Mortality.—The number of deaths in Boston, during the week ending Saturday, at noon, is reported by the Superintendent of burials at 126—males 66, females 60. Of this number, 14 occurred at Deer Island, (emigrant hospital.) Of the prevailing disease, affection o bowels is the most prevalent; seventy death occurred from that complaint alone.

The Yellow Fever ued at New Orleans on the 26th August ut abatement, though the number of death preceding day (twenty-six) was much less on any one day for the past ten days. The erments, from yellow fever, during the forty hours ending on the 28th, were 2 deaths at Charity Hospital, 26; in-term nts at Lafaye, 27.

Upp er Canada ers of the 31st August shew that the sickness diminishing there, and it appears that it has diminished at Montreal. There were 13 deat in the week ending the 30th August at Cornwall 5 remaining in the Emigrant Hospital.

At Quebec and Grosse Isle things are not worse; but we hear of sev cases of distress and exposure in town which may amount to cruelty in the authorities, or on e part of individuals. There is, as yet, no Feve Hospital for the resident inhabitants.—*Gazett Sept.* 3.

We regret to sta that the Rev. Mr. F. S. Bardy, died at the Hotel Dieu, this morning, of typhus fever contracted at Grosse Isle. He was Vicaire of Kakouna.

Dr. Cushing, of Montreal, a graduate in the Medical Class of Harvard College of 1847, died last week. He is the fourth physician who has fallen a victim to the ship fever in Montreal, during the present season.

The Weather, &c.—There has been no rain since the 30th August. The long spell of showery weather before left a great quantity of grain and some remainder of the hay crop cut down, and where proper diligence has been used it is now saved. The potato blight is spreading.—*Ibid.*

Flour.—During the past week, ending Friday, 11,377 bbls. and 282 half bbls. of Flour were received in Boston by the Western Railroad, and 7,994 bbls. and 486 half bbls. by water. Total, 19,371 bbls. and 436 half bbls.

## Dr. Jackson's Pile Embrocation never fails.

THERE are few diseases more common and troublesome than the PILES, and yet, notwithstanding great efforts have been made to cure by the use of pills, electuaries, liniments, &c., all were futile and of little benefit. Now the EMBROCATION is the only medicine used. A person who had been suffering with the Piles of the worst kind came from Salem, N. J., almost on purpose to express his gratitude for the speedy cure that this medicine had effected in his case.—*Philadelphia Sat. Post.*

*The following is from the Boston Atlas.*

VALUABLE ARTICLE.—"Scarpa's Acoustic Oil" is said by those who have had occasion to use it, to be an excellent medicine in case of deafness arising from colds or other causes. We know a young lady who not long since was almost immediately relieved by it, and the certificate of Mr. John Reed, of Bunker Hill street, Charlestown, Mass. is an unanswerable testimony of its efficacy.

ASTONISHING EFFICACY OF

## HOLLOWAY'S PILLS.

THE TESTIMONY OF A CLERGYMAN VOUCHING TO ELEVEN CASES OF CURES BY THESE WONDERFUL PILLS.

*Extract of a Letter from the Rev. George Prior, Curate of Meragh, Letter Kenny, Carrigart, Ireland, 10th January, 1846.*

TO PROFESSOR HOLLOWAY.

Sir,—I send you a crude list of some *eleven cases, all cured* by the use of your Pills, I cannot exactly give you a professional name to the various complaints, *but this I know, some of them baffled the skill of Derry and this County.* In a previous letter this gentleman states as follows:—Within a short distance of my house resides a small farmer, who for more than twenty years has been in a bad state of health; Mrs. Prior gave him a box of the Pills, which did him so much good that I heard him say, for twenty years past he never ate his food or enjoyed it so much as since taking your Pills.

(Signed) GEORGE PRIOR.

*** The above reverend and pious gentleman purchased some pounds' worth of the Pills for the benefit of his poor parishioners.

EXTRAORDINARY CURES BY

## *Holloway's Ointment.*

CURE OF A DESPERATE CASE OF ERYSIPELIS.

*Copy of a Letter from Mr. Joseph Gildon, Jun., a Farmer, East Kenal, near Spilsby, Lincolnshire, 8th April, 1846.*

TO PROFESSOR HOLLOWAY.

Sir,—I have the gratification to announce to you a most wonderful cure wrought upon myself, by the use of your Ointment and Pills. I had a severe attack of Erysipelis in my right foot, which extended along my ancle, and was attended with swelling and inflammation to an alarming degree, insomuch that I was unable to move without the use of *crutches.* I consulted a very eminent Physician, besides other Medical men, but to no purpose. At last I tried your Ointment and Pills, when, strange to say, in less than two weeks the swelling and inflammation gradually subsided to such a degree that I was enabled to pursue my daily avocation, to the utter surprise and amazement of those who were acquainted with my case, seeing that I was cured so quickly. I and my family are well known here, as my father holds his farm under the Rev. J. Spence, Rector of our Parish.

