POETRY.

THE THREE CALLERS.

BY CHARLES SWAIN.

Morn calleth fondly to a fair boy, straying
'Mid golden meadows, rich with clover-dew;
She calls: but he still thinks of nought, save playing,
And so she smiles and waves him an adieu!
Whilst he still merry with his flowery store,
Deems not that Morn, sweet Morn! returns no more!

Noon cometh: but the boy, to manhood growing,
Heeds not the time; he sees but one sweet form,
One young fair face from bower of jasmine glowing,
And all his loving heart with bliss is warm!
So Noon, unnoticed, seeks the western shore,
And man forgets that Noon returns no more!

Night tappeth gently at a casement, gleaming
With the thin firelight, flickering, faint and low,
By which a grey-haired man is sadly dreaming
O'er pleasures gone, as all life's pleasures go;
Night calls him to her, and he leaves his door,
Silent and dark: and he returns no more!

GOVERNMENT NOTICES.

Regulations *for carrying into effect the provisions of the 12th Vic. c. 4, intituled "An Act to facilitate the sale and improvement of Crown Lands in certain cases."*

1. That the Local Deputies do, as soon as practicable, report to the Surveyor General the most desirable Tracts of Land for immediate Settlement in their respective Districts, and the probable number of Lots that may be required for immediate Settlement, and that similar reports be made from time to time as occasion may require.

2. That all persons desirous of selecting any particular Tract for Settlement, under the provisions of the above Act, do signify the same forthwith, either to the Local Deputy of the County, or to the Surveyor General, in order that such Tract, with the Road to and through the same, may be laid off, preparatory to Sale.

3. That the Applicants in all cases shall state in their Petition whether they wish to pay for their Land in money or by labour upon the Roads.

4. That no Land will be sold at less than 3s. per acre, and no person shall be allowed to purchase more than 100 acres under the provisions of the above Act.

5. That where the purchaser shall prefer paying the whole amount in money on the day of Sale, a discount will be made thereon of 20 per cent.

6. That where the purchaser desires to pay in labour upon the Roads, he shall, upon making his application, pay the sum of 20s. towards defraying the expenses of Survey.

7. That where the purchase is made for money under the Regulation, if the payments required are not duly made according to the terms of sale, and any instalment is not paid on or before the day when it becomes due, the Land in all such cases shall immediately upon default made, be open to re-sale, and upon application made, shall be disposed of without reference to any improvements which may have been made by the former purchaser.

8. That all payments of money shall be made to the Local Deputies, except in case of purchases in York or Sunbury, when they will be made to the Receiver General.

9. That the Local Deputies shall render returns, make remittances, and be entitled to receive and retain the same Commission on monies received under the above Act, and by virtue of these Regulations, as they do at present under the Regulations of the 11th May, 1843.

10. That as the avowed object of the Legislature in passing the above Act, was to secure the occupation and improvement of the ungranted Lands of the Province,—No neglect of occupation and improvement will be permitted for a longer period than three months, unless upon good cause shewn therefor to the satisfaction of His Excellency in Council; and in case of the non occupation and improvement of any Lot beyond that time, and not satisfactorily accounted for, the Lot shall be open to re-sale, and upon application made, will be disposed of without reference to any improvements made by the former purchaser.

11. That the occupation and improvement under the last Rule, shall be by *bona fide* Settlement upon the Lot, and shall be such as plainly to indicate the intention of the purchaser to do all in his power to make a permanent residence thereon.

12. That in all cases where the purchaser is to make payment by labour on the Roads, he shall perform the labour at such times and at such places as shall be fixed upon by the Commissioners to be appointed for that purpose, and in no case shall less work be done in any one year than will be equal to one-fourth of the whole purchase money.

13. That if any purchaser shall refuse to perform labour when required as aforesaid, the Commissioner shall forthwith report the same, and unless good cause be shewn for such refusal, the purchaser so refusing shall forfeit his right under the Sale, and his allotment shall be open to new application, and will be sold without reference to any improvements he may have made thereon.

14. That no grant of any lot purchased under the provisions of the above Act shall issue until it be proved to the satisfaction of the Lieutenant Governor and Council, that, in addition to payment for the Lot by money or labour, the purchaser has actually resided thereon for the space of one year, and has brought at least ten acres thereof into a state of cultivation.

