Capital, £1,000,000 *Sterling.*

Agent, ALEX. BALLOCH, Saint John.
Medical Officer, LeBARON BOTSFORD, Esq., M. D.
Standing Counsel and Solicitor, *None as yet required.*

THE high estimation in which this Company is held in Great Britain is evinced by the great increase of its Business, and the hitherto unprecedented *division of Profits granted the Assured,* whilst the *unprecedented numerous* highly respectable Persons in this City already participating in its success, bear ample testimony to its merits.

This Company possesses nearly all the advantages of a mutual Insurance, without making the assured liable for Losses, and invites comparison with other similar institutions, without fear of suffering by it in the estimation of the Public.

"The very essence of Life Assurance consists in its converting a contingency into a certainty of enabling a man to accomplish in a few days, or even hours, an object which he may never have realized in any other way during a long life.—Whilst in health is the time to insure, not when, or after, accidents or sickness occur, rendering the risk then liable to be rejected altogether, or charged at an increased rate of Premium."

The Proposals are forwarded by Steam Packet to Board of Directors in London, and the acceptance or rejection of the Risk advised by return mail *immediately following,* thereby affording the greatest possible despatch.

SANDS' SARSAPARILLA,

For the Removal and Permanent Cure of all Diseases arising from an Impure State of the Blood or Habit of the System, viz.:

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites or Dropsy, Exposure or Imprudence in Life. Also, Chronic Constitutional Disorders.

THE value of this Preparation is now widely known, and every day the field of its usefulness is extending. It is approved and highly recommended by Physicians, and is admitted to be the most powerful and searching Preparation from the root that has ever been employed in medical practice.

It is highly concentrated for convenience and portability, containing nothing but the expressed essence, and is the representative of the Sarsaparilla Root, in the same manner as Quinine is of Peruvian Bark, or Morphine of Opium. It is an established fact, that a few grains of either Quinine or Morphine contains all the medicinal value of a large quantity of the crude substances; hence the superiority of these preparations—and no invalid would desire to drink a gallon mixture, when a half-pint contained the same medicinal value.

The following certificate is only another link in the great chain of testimony to it merits:

South Bolton, Canada East, April 18, 1846.

Messrs. Sands—Gentlemen: Exposed as we are to the attacks of disease, and so frequently disappointed in proposed remedies, we cannot but look upon the efforts of successful practitioners with interest and gratitude. This is true respecting your valuable preparation of Sarsaparilla. I have been severely afflicted for 33 years with a disease about which "Doctors disagreed," and their prescriptions were still more diverse.—I tried various remedies but found no relief until I commenced using your excellent medicine, at which time I was wholly confined to my bed.—After using it a few months, I am now able to walk about, ride out, and enjoy a comfortable degree of health, which I attribute entirely to the use of Sands' Sarsaparilla. Please accept my assurance of gratitude and regard.
JOHN M. NORRIS.

Being personally acquainted with the above statements, I hereby certify that the same are true. REV. T. M. MERRIMAN.

Farther testimony from Vermont:
The following testimonial to the value of the Sarsaparilla, is from the Rev. Luther Wright [illegible]

Woburn, Mass. March 30, 1846.
Messrs. Sands—Gentlemen—From what [illegible] recently experienced [illegible] of persons of high respectability who have used your Sarsaparilla, I have not the *least doubt* but that it is a most valuable medicine, and the numerous certificates you have received of its efficacy are fully sustained by *experience,* and although its reputation and utility are very extensive, and stand in no need of my humble efforts to increase them, I want all who are afflicted by disease to become acquainted with the *efficacy* and *power* of your valuable medicine. I am, gentlemen, gratefully and very respectfully your's,
LUTHER WRIGHT.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of the Agents gratis.

ASTONISHING EFFICACY OF
HOLLOWAY'S PILLS.

THE TESTIMONY OF A CLERGYMAN VOUCHING TO ELEVEN CASES OF CURES BY THESE WONDERFUL PILLS.

Extract of a Letter from the Rev. George Prior, Curate of Mevagh, Letter Kenny, Carrigart, Ireland, 10th January, 1846.

TO PROFESSOR HOLLOWAY.

Sir,—I send you a crude list of some *eleven cases, all cured* by the use of your Pills, I cannot exactly give you a professional name to the various complaints, *but this I know, some of them baffled the skill of Derry and this County.* In a previous letter this gentleman states as follows:—Within a short distance of my house resides a small farmer, who for more than twenty years has been in a bad state of health; Mrs Prior gave him a box of the Pills, which did him so much good that I heard him say, for twenty years past he never ate his food or enjoyed it so much as since taking your Pills.
(Signed) GEORGE PRIOR.

*** The above reverend and pious gentleman purchased some pounds' worth of the Pills for the benefit of his poor parishioners.

EXTRAORDINARY CURES BY
Holloway's Ointment.

CURE OF A DESPERATE CASE OF ERYSIPELIS.

Copy of a Letter from Mr. Joseph Gildon, Jun., a Farmer, East Keal, near Spilsby, Lincolnshire, 8th April, 1846.

TO PROFESSOR HOLLOWAY.

Sir,—I have the gratification to announce to you a most wonderful cure wrought upon myself, by the use of your Ointment and Pills. I had a severe attack of Erysipelis in my right foot, which extended along my ancle, and was attended with swelling and inflammation to an alarming degree, insomuch that I was unable to move without the use of *crutches.* I consulted a very eminent Physician, besides other Medical men, but to no purpose. At last I tried your Ointment and Pills, when, strange to say, in less than two weeks the swelling and inflammation gradually subsided to such a degree that I was enabled to pursue my daily avocation, to the utter surprise and amazement of those who were acquainted with my case, seeing that I was cured so quickly. I and my family are well known here, as my father holds his farm under the Rev. J. Spence, Rector of our Parish.
(Signed) JOSEPH GILDON.

Holloway's Ointment *will cure any cases of Bad Legs, Ulcerous Sores, Bad Breasts, Sore Nipples, Cancers, Tumours Swellings, Contracted or Stiff Joints, Gout, Rheumatism, Lumbago, Burns, Scalds, Chilblains, Chapped Hands and Lips, Bunions, Soft Corns, Piles, the Bite of Moschettoes, Sand-flies, Chiego foot, Yaws, Coco-bay, and all Skin Diseases common to Europe, or to the East and West Indies, or other Tropical climes.*

Baird, Woodstock; Alexander Lockhart, Quaco; James Beck, Bend of Petitcodiac; O. K. Sayre, Dorchester; John Bell, Shediac; John Lewis, Hillsborough; John Curry, Canning; and James G. White, Bellisle;—in pots and boxes, at 1s. 9d., 4s. 6d. and 7s. each. There is a very considerable saving in taking the larger sizes.
