MERCHANT'S EXCHANGE.

BOSTON.

THE Subscriber begs leave to inform the gentlemen of St. John, who are in the habit of visiting BOSTON, and who have heretofore patronized this Establishment—that he has re-opened it, after fitting it up, and improving it and putting it in most excellent order. Those gentlemen who may think proper to patronize the Establishment, will find every thing conducted equal to the best regulated Hotels in Boston, or New York. In proof of this he merely asks a trial.

Perhaps it would be as well to state, for the benefit of strangers, that the Merchant's Exchange is situate in the very centre of business. The Post Office is in the same building—and it is surrounded by all the Banks and Insurance Offices. The situation, indeed, is the most convenient, to the man of business, of any other in Boston.

In conclusion, the Subscriber expresses his earnest hope, that his friends in St. John, will give him a call whenever they visit Boston.
HENRY DOOLEY.
