MOTT'S BROMA.

THIS excellent compound affords one of the most innocent and nutritious beverages that can be obtained from the COCOA NUT, in solution with other ingredients. It imparts tranquility to the nerves, and gives strength to the whole system. To the sick, the convalescent, and to children, it is recommended with confidence.

OPINION OF PHYSICIANS.

HAVING tried the BROMA made by Messrs. H. Y. MOTT & SON, of Halifax, N. S., and having been made acquainted with its several ingredients, we are of opinion that it is a combination at once innocent and highly nutritious, not only to persons in health but also to the weak and debilitated; and that, from the facility with which it may be prepared, and the salutary properties of its ingredients, it is a valuable compound, and we cheerfully recommend it to convalescents, and all who require a mild and strengthening food.
