To intending EMIGRANTS from New-Brunswick!

THE CANADA COMPANY would submit to the serious consideration of all parties who may contemplate leaving New-Brunswick, whether the Western section of Canada, (formerly the Province of Upper Canada,) does not offer every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, the soil very fertile, and abundance of excellent Lands, to be obtained upon easy terms, from the Government and the Canada Company. The great success which has attended settlement in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Country; and is also shown by the success of many natives of New-Brunswick and Nova-Scotia, who have settled in many Townships of the Country; and the individual progress made by several thousands of people, who have taken Lands from the Company, corroborates the success which has attended settlement in Upper Canada.

The Canada Company's LANDS are offered by way of LEASE for *Ten Years*; or for SALE, CASH DOWN. *The plan of 1 5th Cash, and Balance in Instalments, being done away with.*

The Rents payable 1st February each Year, are about the Interest, at Six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when Leased, NO MONEY IS REQUIRED DOWN; whilst upon the others, *according to locality, One, Two, or Three Years' Rent* must be paid *in advance*, but these payments will *free* the Settler from *further* Calls, until the Second, Third, or Fourth Year of his Term of Lease.

The Settler has secured to him the *right* of converting his *Lease* into a *Freehold*, and of course, *stopping payment* of further Rents, before the expiration of the Term, upon paying the purchase of Money specified in the Lease.

The Lessee has thus *guaranteed* to *him* the *entire benefit* of his *Improvements* and *increased value* of the Land he occupies, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold: the *option* being *completely* with the *Settler.*

A Discount, after the rate of Two per Cent. will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year.—The Lessee has also secured to him the benefit of the SETTLERS' SAVINGS' BANK ACCOUNT.

☞ The Canada Company have published "*A Catechism of Information for intending Emigrants of all classes to Upper Canada*:" copies of which, as well as further information, may be obtained *gratuitously*, by applying at the Office of G. BLATCH, Esq., Barrister at Law, Prince William Street, St. John, N. B.

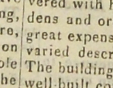
TO BE LET.



THAT very superior Property, known as the

"Beech-Hill Farm,"

situate in the Parish of Hampton, on the bank of the Kennebeckasis, thirteen miles from the City of Saint John.

It comprises 400 acres of excellent land, nearly one half of which is under a very high state of cultivation, and cuts about 200 tons of the best quality of upland hay; the remainder is well covered with hardwood. There are extensive gardens and orchards upon the premises, laid out at great expense, and producing fruit of choice and varied descriptions, and in great abundance.—The buildings consist of a beautifully-situated and well-built cottage, the grounds about it tastefully arranged with shrubberies, groves and avenues; three good farm-houses, with dairies, root-cellars, workshops, &c.; three large barns, with commodious stables, and the whole provided with every convenience required in a first-rate farming establishment.

The premises are open to the markets of Saint John at all seasons, by land and by water; and in summer the Steamers to Hampton regularly touch at the landing-place, where a substantial wharf has been lately erected by the present proprietor.

It may be advantageously divided into several farms, and will be leased, at low rents, for short or long periods, to suit the convenience of applicants.

Any further information will be given by the subscriber. R. M. JARVIS.

TO THE YOUNG MEN OF NEW-BRUNSWICK
AN APPEAL.

WHILE YOU ARE YOUNG MEN, PREPARE YOURSELVES FOR FUTURE HAPPINESS, USEFULNESS, AND RESPECTABILITY.

For a small amount of money saved from some profitless expenditure once a month, you may in a few months be put in possession of a work from which you may derive interest and profit for the time, which will serve for a study through your life, and which you may hand down to the next generation as a treasure worthy the age in which you lived, and worthy their careful study.

The subscriber will publish about the middle of October, the first number of a POPULAR, ELEGANT, and ILLUSTRATED EDITION of

UNIVERSAL HISTORY
FROM THE
CREATION OF THE WORLD,
BY THE LATE
HON. ALEXANDER FRASER TYTLER,
Senator of the College of Justice, and Lord Commissioner of Justiciary in Scotland, and former Professor of Civil History, and Greek and Roman Antiquities in the University of Edinburgh.

The work will be published in monthly numbers, at 25 cents each, and will be completed in ten or eleven months. It will make two handsome volumes of about 1100 pages.

The study of History is the most entertaining and useful of all studies, therefore the selection of an author is of the first importance. The History by TYTLER has been through more than ONE HUNDRED EDITIONS in England, and is used in the Universities of that country and this, and takes the first rank among literary works. Be particular, therefore, to enquire for

Tytler's Universal History.

Remember that 'KNOWLEDGE IS POWER,' and if you have more knowledge than your neighbour, you have a power over him which he cannot successfully resist.
