DR. LA'MERT
ON THE SECRET INFIRMITIES OF YOUTH AND MATURITY

Fortieth Edition, with Forty Colored ENGRAVINGS.

Just Published, and may be had in French and English, in sealed Envelope, 2s. 6d., or post-free, from the Author, for forty-two stamps.

SELF-PRESERVATION:

A MEDICAL TREATISE ON THE PHYSIOLOGY OF MARRIAGE, and *Disorders of Youth and Maturity* usually acquired at an early period of life, which enervate the physical and mental powers, diminish and enfeeble the natural feelings, and exhaust the energies of Manhood. With practical observations on the Treatment of Nervous Debility and Indigestion, whether arising from those causes, close study or the influence of Tropical climates; Local and Constitutional Weakness, Syphilis, Stricture, and all Diseases and Derangements resulting from Indiscretion. With FORTY *Coloured Engravings,* illustrating the *Anatomy, Physiology, and Diseases of the Reproductive Organs,* explaining their structures, uses and functions, and the various injuries that are produced in them, "by solitary habits, excesses and infection."

BY SAMUEL LA'MERT, M. D.

No. 37, BEDFORD-SQUARE, LONDON,

Doctor of Medicine, Matriculated Member of the University of Edinburgh, Licentiate of Apothecaries' Hall, London, Honorary Member of the London, Hospital, Medical Society, &c.

CONTENTS OF THE TREATISE

CHAPTER I.—On the Philosophy of Marriage, with its Hindrances and Obligations, and on Infelicitous and Unproductive Unions.

CHAPTER II.—On the Anatomy and Physiology of the Generative Organs, their functions, structures, and secretions, proving that great Mental and Physical power are dependent on their healthy action.

CHAPTER III.—On Solitary Habits; their various effects on the Animal Economy: the concealed cause of Debility of the functions of the Stomach, Lungs, and Brain, and general Weakness of the Mental Faculties.

CHAPTER IV.—On the Secret Disorders of Youth and Maturity, and the Treatment of Nervous and Local Weakness, Mental Debility, and Premature Decay.

CHAPTER V. and VI.—On the Disorders arising from indiscriminate Excess, Gonorrhœa, Gleet, Strictures, and other Diseases of the Urethra.

REVIEW OF THE WORK

Marriage requires the fulfilment of several conditions, in order that it may be really the cause of mutual happiness. Could the veil, which covers the origin of domestic wretchedness, be raised, and its true source in every instance disclosed, in how many could it be traced to physical disqualifications and their attendant disappointments. Excesses are always injurious; the gift, which when used in moderation is fraught with advantage, becomes, when abused, the prolific source of mischief, and of greater or less injury to the constitution and vital powers. The particular excesses, on the nature and consequences of which this Treatise professes to dilate are productive of greater misery to the human frame than any other to which it is subject.

This Work contains an accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Nor are these the sole contents of the work, the means of escape, as well as the nature of the danger, are pointed out in clear and intelligible language. It deservedly requires the closest attention and study, for what subject can be of more importance than the preservation of health, and of the physical capabilities of which every man should be possessed. It unfortunately, happens, that the unhappy victim of excessive indulgence and vicious habits, whether acquired in early life, or from the follies of advanced age, while suffering from their invariable consequences, unwisely entertains a fear of applying to a qualified physician for relief. Shame and the dread so frequently but erroneously entertained that these complaints are beyond the reach of art, alike restrict him, and prevent his seeking for assistance where alone it can be procured. In acting thus, he forgets that accurate discrimination in ascertaining the causes of disease, sympathy with the sufferer, and above all, secrecy invariably characterize the intelligent and practical physician, and to the medical man, who can show by his possession of the requisite legal qualification that he is entitled to esteem and respect in his professional pursuits the utmost confidence should be extended. DR. LA'MERT has obtained the highest medical honours as his diplomas testify, and the great extent of his practice for many years is a guarantee for his professional experience, which has reference almost solely to the treatment of these diseases.

The work may be had in St. John, of H. CHUBB & Co., price 2s. 6d. Stg.; Halifax, Messrs. MORTON & Co.; Quebec, Mr. NEILSON.

THE DIRECTORS beg to invite the attention of the Public to the continued progress of the Company, and submit the following statement of the business during the past year.

In 1850, *Three Hundred and Sixty* Proposals were made to the Company; *Three Hundred and One* Policies were issued, assuring the sum of £157,370 : 13 : 0; and the Income was £41,869 : 6 : 3.

Up to the 31st of December last, the Amount of Assurances granted exceeded ONE MILLION AND A HALF STERLING.

The Accumulated Funds exceed Two Hundred Thousand Pounds.

The following Important Benefits are offered by this Company:

1st—**A Guarantee Return** will be made at *any time* for the surrender of *whole term* Policies, effected by even rates, of FORTY PER CENT. of the amount of Premiums received. **This is an advantage which, it is believed, has not hitherto been afforded by any other Assurance Company.**

2nd—A person desirous of surrendering his Policy may receive, instead of a payment in cash, a new Policy for an equivalent sum, not subject to further payment of Premium.

