Prices Reduced!
Only 8s. and 9s. for Pictures put up in good
Cases, at ULMER'S Daguerrotype Rooms,
Victoria Hotel, head of King Street - Also,
Picture Frames, opposite City Custom
House.

MR. ULMER would take this opportunity to
state that he is not so far behind the times
that he requires a light from the north to pro-
duce a good Picture, that might have answered for
a good one five or six years ago, when the art
of photography was in its infancy, but that he
by the aid of new chemicals, and new discoveries
in the art, are enabled to take Likenesses, by
this process, equally well, no matter how dark
sooty, in dull weather, as in fair, and whenever
it may be very desirable to us, that we can
enjoy anything we have seen got up in the City
in the shape of Likenesses; and we say - and say
boldly - that if we do not take better Likenesses
than may have been taken in this City, our
customers shall be welcome to them.
N. B. - Mr. Ulmer has just received a LARGE
SIZE CAMERA, which will enable him to take
very large Pictures, and is also admirably adapted
for taking GROUPS. Some very fine size
Frames and Cases to be seen at his Rooms.
ONE PAIR of TEN or TWELVE lens
Lenses, and Gentlemen are respectfully in-
vited to call and examine specimens. No person
will be required to take any Likenesses, per-
sonally attended with his execution. Price, 3s. 6d.
or as low as any other Room in the City.
