...telegraph carrie... now adopted by the... Gov. Young's messag... transmitted from Albany to New York, at the... of eighty-three letters per minute. This is said to be three times faster than Mr. Morse *originally* estimated.—*Portland Advertiser, Jan.* 9.

*The San Pedro Company.*—A letter has been received in this city, from some of the officers connected with the San Pedro expedition, on the Spanish Main, engaged in procuring money from the wreck of the Spanish man-of-war San Pedro. The letter is dated 15th December, 1846, and states that all on board were well and making flattering progress in obtaining money. Five thousand dollars had been gotten out at the date of the letter above alluded to, and the amount daily increasing.—[Baltimore Patriot.]

THE WORLD.—If we would enjoy ourselves, we must take the world as it is, mixed up with a thousand spots of sunshine—a cloud here and there—a bright sky—a storm to-day, calm to-morrow—the chill piercing winds of autumn—and the bland reviving airs of summer.

CLIMATE AND POPULATION.—Upon an equal space, where one man subsists in Iceland, three men subsists in Norway, 14 in Sweden, 36 in Turkey, 52 in Poland, 63 in Spain, 99 in Ireland, 114 in Switzerland, 127 in Germany, 152 in England, 153 in France, 172 in Italy, 192 in Naples, 224 in Holland, and 1103 in Malta.

ENTERPRISE AND PERSEVERANCE.—There are people who, having began life by setting their boat against wind and tide, are always complaining of their bad luck, and always just ready to give up, and for that very reason are always helpless and good for nothing, and yet, if they would persevere, hard as it may be, to work up stream all your life long, they would have their reward at last. Good voyages are made both ways. A certain amount of opposition is a great help to a man. Kites rise against, not with the wind. Even a head wind is better than nothing. No man ever worked his voyage anywhere in a dead calm. The best wind for everything, in the long run is a side wind. If it blows aft, how is he to get back?—*John Neal.*

IRISH LABOURERS IN AMERICA.—A body of these hewers of wood and drawers of water, who, when not excited, are the most innocent and harmless people in the world—easily led, but never to be driven—get employed on a canal or great public work; and no sooner do they settle down upon wages which must appear like a dream to them, than some old feud between Cork and Connaught, some ancient quarrel of the Capulets and Montagues of low life, is recollected, or a chant of the Boyne water is heard, and to it they go pell-mell, cracking one another's heads, and disturbing a peaceful neighbourhood with their insane broils. Or, should a devil, in the shape of an adviser, appear among them, and persuade these excitable folks that the may obtain higher wages by forcing their own terms, bludgeons and bullets are resorted to, in order to compel compliance, and incendiarism and murder follow, until a military force is called out to quell the riot.—*Bonnycastle's Canada.*

FREIGHT TO BOSTON can be had on application to JOHN K[I]NNEAR, Prince William-street. Dec. 19.

## JAYNE'S EXPECTORANT.

*Important Letters—Please Read Them!*

The following letter from Dr. Brigham of Lowell, Mass., but speaks the uniform language of hundreds of other Physicians, who have tried, and therefore know how to appreciate Jayne's Expectorant. Lowell, Mass., Jan. 27, 1844.

Dr. David Jayne:

Dear Sir,—I have used your medicine, (so universally known by the name of JAYNE'S EXPECTORANT,) in my practice for a number of years, and can most truly say, that I have been more successful in the use of that as a mild, safe and thorough EXPECTORANT, than of any which I have ever used. It is the best for the following obvious reasons. It does not, if given in proper doses, occasion a disagreeable nausea. It does not weaken the lungs and prostrate the system, like most other Expectorants in common use, nor does it abate the appetite of the patient, like other nauseating medicines, which have been used by the faculty. In a word it is nearly or quite the thing which has been sought for by many of the faculty for ages gone by.

I remain, your's, &c.
LUTHER BRIGHAM, M. D.

[From the Rev. Ira M. Allen.]
Philadelphia, June 9, 1838.

TO MY PERSONAL FRIENDS:

I would say that I am well acquainted with DAVID JAYNE, M. D., and know him to be a respectable Physician and Druggist of this city—a gentleman in whom entire confidence may be placed. I have tested in my own case the beneficial effects of his CARMINATIVE BALSAM, and have greater confidence in it than all other Medicines of the kind. His EXPECTORANT is equally celebrated and efficacious.

