MOTT'S BROMA.
THIS excellent compound affords one of the most innocent and nutritious beverages that can be obtained from the Cocoa Nut, in solution with other ingredients. It imparts tranquility to the nerves, and gives strength to the whole system. To the sick, the convalescent, and to children, it is recommended with confidence.

OPINION OF PHYSICIANS.
Having tried the Broma made by Messrs. H. Y. Mott & Son, of Halifax, N. S., and having been made acquainted with its several ingredients, we are of opinion that it is a combination at once innocent and highly nutritious, not only to persons in health but also to the weak and debilitated; and that, from the facility with which it may be prepared, and the salutary properties of its ingredients, it is a valuable compound, and we cheerfully recommend it to convalescents, and all who require a mild and strengthening food.

TRY ERE YOU DESPAIR.
HOLLOWAY'S PILLS.
CURE OF ASTHMA.
Extract of a letter from Mr. Benjamin Mackie, a respectable Quaker, dated Creenagh, near Loughall, Ireland, dated September 11th, 1848.
To Professor Holloway.

Respected Friend,—Thy excellent Pills have effectually cured me of an Asthma, which afflicted me for three years to such an extent, that I was obliged to walk my room at night for air, afraid of being suffocated if I went to bed by cough and phlegm. Besides taking the Pills, I rubbed plenty of thy Ointment into my chest night and morning.
(Signed) BENJAMIN MACKIE.

CURE OF TYPHUS FEVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH.

A respectable female in the neighbourhood of Loughall, was attacked with Typhus Fever, and lay for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for her demise. Mr. Benjamin Mackie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended an immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured.

N B.—From advice just received, it appears that Colonel Dear, who is with his Regiment in India, the 21st Fusileers, cured himself of a very bad attack of Fever by these celebrated Pills. There is no doubt that any Fever, however malignant, may be cured by taking, night and morning, copious doses of this fine medicine. The patient should be induced to drink plentifully of warm linseed tea or barley water.

CURE OF DROPSY IN THE CHEST.
Extract of a Letter from J. S. Mundy, Esq. dated Kennington, near Oxford, Dec. 2d, 1848.
To Professor Holloway.

Sir,—My Shepherd for some time was afflicted with water on the chest, when I heard of it, I immediately advised him to try your Pills, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received so astonishing a cure last year from your Pills and Ointment, it has ever since been my most earnest endeavour to make known their excellent qualities.
(Signed) J. S. MUNDY.