15. That if any purchaser do remove or cause or permit to be removed from his Lot any Timber or Logs before he shall have received a Grant of such Lot, such Timber and Logs shall be seized and forfeited to the use of the Province; and the Lot from which such removal shall have taken place, shall be open to new application, without reference to any improvements of the original purchaser.

16. That in case any purchaser shall be detected in any fraud, deception or misrepresentation in his dealings with the Government under the above Act and these Regulations, he shall thenceforth be excluded from all the benefits and advantages of the said Act.

SETTLERS' CROWN DEBTS.

Regulations *for carrying into effect the provisions of the Act 12 Victoria, cap. 19, intituled "An Act to authorize the commutation of Debts due the Crown by Settlers in certain cases for work on the Public Roads."*

1. That every Settler who may be entitled to avail himself of the privileges of the above Act, shall on or before the 15th day of June in each year, signify his desire so to do, to the Commissioner of the Parish or District in which his Lot may be situate, and shall at the same time deposit with the Commissioner the sum of one shilling on every pound of the debt for which he may be desirous of performing labour.

2. That when any Settler is indebted in a greater sum than £12, he may reduce the same to that amount by payment of the difference to the Receiver General or to the Local Deputy of the County where the Land lies.

3. That where the debt due does not exceed £5, the whole amount thereof shall be discharged by labour in one season; and where the debt exceeds £5, two years may be allowed, if the applicant require it, for performing the labour therefor.

4. That each Commissioner do forward to the Provincial Secretary on or before the 1st day of May in each year, a list of the Public Roads in his District which it will be most desirable to open or improve, and which will be most convenient for the Settlers.

5. That every Commissioner shall strictly adhere to the requirements of the above Act and to these Regulations, and shall on or before the 1st day of November in each year, transmit to the Provincial Secretary the Returns required by Sections 7 and 8 of the above Act.

TIMBER CROWN BONDS.

All persons indebted by Bond to the Crown for Timber cut upon Crown Lands either under the five years Leases or in excess of Licence, or without Licence, and who have any just and equitable claims upon the Government for the reduction of the amounts of the said Bonds, are hereby notified, that such claims must be preferred by Petition to His Excellency the Lieutenant Governor on or before the 1st day of February next, setting forth specifically the grounds whereon such claims are founded, in order that the same may be duly investigated and dealt with according to the provisions of the Act 12 Vic., cap. 36; and in all cases where application shall not be made as aforesaid, immediate proceedings will be taken to enforce the payment of the said Bonds.

CLAIMS OF PURCHASERS OF CROWN LANDS.

All persons interested in the purchase of Tracts of Crown Lands exceeding 500 acres each, which were sold between the years 1832 and 1838, and for which the balance of purchase money has not been paid, and who are desirous of obtaining relief under the provisions of the Act 12 Vic., cap. 73, intituled "An Act for the adjustment of claims of certain purchasers of Crown Lands," are hereby notified, that all such claims must be preferred by Petition to His Excellency the Lieutenant Governor on or before the 1st day of May next, and that such Petitions shall specifically set forth the state of purchase—the quantity of Land purchased—the price per acre—the amount actually paid, and at what time—whether any Timber or Logs, and what quantity has been cut or sold off the Land by the purchaser or his assigns; such statements to be duly verified and accompanied by the necessary proofs and vouchers, in order that due enquiry may be made into all such claims, and relief be afforded, agreeably to the provisions of the aforesaid Act of Assembly.

By His Excellency's Command.
J. R. PARTELOW.
Secretary's Office, 29th October, 1849.

Montreal, Nov. 8.—A meeting of persons favourable to the Annexation of the Province to the United States of America, was held in the Public Hall in St. Maurice-street, last evening. The Chair was taken by J. Redpath, Esq., and J. Glass, J. P., and E. Dorion Esquires, acted as Secretaries.

Moved by H. Taylor, Esq., seconded by J. De-Witt, Esq., M. P. P.