3rd—Credit given for *one-third* of the Premiums upon whole term Policies.

4th—Notices of Assignments received and registered, and acknowledged if required.

5th—No Claim will be disputed, except in case of *palpable fraud:* an unintentional error will not vitiate a Policy.

6th—No Entrance Money, or Fees of any kind, nor any charge made for Policies beyond the cost of the Stamps.

7th—Loans are granted on deposit of Policies of five years' standing, to the extent of their value.

8th—No appearance before the Court of Directors required.

The attention of the Public is requested to the fact, that Policies effected this year will receive the full advantage of the Bonus of 1857

Prospectuses, Forms of Proposal, and every information, may be obtained at either of the Offices, as above, or from

UNITED KINGDOM
LIFE ASSURANCE COMPANY,
OF LONDON.

Capital £1,000,000 Sterling.

The Annual Income exceeds £94,000 Sterling.

Division of Profits in 1841 *and* 1848.

IN 1841, the Company added a BONUS of £2 per Cent. per Annum on the Sum Assured, to all Policies of the *participating class,* from the time they were effected to 31st December, 1840; and from that date to 31st December, 1847, £2 5s. per cent. per Annum was added at the General Meeting on 6th July, 1848, without reference to the age of the Assured.

The plan of Distribution of Profits being different to that adopted by *some other* Companies, the following Table is submitted for the information of the *many* persons Assured by the Company in this Province, and of the Public in general:

Age.	Annual Premium per cent. paid by the Assured.	Bonus per cent. added to the Policy per Ann.	Bonus equal to the undermentioned per cent. on the Annual Premium.
15	£1 14 1	£2 5 0	£132 0 7
20	1 18 8	2 5 0	116 7 7
25	2 2 11	2 5 0	104 17 1
30	2 8 2	2 5 0	93 13 0
35	2 14 8	2 5 0	82 6 4
40	3 3 4	2 5 0	71 1 1
45	3 14 9	2 5 0	60 4 0
50	4 10 7	2 5 0	49 13 7
55	5 10 10	2 5 0	40 12 1
60	6 17 9	2 5 0	32 13 4

ELUCIDATION:—A person aged 45 years, and who paid an annual premium of £3 14s. 9d. per cent. received an annual Bonus equal to £60 4s. per cent. on the amount of premium paid. A person of 25 years, who paid an annual premium of £2 2s. 11d. per cent. received an Annual Bonus equal to £104 17s. 1d. per cent. on the premium. And a person of 15 years, who paid an annual premium of £1 14s. 1d. received an Annual Bonus equal to £132 0s. 7d. per cent. on the premium paid.

Notwithstanding these *unprecedented* divisions of Profits, the premiums are on the most moderate scale, AND ONLY ONE HALF NEED BE PAID FOR THE FIRST FIVE YEARS, when the Insurance is for Life.

The EXTRA heretofore charged for Passage from America to Europe, or from Europe to America, within the limits, by a recent vote of the Directors, has been RESCINDED. No extra charge made for Residence on this Continent North of 36 degrees North Latitude, and 50 and 85 degrees West Longitude.

Information as to rates of premium, forms of proposals, &c., and Pamphlets, furnished *gratis* by application to A. BALLOCH,

Agent for New-Brunswick.

More advantage to the Public at present,

THAN THE

Great North American Railway!

Received, per ships *Lisbon,* from London, *Titania,* and *John S. Dewolf,* from Liverpool, and *Onyx,* from Glasgow—

EVERY description of CLOTHS, CASSIMERES, DOESKINS, TWEEDS, VESTINGS, Furnishing GOODS, HATS, CAPS, etc. etc., too numerous for an advertisement—the largest and best Stock imported this season—and is now being made into GARMENTS, to the present London and New-York Fashions, by first-rate workmen, and cut by an experienced Cutter, not excelled by any; and will be sold cheaper than can be purchased elsewhere in the Province.

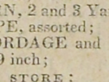

I shall continue to give perfect satisfaction to customers, by selling Goods of the first quality, very cheap, and no advantage taken. Every article marked the lowest price, and no abatement, which has gained for this Establishment the merited praise, for the last Eleven Years, of being the CHEAPEST CLOTHING STORE IN THE CITY.

The subscriber will sell cheaper than the usual low price in consequence of large purchases received direct from the manufacturers, which give a decided advantage over all those who purchase in this market, or through an agent, or selling for other parties at their prices, and afterwards a profit for themselves, consequently the buyer pays two or three profits at such shops.

All parties studying their own interest would do well to visit the *New-Brunswick Clothing Store,* Water Street, before buying elsewhere, and be certain you enter at the SIGN OF THE GOLDEN LAMB. SAMUEL NEILL,

May 17. Proprietor.
