To intending EMIGRANTS from New-Brunswick!

THE CANADA COMPANY would submit to the serious consideration of all parties who may contemplate leaving New-Brunswick, whether the Western section of Canada, (formerly the Province of Upper Canada,) does not offer every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, the soil very fertile, and abundance of excellent Lands, to be obtained upon easy terms, from the Government and the Canada Company. The great success which has attended settlement in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Country; and is also shown by the success of many natives of New-Brunswick and Nova Scotia, who have settled in many Townships of the Country; and the individual progress made by several thousands of people, who have taken Lands from the Company, corroborates the success which has attended settlement in Upper Canada.

The Canada Company's LANDS are offered by way of LEASE *for Ten Years;* or for SALE CASH DOWN. *The plan of 1 5th Cash, and Balance in Instalments, being done away with.*

The Rents payable 1st February each Year, are about the Interest, at Six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when Leased, NO MONEY IS REQUIRED DOWN; whilst upon the others, *according to locality, One, Two, or Three Years' Rent* must be paid in *advance*, but these payments will *free* the Settler from *further* Calls, until the Second, Third, or Fourth Year of his Term of Lease.

The Settler has secured to him the *right* of converting his *Lease* into a *Freehold*, and of course, *stopping payment* of further Rents, before the expiration of the Term, upon paying the purchase of Money specified in the Lease.

The Lessee has thus *guaranteed to him* the *entire benefit* of his *Improvements* and *increased value* of the Land he occupies, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the *option* being *completely* with the *Settler*.

A Discount, after the rate of Two per Cent. will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year.—The Lessee has also secured to him the benefit of the SETTLERS' SAVINGS' BANK ACCOUNT.

☞ The Canada Company have published "*A Catechism of Information for intending Emigrants of all classes to Upper Canada:*" copies of which, as well as further information, may be obtained *gratuitously*, by applying at the Office of G. BLATCH, ESQ., Barrister at Law, Prince William Street, St. John, N. B.

CARLETON MILLS.

SAVING AND NO RISK.

THE Carleton Mill-Pond, situated in the centre of the Harbour of Saint John, being the safest and most convenient place for the safe keeping of all descriptions of Pine and Hackmatack Timber in New-Brunswick,—the Subscriber offers on the most reasonable terms a part of the said Pond as a place of deposit for from 20,000 to 50,000 tons. The Shipbuilders can at all times select such pieces of Hackmatac as they may require for present use, and the Timber for Shipping can be taken out at all times and placed on the Hewing Skids in the Timber Pond outside the Dyke, and there be hewed and delivered to the Ships, at the shortest notice, and at a comparatively small expense.

And as he is prepared to manufacture any quantity of Railway Sleepers at the Carleton Mills, on the most reasonable terms and at the shortest notice, the timber for that purpose can at all times be delivered at the said Mills in rafts, schooners, wood-boats or scows.

All persons who may feel disposed to put their Timber in the said Pond, will please, when forming their rafts, not to allow them to exceed 25 feet in width.

The Mills are in the most perfect order to manufacture all descriptions of timber; and there is constantly on hand and for sale, Boards, Planks, Scantling, Shingles, Laths, Palings, &c. &c. deliverable to Vessels in port, or in any part of the City, or Portland, at the shortest notice.

The Grist Mill is in first-rate condition for manufacturing Flour and Meal.