(Signed) JOSEPH GILDON.

Holloway's Ointment *will cure any cases of Bad Legs, Ulcerous Sores, Bad Breasts, Sore Nipples, Cancers, Tumours, Swellings, Contracted or Stiff Joints, Gout, Rheumatism, Lumbago, Burns, Scalds, Chillblains, Chapped Hands and Lips, Bunions, Soft Corns, Piles, the Bite of Moschettoes, Sand-flies, Chiego foot, Yaws, Coco-bay, and all Skin Diseases common to Europe, or to the East and West Indies, or other Tropical climes.*

☞ Sold by the Proprietor, 244, Strand, (near Temple Bar,) London; and by PETERS & TILLEY, *Provincial Agents,* No. 2, King street, Saint John, N. B.; James F. Gale, Fredericton; W. T. Baird, Woodstock; Alexander Lockhart, Quaco; James Beck, Bend of Petitcodiac; O. K. Sayre, Dorchester; John Bell, Shediac; John Lewis, Hillsborough; John Curry, Canning; and James G. White, Bellisle;—in pots and boxes, at 1s. 9d., 4s. 6d. and 7s. each. There is a very considerable saving in taking the larger sizes.

N. B.—Directions for the guidance of patients are affixed to each pot. *July* 11, 1846.

## SANDS' SARSAPARILLA,

For the Removal and Permanent Cure of all Diseases arising from an Impure State of the Blood or Habit of the System, viz.:

*Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites or Dropsy, Exposure or Imprudence in Life. Also, Chronic Constitutional Disorders.*

THE value of this Preparation is now widely known, and every day the field of its usefulness is extending. It is approved and highly recommended by Physicians, and is admitted to be the most powerful and searching Preparation from the root that has ever been employed in medical practice.

It is highly concentrated for convenience and portability, containing nothing but the expressed essence, and is the representative of the Sarsaparilla Root, in the same manner as Quinine is of Peruvian Bark, or Morphine of Opium. It is an established fact, that a few grains of either Quinine or Morphine contains all the medicinal value of a large quantity of the crude substances; hence the superiority of these preparations—and no invalid would desire to drink a gallon mixture, when a half-pint contained the same medicinal value.

The following certificate is only another link in the great chain of testimony to it merits:

South Bolton, Canada East,
April 18, 1846.

Messrs. Sands—Gentlemen: Exposed as we are to the attacks of disease, and so frequently disappointed in proposed remedies, we cannot but look upon the efforts of successful practitioners with interest and gratitude. This is true respecting your valuable preparation of Sarsaparilla. I have been severely afflicted for 33 years with a disease about which "Doctors disagreed," and their prescriptions were still more diverse.—I tried various remedies but found no relief until I commenced using your excellent medicine, at which time I was wholly confined to my bed.—After using it a few months, I am now able to walk about, ride out, and enjoy a comfortable degree of health, which I attribute entirely to the use of Sands' Sarsaparilla. Please accept my assurance of gratitude and regard.

JOHN M. NORRIS.

Being personally acquainted with the above statements, I hereby certify that the same are true. REV. T. M. MERRIMAN.

Farther testimony from Vermont:

The following testimonial to the value of the Sarsaparilla, is from the Rev. Luther Wright, aged 76 years, Congregational minister, residing at Woburn.

Woburn, Mass. March 30, 1846.

*Messrs. Sands*—Gentlemen,—From what I have experienced, and from the information I have recently received from a number of persons of high respectability who have used your Sarsaparilla, I have not the *least doubt* but that it is a most valuable medicine, and the numerous certificates you have received of its efficacy are fully sustained by *experience*, and although its reputation and utility are very extensive, and stand in no need of my humble efforts to increase them, I want all who are afflicted by disease to become acquainted with the *efficacy* and power of this valuable medicine. I am, gentlemen, gratefully and very respectfully yours,

LUTHER WRIGHT.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets which may be obtained of the Agents gratis.

Prepared and sold by A. B. & D. SANDS, New-York, 100 Fulton street, corner of William, New-York.

Sold also by T. WALKER & SON, St. John; Morton & Co., Halifax; J. ... & Co. Quebec; and by Druggists generally throughout the United States and British Provinces.

Price $1 per bottle. Six bottles for $5.
