CANCER, SCROFULA AND GOITRE.

Ample experience has proved that no combination of Medicine has ever been so efficacious in removing the above disease, as DR. JAYNE'S ALTERATIVE. It has effected cures truly astonishing, not only of CANCER, and other diseases of that class, but has removed the most stubborn Diseases of the Skin, Dyspepsia, &c. This medicine enters into the circulation, and eradicates disease wherever located. It purifies the blood and other fluids of the body; removes obstructions in the pores of the skin, and reduces enlargements of the glands or bones. It increases the appetite, removes headache and drowsiness, and invigorates the whole system, and imparts animation to the diseased and debilitated constitution. There is nothing superior to it in the whole materia medica. It is perfectly safe and extremely pleasant, and has nothing of the disgusting nausea accompanying the idea of swallowing medicine. Prepared by Dr. D Jayne, Philadelphia.