That it is expedient under the evils that afflict our country, and under the depression of its material interests, that all animated with a desire for its welfare should associate with the view to the attainment of a remedy and we therefore form ourselves into an association for that purpose and to promote the social amelioration of Canada, and we adopt the sentiments of the address to the people of Canada, published in the journals of the city in October last.

Moved by B. Holmes, Esq., M. P. P., seconded by W. Molson, Esq.

That our state of colonial dependence can only be prolonged at the sacrifice of our most valuable interests, and that this meeting considering the social, commercial, and political difficulties of Canada, and feeling the weight of the evils that oppress our society, believe that the only attainable measures capable of improving our condition consists in a peaceable separation from Great Britain, with her consent and then annexation to the United States of America. That the name of our association shall be "The Annexation Association of Montreal."

Moved by John Rose, Esq., Q. C., seconded by A. Dubois, Esq.

That we bind ourselves towards each other, burying in oblivion all past dissensions, cordially to co-operate in such lawful and constitutional means as may best promote the object of the association, and we invite the people of Canada generally to form similar associations in the same fraternal spirit.

Moved by F. G. Johnson, Esq., Q. C., seconded by J. Donegana, Esq.

That this meeting do now adjourn to this day week at the hour of noon, and that the following gentlemen be a committee to nominate a ticket for our consideration, viz: R. Mackay, A. A. Dorion, D. Torrance, H. Mulholland, J. Ostell.

The League.—Several sets of resolutions were moved at the meeting of the League in Toronto on the 3d instant, and afterwards withdrawn. The following, moved by Mr Gamble, and seconded by Mr. O. R. Gowan, was unanimously adopted:—

Resolved—That the condition of this Province calls loudly upon all lovers of peace and good government, speedily to adopt measures whereby the present excitement may be allayed, public tranquillity restored, and existing political differences merged in one paramount sentiment—the good of our common country. For some time past, disturbance has followed disturbance, and riot has succeeded riot in quick succession; on several occasions human blood has been shed, the law violated with impunity, while the Government, by their ineffectual attempts to repress these disorders, have been brought into contempt. Exciting and irritating political questions, involving the dismemberment of this Colony from the Empire, are openly advocated. Rancorous feelings are separating neighbour from neighbour, to the hindrance and neglect of business, the interruption of industry, the loss of confidence, and the destruction of credit. The public mind is becoming vitiated by these excesses, a spirit of insubordination to the laws is manifested, which if allowed to prevail, threatens to burst asunder the bonds of society, and lead to the most deplorable consequences—anarchy, confusion, and civil strife; and that for these and other causes, it is the opinion of this Convention that these colonies cannot continue in their present political or commercial state.

Mr. Miller moved a resolution, of which he had given notice, as follows:—

"Resolved, That it is a matter of regret to this Convention, that the subject of a separation of this Colony from the Mother Country, and of Annexation to the United States of America, has been openly advocated by a portion of the press and inhabitants of this Province; and this Convention unhesitatingly records its entire disapprobation of this course, and calls upon all well-wishers of their country to discountenance it by every means in their power."

Mr. R. M'Donald seconded the motion.

Moved in amendment by Dr. Hamilton, seconded by Mr. G. Duggan, that this resolution be not adopted, but that the following be substituted:—

"That it is wholly inexpedient to discuss the question of Annexation at this Convention, the loyalty of whose members cannot be questioned, and amongst whom, as a body, there is found no individual to advocate any such obnoxious principle."

Several gentlemen spoke warmly in favour of the original motion. The amendment, on being put, found but four or five supporters; the original motion was then put and carried unanimously.

A letter-writer in California says—

Law and order are more strictly observed in San Francisco than in New-York. One or two executions for robbery have lately taken place. An open trunk might be left in the street over night, and not a thing would be touched. Dysentery prevails to a great extent in San Francisco, owing to the bad quality of the water. The water which the ships bring is carefully preserved and used, it being superior to any on shore.

The first daily paper, called the "*California Daily Sun*," is shortly to be issued. Messrs. Moore and Ormiston, formerly assistant foremen in the 'New-York Sun' establishment are the proprietors. They took out with them in the Appollo all the materials for a large printing concern. One of Hoe's fast presses, and a steam engine will probably be sent out to them before long.
