CLEAR THE TRACK! Prices Reduced!

Only 8s. and 9d. for Pictures put up in good Cases, at ULMER'S Daguerreotype Rooms, Victoria Hotel, head of King Street;—Also, Prince Wm. Street, opposite the New Custom House.

MR. ULMER would take this opportunity to state that he is not so far behind the times that he requires a light from the north to produce a good Picture, that might have answered for a pretext some five or six years ago, when the art had arrived to any thing but perfection. But now by the aid of new chemicals, and new discoveries in the art, we are enabled to take Likenesses, by this process, equally well from any light, north or south, in dull weather as in fair; and we consider it not very bombastic when we say, that we can excel anything we have seen got up in this City in the shape of Likenesses; and we say—and say it boldly—that if we do not take better Likenesses than any we have seen taken in this City, our customers shall be welcome to them.

N. B.—Mr. Ulmer has just received a LARGE SIZE CAMERA, which will enable him to take very large pictures; it is also admirably adapted for taking GROUPS. Some very fine large size Frames and Cases to be seen at his Rooms.—☞ GROUPS of TEN or TWELVE taken on ONE PLATE.

☞ Ladies and Gentlemen are respectfully invited to call and examine specimens. No person will be required to take the likeness, unless perfectly satisfied with its execution. Price, 8s. 9d. or as low as any other Room in the City.

October 16. P. ULMER.

Daguerreotype Likenesses.

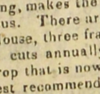
THE Subscriber does not know, nor does he care to know, what a certain gentleman is not in the habit of doing, and he presumes that as this person is a stranger, and [illegible] enlighten [illegible] ments upon this topic come from himself it will be received with due allowances. The Subscriber pursues the system of business of this community, and now begs to say that as goods are usually advertised to arrive, he will shortly receive a superior German Camera, of a large size, by which he will be able to take likenesses infinitely superior to anything hitherto produced in St John, the instruments now in use being of American manufacture.

The Subscriber expresses the hope that the public will believe the repeated assurances of a certain artist, "that his pictures do not fade." The necessity for such repetition seems, however, to justify the suspicion that they may, perhaps, have done so in the past, and may do so again.

The Subscriber's Book will be open without limit to time, for pictures at one dollar each, and the names attended to in regular rotation.

October 23. JOHN NELSON.

FARM for Sale.



THE subscriber offers for sale his FARM, containing 225 acres, and Farming Utensils, situate twenty-five miles from St. John, fronting one hundred rods on the Bellisle Bay, and bounded by the highway about a mile and a half. The Property is about six miles from Kingston church, on excellent routes to St. John, either by Hampton Ferry, by Kingston, or by water, and the Public Landing being close to the dwelling, makes the water conveyance very commodious. There are on the Farm a good Dwelling House, three frame Barns, and Stage house, and it cuts annually thirty tons English Hay,—the crop that is now to be seen on the premises is the best recommendation.

If the said Property is not sold by the 23d inst. it will be offered at Public Auction on the 1st day of November next, on the premises—when and where terms of sale will be made known.

For particulars enquire of Caleb Wetmore, Esq. Auctioneer, or on the premises, to
