Council to assess the inhabitants in a sum not exceeding One Thousand Pounds, to make up any deficiency in five per Cent. interest on the Corporation debt. Your Committee are happy to state, that this Interest has been promptly paid, without the necessity of having recourse to such assessment. This Act also precludes the Corporation from incurring any further debt, until that now due by the Corporation is paid off. It is, therefore, almost unnecessary to state, that no money has been borrowed by the Board during the past year.

No money has been received from the Steam Ferry Boats during the past year, the whole income derived therefrom having been required to meet their current expenses, and to put them in a thorough state of repair.—It is, however, confidently hoped that the present year will amply compensate for the outlay of the past.

The Accounts in Detail are herewith submitted; and your Committee recommend that they be published in pamphlet form immediately.

Your Committee have no doubt, that with prudent management, good faith may be kept with the public Creditor, the Debt gradually diminished, and ultimately liquidated. All which is respectfully submitted.

H. PORTER,
W. O. SMITH,
THOMAS HARDING, } COMMITTEE.

Saint John, January 29th, 1847.
