CAPITAL, £100,000.

THE STOCK of this Company is divided into the Mutual and Proprietary, each branch being kept entirely distinct, and liable only for its own losses.

The Security which this Company affords is undoubted, and the Premiums will in all cases be as moderate as may be consistent with safety.

All Notes and Cash Funds accumulating at this Agency will be retained and deposited at the Bank of British North America.

All losses will be adjusted and promptly paid in St. John, without referring to Toronto; and, in case of dispute, the Company consent to actions being brought in this Province.
