Baldness and Grey Hair.

OF the numerous compositions constantly announced for promoting the growth or reproduction of the Hair, few arrive even in name, beyond a very limited period, while BOGLE'S HYPERION FLUID, with a reputation unparalleled, is still on the increase in public estimation. The singular virtues of this successful invention, for restoring, preserving, and beautifying the human Hair, are too well known and appreciated to need comment. The very fact of the high and distinguished patronage it enjoys, its general use in all countries, together with numerous testimonials constantly received in its favour, are authorities which stamp its superior excellence and title over all attempts of a similar nature. Being universally preferred, its consequent success causes a host of imitations to start up—which are both deleterious and hurtful to the hair. *Bogles Hyperion Fluid* may be had of the proprietor, No. 277 Washington street, and his agents throughout the United States, Canada, and New-Brunswick. HOLLOWAY'S PILLS.

CURE OF ASTHMA.

Extract of a letter from Mr. Benjamin Mackie, a respectable Quaker, dated Creenagh, near Loughall, Ireland, dated September 11th, 1848.

To Professor HOLLOWAY.

RESPECTED FRIEND,—Thy excellent Pills have effectually cured me of an Asthma, which afflicted me for three years to such an extent, that I was obliged to walk my room at night for air, afraid of being suffocated if I went to bed by cough and phlegm. Besides taking the Pills, I rubbed plenty of thy Ointment into my chest night and morning.

(Signed) BENJAMIN MACKIE.

CURE OF TYPHUS FEVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH.

A respectable female in the neighbourhood of Loughall, was attacked with Typhus Fever, and lay for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for her demise. Mr. Benjamin Mackie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended an immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured.

N. B.—From advice just received, it appears that Colonel Dear, who is with his Regiment in India, the 21st Fusileers, cured himself of a very bad attack of Fever by these celebrated Pills. There is no doubt that any Fever, however malignant, may be cured by taking, night and morning, copious doses of this fine medicine. The patient should be induced to drink plentifully of warm linseed tea or barley water.

CURE OF DROPSY IN THE CHEST.

Extract of a Letter from J. S. Mundy, Esq. dated Kennington, near Oxford, Dec. 2d, 1848.

To Professor HOLLOWAY.

SIR,—My Shepherd for some time was afflicted with water on the chest, when I heard of it, I immediately advised him to try your Pills, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received so astonishing a cure last year from your Pills and Ointment, it has ever since been my most earnest endeavour to make known their excellent qualities.

(Signed) J. S. MUNDY.

B. A. FAHNESTOCK'S VERMIFUGE.
A SURE REMEDY FOR WORMS.

THIS preparation has now been before the public nearly twenty years. Its great intrinsic merits have steadily advanced the sale and use of it, and it now enjoys a prominent position in the public favour.

The unexampled success which has attended its administration in every case where the patient was really afflicted with Worms, and the fact, that it is not a 'nostrum' or 'cure all' but a specific for one disease only, certainly renders it worthy of the attention of Physicians; a great many of whom having seen in the course of their practice the good and remarkable effects resulting from its use, have had the magnanimity to surrender their professional scruples and prescribe it as the best remedy known.

Every Druggist or Physician who has had any curiosity to enquire into cases where the Vermifuge has been made use of, can furnish abundant evidence of its efficacy in expelling Worms, and the good effect produced on the general health of the patient.

It is mild in its operation, contains no calomel nor other dangerous ingredient, and can be given with perfect safety to the most delicate infant.

St. Andrews, Province of New-Brunswick, October 18th, 1845.

I, Michael Croney, aged 55 years, hereby certify, that for three years previous to May, 1844, I was afflicted with worms, so as to be completely prostrate in strength, and unable to labor, during which time I was constantly under the hands of a physician, with little effect; that, at the time mentioned, I was induced to try one bottle of B. A. Fahnestock's Vermifuge, which produced such extraordinary effects that I was at once relieved from all the pains and spasms I was before afflicted with, and in one week I was restored so as to be enabled to resume my labor; and up to the present time, have enjoyed uninterrupted good health. MICHAEL CRONEY.

TAPE WORMS,

And other worms in ADULTS, can be removed by the administration of

B. A. Fahnestock's Vermifuge.

The following are but a few of hundreds of those cases where it has effected a cure.

East Brooklyn, L. I. Feb. 10th, 1847.

This is to certify, that I took three vials of B. A. Fahnestock's Vermifuge, which had the effect to bring away fifteen yards of tape worm and a number of smaller worms I would, therefore, recommend this medicine to the public as a safe and speedy cure for worms.
