BANKERS—Bank of New-Brunswick.
SECRETARY & TREASURER—Mr. C. L. Street.

THIS SOCIETY is established on a mutual simplified system—the most approved in England; and founded on a basis so sound as to give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS—

First—To enable persons to become their own Landlords, and purchase Freehold or Leasehold Property, by advances made by the Society. (*£300 positively advanced for £36 a year for eleven and a half years, which sum pays both principal and interest. Other sums in proportion.*)

Secondly—To provide a safe and profitable Fund for SAVINGS, or Investments for small or large sums of money. (*This Society offers opportunities in this respect which no other Institution in this Province can do;—Savings' Banks only pay 5 per cent., whereas this Society pays 6 per cent. Compound Interest.*)

THE OTHER IMPORTANT ADVANTAGES ARE—

1st—No money is lent but on security on Real Property.

2d—New Members are admitted up to the time the Society will end, with equal proportionate advantages.

3d—Any Member may withdraw the amount of his Shares at any time after the first year, with the compound interest thereon. Shares may be transferred at any time.

4th—Members may invest their Money in Paid UP SHARES, which will necessarily be doubled—£60 at the commencement being worth £120 at the conclusion.

5th—Mortgages can be repaid at any time with proper notice.

6th—The Accounts and Bank Book are open for the inspection of members at every monthly meeting.

7th—Securities given by all Officers of Trust.

The Board of Directors in St. John have the GENERAL MANAGEMENT of the Society—and for the purpose of accommodating persons residing in other parts of the Province, BRANCH OFFICES, or AGENCIES, are formed—where Shares can be obtained, and all the payments made, in the various districts; and LOCAL BOARDS of Management will be established so soon as the number of Shares taken in any district render it advisable.

The Funds are procured from the Monthly Subscription of the Members, and also from Monies invested in *Paid up Shares*, which will always ensure ample means for meeting the advances required.

The Profits are certain, because the amount paid by the *borrower*, for an advance, must necessarily form the fund for paying the *lender*.

The Expences of the Society are small, as the Officers act gratuitously, with the exception of the Secretary and Treasurer.

The Fees and Fines form a Contingent Fund out of which the expences are paid, and the balance, which will be very considerable, will go into the General Fund, which will lessen the duration of the Society.

☞ Every information, with copies of Prospectus, Rules, &c. can be obtained on application at the Office of the Society; or at the Offices of the Agents. *By order of the Board,*

ASTONISHING EFFICACY OF HOLLOWAY'S PILLS.

THE TESTIMONY OF A CLERGYMAN VOUCHING ELEVEN CASES OF CURES BY THESE WONDERFUL PILLS.

Extract of a Letter from the Rev. George Prior, Curate of Mevagh, Letter Kenny, Carrigart, Ireland, 10th January, 1846.

TO PROFESSOR HOLLOWAY.

SIR,—I send you a crude list of some eleven *cases, all cured* by the use of your Pills. I cannot exactly give you a professional name to the various complaints, *but this I know, many of them baffled the skill of Derry and this County.* In a previous letter this gentleman states as follows:—Within a short distance of my house resides a small farmer, who for more than twenty years has been in a bad state of health; Mr. Prior gave him a box of the Pills, which did him so much good that I heard him say, for twenty years past he never ate his food or enjoyed it so much as since taking your Pills.

(Signed) GEORGE PRIOR.

*** The above reverend and pious gentleman purchased some pounds' worth of the Pills for the benefit of his poor parishioners.

EXTRAORDINARY CURES BY Holloway's Ointment.

CURE OF A DESPERATE CASE OF ERYSIPELAS.

Copy of a Letter from Mr. Joseph Gildon, a Farmer, East Kenal, near Spilsby, Lincolnshire, 8th April, 1846.

TO PROFESSOR HOLLOWAY.

SIR,—I have the gratification to announce to you a most wonderful cure wrought upon myself by the use of your Ointment and Pills. I had a severe attack of Erysipelis in my right foot, which extended along my ancle, and was attended with swelling and inflammation to an alarming degree, insomuch that I was unable to move without the use of *crutches*. I consulted a very eminent Physician, besides other Medical men, but to no purpose. At last I tried your Ointment and Pills, when, strange to say, in less than two weeks the swelling and inflammation gradually subsided to such a degree that I was enabled to go to my daily avocation, to the utter surprise and amazement of those who were acquainted with me, seeing that I was cured so quickly. I and my family are well known here, as my father held his farm under the Rev. J. Spencer, Rector of our Parish. JOSEPH GILDON.

Holloway's Ointment will cure any cases of *Bad Legs, Ulcerous Sores, Breasts, Sore Nipples, Cancers, Tumours, Swellings, Contracted or Stiff Joints, Gout, Rheumatism, Lumbago, Burns, Scalds, Chilblains, Chapped Hands and Lips, Bunions, Soft Corns, Piles, the Bite of Moschettoes, Sand-flies, Chiego foot, Yaws, Coco-bay, and all Skin Diseases common to Europe, or to the East and West Indies, or other tropical climes.*

☞ Sold by the Proprietor, 244, Strand, (near Temple Bar,) London; and by PETERS & TILLEY, *Provincial Agents*, No. 2, King Street, Saint John, N. B.; James F. Gale, Fredericton; W. T. Baird, Woodstock; Alexander Lockhart, Quaco; James Beck, Bend of Petitcodiac; John Sayre, Dorchester; John Bell, Shediac; Wm. Lewis, Hillsborough; John Curry, Canning; James G. White, Belisle;—in pots and boxes, at 1s. 9d., 4s. 6d. and 7s. each. There is a very considerable saving in taking the larger sizes.

N. B.—Directions for the guidance of patients are affixed to each pot.
