Wright's Indian Vegetable Pills will be one of the very best medicines in the world for the cure of all diseases of the Liver; because they expel from the body those morbid humors which, when deposited upon this important organ, are the cause of every variety of Liver Complaint. From three to six of the above named Pills, taken on going to bed, will, in a short time, give such manifest relief, that no persuasion will be necessary to induce a perseverance in their use, until the liver is restored to healthy action.

THE SUGAR-COATED PILLS.

A NEW SARSAPARILLA PREPARATION.

To cure Diseases, purify the Blood! To avoid them, keep it pure!!

That Predisposition which exposes the human frame to the infection and virulence of every class of disorders, proceeds directly or indirectly, from a morbid state of the system caused by IMPURE BLOOD.

HALSEY'S SUGAR-COATED MAGIC LIFE PILLS.

The originator of the only true and genuine sugar-coated Pills, most respectfully informs the enlightened public, that this new and elegant preparation can be obtained only from advertised agents, and at the proprietor's establishment, 323 Broadway, New-York.

Among the numerous remedies which stand reputable on the basis of an ancient name, ... none perhaps which have acquired so great celebrity, and extensive use in so short a time as this invaluable article.—They have gained their high reputation, alone by their good works. Those who once try them, always use them again. They are grateful to the stomach;—they improve the functions of secretion, nutrition and circulation. They restore digestion and appetite, and create a natural warmth which glows through the whole system, giving it greater vitality and animation. In BILIOUS *complaints, Costiveness, Indigestion, Dyspepsy,* and all other disorders of the stomach they produce the most happy results. For *Sores, Boils, Salt-rheum, Tetter, Erysipelas, Eruptions of the Skin, Scrofulous complaints,* and many other like diseases arising from IMPURE BLOOD, they have become highly celebrated. Hundreds of certificates have been received from individuals who after having taken them for a few weeks, according to the directions which accompany (each box) were cured of the most afflicting cases of *scrofulous affections. They give* GOOD FOR BAD, and renew the fluids and vital functions. Bottles of the boasted Sarsaparillas, contain less of the *true virtues* of that valuable plant, and are less effectual than a single box of these extraordinary Pills. In *Colds, Coughs, Influenza, Sore Throat, Headache, Giddiness,* &c., they are recommended with entire confidence; the relief in such cases is quick and permanent. For *Fever and Ague, Fevers, Asthma, Piles, Loss of Appetite, Dropsy, Jaundice, Worms, Weakness, General Debility,* and many of the various other diseases to which the human system is liable, they have proved an infallible remedy. Their action on the bowels is of the most ... character, even *over doses* never cause pain or unpleasantness, yet they are searching and efficient. It is impossible by *words,* to give an adequate idea of the great and good effects these pills produce and their superiority over every other remedy of a similar class; a trial only will explain the wide difference. An unhappy invalid after having tested but a single box of them, will with joy for the unexpected change wrought in his health, bear testimony to their uncommon virtues.

For sale at the Store of the Subscriber, King Street, at 1s. 3d. per box, and liberal discount for wholesale purchases; and at the several Agencies in the Provinces.

General Agent for the Provinces.

NORMAL SEMINARY.

Mr. McPHERSON,

(Late Assistant in the Saint John Grammar School,)

RESPECTFULLY announces to the inhabitants of St. John and its vicinity, that he has taken Rooms on the South side of Princess Street, five doors from Germain Street, and nearly opposite Lancaster's Hotel, where he will, for the present, open a Normal Seminary for Day and Evening Classes, on Monday the 17th inst.

The course of Education will embrace the following branches, viz.—Reading, Writing, Arithmetic and Book-keeping; Geography, Use of the Globes, Draughting, Tracing and Embellishing Maps; Mensuration of Superfices, Solids and Conic Sections; Algebra; Plane and Solid Geometry; Plane and Spherical Trigonometry; Navigation, Land surveying, with the Principles of Civil Engineering; English, Latin and Spanish Grammar.

Terms (for Day Classes) varying from 17s. 6d. to 27s. 6d. per quarter; for Evening Classes, made known on application at the School. Hours of attendance for Day Classes from 9 A. M. till 1 P. M. and from 2 P. M. till 4; for Evening Classes, from half-past 6 till half past 9. Applications to be made at the School.

Mr. McPHERSON would intimate that he has engaged a Building of large dimensions now in course of erection on the South side of *King's Square,* whither he intends to remove his School after the lapse of a few weeks, when the house will be completed.

Being intimately acquainted with the Normal system of Education, Mr. McPherson will adopt that method of Teaching in his School; and he feels assured that, by an approved plan of imparting instruction, and by zealous assiduity and good government in his establishment, he will give general satisfaction to parents and guardians who may favour him with their patronage. The School will be furnished with Maps, Globes, Nautical and Practical Surveying Instruments.

☞ To Young Men who may wish to obtain a thorough knowledge of Land-surveying in Theory and Practice, a favourable opportunity is offered, as leisure hours, during the course of instruction, will be spent in the country, in order to make learners practically acquainted with the several instruments used in Surveying; for keeping a Field Book and making calculations in the various measurements connected with that important branch of Science.—Persons intended for a Mercantile or Maritime life will receive an education fully suited to their respective callings.
