ADAMS HOUSE,
No. 371, Washington Street,
BOSTON.

THE undersigned respectfully ask the attention of the British Travelling Public, to the above new and splendid Hotel.
The ADAMS HOUSE was erected during the past season to supply an obvious demand for increased and superior accommodations in this City. It is located on *Washington Street*, within five minutes' walk of the great Southern and Western Railroad Depots, and the business sections of the City. It is adjacent to the Park, and the Cupola commands a beautiful view of the Harbour and the adjoining Towns.
The House has been constructed after the most approved plans, with all the modern inventions that minister to the comfort and convenience of the Traveller, and the Constructor's long experience in Hotels has enabled him to introduce many improvements, which are, as yet, peculiar to this Establishment. It is built of Quincy Granite, and contains *One Hundred and Fifty Rooms*, conveniently arranged in suits and single apartments, well ventilated and supplied with an abundance of pure soft water.
The Furniture was made to order from the best patterns, with special regard as well to comfort and convenience, as luxury and splendour.
Our Table will be supplied with all the luxuries of the season, and we pledge ourselves that the *first* rarities of the season shall be found upon it.
We have devoted unusual attention to the selection of servants, and our guests may rely upon prompt and polite attendance.
Travellers from the British Provinces, and Passengers by Steamer, will find this House peculiarly adapted to their wants.
☞ Porters will be in readiness, on the arrival of the St. John Steamers, to take charge of Baggage, and provide Carriages for our guests.
The Proprietors trust by strict attention to the wants of guests to merit a share of patronage, assuring all who may favour them with a visit that nothing shall be wanting on their part, to render the ADAMS HOUSE second to none in the Union.

JAYNE'S ALTERATIVE A CURE FOR CANCER, SCROFULA, &c.

Ample experience has proved that no combination has ever been so effectual in removing the above disease, as JAYNE'S ALTERATIVE. It has effected cures that have been truly astonishing, not only of Cancer, and other diseases of that class, but has removed the most stubborn diseases of the Skin, Swellings, Dyspepsia, &c. This medicine enters into the circulation, and eradicates disease wherever located. It purifies the blood and other fluids of the body, removes obstruction in the pores of the skin, and reduces enlargements of the glands or bones. It increases the appetite, removes headache and drowsiness, and invigorates the whole system, and imparts animation to the diseased and debilitated constitution. There is nothing superior to it in the whole materia medica. It is perfectly safe and extremely pleasant, and has nothing of the disgusting nausea accompanying the idea of swallowing medicine.
CONSUMPTION, BRONCHITES, ASTHMA.—No remedy has ever been found to remove the above diseases so promptly and so effectually as Jayne's EXPECTORANT. It cleanses the lungs from all irritating matters, while at the same time it heals and invigorates them.—Prepared by Dr. D. Jayne, No. 8, South Third street, Philadelphia.
Sold by Messrs. T. WALKER & SON, St. John.
