More advantage to the Public at present;

THAN THE

Great North American Railway!

Received, per ships *Lisbon*, from London, *Titania*, and *John S. Dewolf.*, from Liverpool, and *Onyx*, from Glasgow—

EVERY description of CLOTHS, CASSIMERES, DOESKINS, TWEEDS, VESTINGS, Furnishing GOODS, HATS, CAPS, etc. etc., too numerous for an advertisement — the largest and best Stock imported this season—and is now being made into GARMENTS, to the present London and New-York Fashions, by first-rate workmen, and cut by an experienced Cutter, not excelled by any; and will be sold cheaper than can be purchased elsewhere in the Province.

I shall continue to give perfect satisfaction to customers, by selling Goods of the first quality, very cheap, and no advantage taken. Every article marked the lowest price, and no abatement, which has gained for this Establishment the merited praise, for the last Eleven Years, of being the CHEAPEST CLOTHING STORE IN THE CITY.

The subscriber will sell cheaper than the usual low price in consequence of large purchases received direct from the manufacturers, which give a decided advantage over all those who purchase in this market, or through an agent, or selling for other parties at their prices, and afterwards a profit for themselves, consequently the buyer pays two or three profits at such shops.

All parties studying their own interest would do well to visit the *New-Brunswick Clothing Store*, Water Street, before buying elsewhere, and be certain you enter at the SIGN OF THE GOLDEN LAMB. SAMUEL NEILL,

May 17. Proprietor.

BY SAMUEL LA'MERT, M. D.

Doctor of Medicine, Matriculated Member of the University of Edinburgh, Licentiate of Apothecaries' Hall, London, Honorary Member of the London, Hospital, Medical Society, &c.

REVIEW OF THE WORK

Marriage requires the fulfilment of several conditions, in order that it may be really the cause of mutual happiness. Could the veil, which covers the origin of domestic wretchedness, be raised, and its true source in every instance disclosed, in how many could it be traced to physical disqualifications and their attendant disappointments. Excesses are always injurious; the gift, which when used in moderation is fraught with advantage, becomes, when abused, the prolific source of mischief, and of greater or less injury to the constitution and vital powers. The particular excesses, on the nature and consequences of which this Treatise professes to dilate are productive of greater misery to the human frame than any other to which it is subject.

This Work contains an accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Nor are these the sole contents of the work, the means of escape, as well as the nature of the danger, are pointed out in clear and intelligible language. It deservedly requires the closest attention and study, for what subject can be of more importance than the preservation of health, and of the physical capabilities of which every man should be possessed. It unfortunately, happens, that the unhappy victim of excessive indulgence and vicious habits, whether acquired in early life, or from the follies of advanced age, while suffering from their invariable consequences, unwisely entertains a fear of applying to a qualified physician for relief. Shame and the dread so frequently but erroneously entertained that these complaints are beyond the reach of art, alike restrict him, and prevent his seeking for assistance where alone it can be procured. In acting thus, he forgets that accurate discrimination in ascertaining the causes of disease, sympathy with the sufferer, and above all, secrecy invariably characterize the intelligent and practical physician, and to the medical man, who can show by his possession of the requisite legal qualification that he is entitled to esteem and respect in his professional pursuits the utmost confidence should be extended. DR. LA'MERT has obtained the highest medical honours as his diplomas testify, and the great extent of his practice for many years is a guarantee for his professional experience, which has reference almost solely to the treatment of these diseases.

The work may be had in St. John, of H. CHUBB & Co., price 2s. 6d. Stg.; Halifax, Messrs. MORTON & Co.; Quebec, Mr. NEILSON.

Health where 'tis sought!

HOLLOWAY'S PILLS.

CURE OF ASTHMA, OF TWENTY YEARS' STANDING.

Extract of a Letter from Mr. J. K. Heydon, 78, King Street, Sydney, dated 10th of Nov., 1849.

To Professor HOLLOWAY,

SIR,—I have the pleasure to inform you that many extraordinary cures of Asthma have been effected here by means of your Pills. One is that of a Lady residing near the "Razorback," who after having for twenty years been unable to make the slightest exertion, suffering very fearfully from shortness of breath, coughing and spitting, but is now, to use her own expression, able to run up to the top of that mountain. Another case is that of Mr. Caton, Tailor, Hutchinson's Buildings, Clarence Street, who was so dreadfully bad that he was confined entirely to his bed-room for six months, prior to his commencing with your Pills, and attended regularly by his medical man, who pronounced him to be in a dying state, yet he likewise, to my knowledge, has been restored to perfect health by the use of your Pills, and rubbing your ointment night and morning into his chest.

(Signed) J. K. HEYDON.

CURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. William Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12th, 1849.

To Professor HOLLOWAY.

SIR,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility, with constant nervous headaches, giddiness, and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of whom, after doing all that was in their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done with me. One day, being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured; however I soon found myself better by taking them, and so I went on persevering in their use for six months, when I am happy to say they effected a perfect cure.

(Signed) WILLIAM SMITH.
(frequently called EDWARD.)

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY.

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect, nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment in case any of my family should ever require either. Your most obliged and obedient Servant,

(Signed) ALDBOROUGH.

These celebrated Pills are wonderfully efficacious in the following complaints.

Ague, Asthma, Bilious Complaints, Blotches on the Skin, Bowel complaints, Colics, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Head-ache, Indigestion, Inflammation, Jaundice, Liver complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula, or King's Evil, Sore Throats, Stone and Gravel, Secondary Symptoms, Tic-Douloureux, Tumours, Ulcers, Venereal Affections, Worms of all kinds, Weakness, from whatever cause, &c. &c.

Sold at the Establishment of Professor HOLLOWAY, 244, Strand (near Temple Bar), London, and by most all respectable Druggists and Dealers in Medicines throughout the civilized World; by S. L. TILLEY, *Provincial Agent*, No. 2, King-Street, St. John, N. B.; A. Coy & Son, Fredericton; W. T. Baird, Woodstock; Alexander Lockhart, Quaco; James Beck, Bend of Petticodiac; O. K. Sayre, Dorchester; John Bell, Shediac; John Lewis, Hillsborough; John Curry, Canning; and James G. White, Bellisle; at the following prices—1s. 9d., 4s. 6d., and 7s. each Box. There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of Patients in every Disorder are affixed to each Box.

CAUTION!—None are Genuine unless the words "Holloway's Pills and Ointment, London," are engraved on the Government Stamp, pasted on every Pot or Box; with the same words woven in the water-mark of the Books of directions wrapped round the medicines.

Should unprincipled Vendors recommend parties asking for Holloway's Pills and Ointment not to buy them, but to take something else in their stead, they do so only for the purpose of getting a greater profit by what they wish them to purchase.

PORT WINE.—50 quarter-casks of good and sound.—For sale very low.