IRA M. ALLEN,
Agent of the American and Foreign Bible Society.

JAYNE'S EXPECTORANT has proved itself to be all that it has been recommended, by those who have given it a fair test, and the demand for it increases daily.

Jayne's ALTERATIVE, a valuable Medicine for the cure of Cancer, Scrofulous Affections, and Diseases of the Skin generally; Jayne's SANATIVE PILLS; Jayne's Tonic Vermifuge; Jayne's Carminative Balsam, for bowel complaints; Jayne's Hair Tonic, for the growth and preservation of the Hair.

*** The above valuable Medicines are for sale in St. John by Messrs. T. WALKER & SONS.

A SUPPLY of the above valuable Medicine just received per schr. *Dolphin* from N. York.

A liberal allowance made to Country dealers.

## ASTONISHING EFFICACY OF HOLLOWAY'S PILLS.

THE TESTIMONY OF A CLERGYMAN VOUCHING TO ELEVEN CASES OF CURES BY THESE WONDERFUL PILLS.

*Extract of a Letter from the Rev. George Prior, Curate of Mevagh, Letter Kenny, Carrigart, Ireland, 10th January, 1846.*

TO PROFESSOR HOLLOWAY.

SIR,—I send you a crude list of some *eleven cases, all cured* by the use of your Pills. I cannot exactly give you a professional name to the various complaints, *but this I know, some of them baffled the skill of Derry and the County.* In a previous letter this gentleman states as follows:—Within a short distance of my house resides a small farmer, who for more than twenty years has been in a bad state of health; Mrs. Prior gave him a box of the Pills, which did him so much good that I heard him say, for twenty years past he never ate his food or enjoyed it so much as since taking your Pills.

(Signed) GEORGE PRIOR.

*** The above reverend and pious gentleman purchased some pounds' worth of the Pills for the benefit of his poor parishioners.

## EXTRAORDINARY CURES BY *Holloway's Ointment.*

CURE OF A DESPERATE CASE OF ERYSIPELAS.

*Copy of a Letter from Mr. Joseph Gildon, Jun., a Farmer, East Kenal, near Spilsby, Lincolnshire, 8th April, 1846.*

TO PROFESSOR HOLLOWAY.

SIR,—I have the gratification to announce to you a most wonderful cure wrought upon myself by the use of your Ointment and Pills. I had a severe attack of Erysipelis in my right foot, which extended along my ancle, and was attended with swelling and inflammation to an alarming degree, insomuch that I was unable to move without the use of *crutches.* I consulted a very eminent Physician, besides other Medical men, but to no purpose. At last I tried your Ointment and Pills, when, strange to say, in less than two weeks the swelling and inflammation gradually subsided to such a degree that I was enabled to pursue my daily avocation, to the utter surprise and amazement of those who were acquainted with my case, seeing that I was cured so quickly. I and my family are well known here, as my father holds his farm under the Rev. J. Spence, Rector of our Parish.

(Signed) JOSEPH GILDON.

**Holloway's Ointment** *will cure any cases of Bad Legs, Ulcerous Sores, Bad Breasts, Sore Nipples, Cancers, Tumours, Swellings, Contracted or Stiff Joints, Gout, Rheumatism, Lumbago, Burns, Scalds, Chilblains, Chapped Hands and Lips, Bunions, Soft Corns, Piles, the Bite of Moschettoes, Sand-flies, Chiego foot, Yaws, Coco-bay, and all Skin Diseases common to Europe, or to the East and West Indies, or other Tropical climes.*

☞ Sold by the Proprietor, 244, Strand, (near Temple Bar,) London; and by PETERS & TILLEY, *Provincial Agents*, No. 2, King street, Saint John, N. B.; James F. Gale, Fredericton; W. T. Baird, Woodstock; Alexander Lockhart, Quaco; James Beck, Bend of Petitcodiac; O. Sayre, Dorchester; John Bell, Shediac; John Lewis, Hillsborough; John Curry, Canning; James G. White, Bellisle;—in pots and boxes at 1s. 9d., 4s. 6d. and 7s. each. There is a very considerable saving in taking the larger sizes.

N. B.—Directions for the guidance of patients are affixed to each pot. July 11, 1846.
