GORHAM COLLEGE, LIVERPOOL, NOVA-SCOTIA.

Under the sanction and controul of the Congregational Union of Nova-Scotia and New-Brunswick.

PRESIDENT:
REV. FREDERICK TOMKINS, M. A.,
University College, London.

SESSION 1851—52.

THE Session will consist of two terms—the first commencing on August 27th next, and ending on Dec. 15th. The second term will commence on Jan. 14th, 1852, and close on June 16th ensuing.

Professor of the Greek and Roman Languages, and Literature, and of Mathematics—Rev. F. TOMKINS, M. A.

Professor of Mental and Moral Science, Logic, Political Economy and Political Philosophy—Rev. JOHN C. GEIKIE, of the Academical Institute, Toronto, C. W.

Steward and Assistant Secretary—Mr. JAMES W. HUTCHINSON.

Beadle—Mr. WHITMAN CRAWLEY.

The mode of instruction pursued in this Institution, and the Text Books employed, will be precisely the same as those in use at the University College, London. The Senior Classical Class, if students sufficiently advanced enter to form one, will read, this Session, the Œdepus Colonos of Sophocles—the Protagoras of Plato—the Germania and Agricola of Tacitus, and some of the Odes of Horace. Weekly exercises will be written in both Greek and Latin. Arnold's Exercises will be used in Greek. If a sufficient number of students destined for the Bar or Medicine should present themselves, separate additional classes will be formed, in which the Institutes of Justinian and Gaius, and Celsus de re Medica, will be read as far as time may allow. The Mathematical Classes will be conducted on the same plan as the Mathematical Classes in University College, London, under the Professorship of Augustus DeMorgan, of Trinity College, Camb., Secretary of the Royal Astronomical Society of London.

Fee for the Session, £12. Board and Lodging will be provided in the College at the rate of 7s. 6d. per week. Students are expected to find their own bedding.

JUNIOR SCHOOL.

Boys will be admitted to this School if they can read and write. The whole arrangements of the Junior School will be under the direction of the President of the College. The system pursued will be a combination of that pursued in University College School, London, and the best Schools in New England.

Head Master—Rev. A. GEIKIE.
Second Master—Mr. J. W. HUTCHINSON.

The Professor of Mathematics will lecture five times a week to the students of the School on Arithmetic, Algebra, Trigonometry and Geometry, with a view to the Differential and Integral Calculus. These lectures will be available only to those boys who evince a disposition to close study—as they will be useful to none else. The course of instruction will comprise the usual elementary subjects taught in Schools, with Classics, French and Mathematics.—The whole of Wilhem's method of Vocal Music as adopted by Hullah, and patronized by the Committee of Council on Education, will be gone through during the Session in the Junior School.

Fee for the Junior School, including board, lodging and washing, £25 for the Session. The commencement and close of the terms are the same as those in the College. Out-door students will be admitted to all the benefits of this School, at £4 for the whole Session.

A course of forty evening lectures will be delivered to Schoolmasters and adults, on subjects suited to persons of limited early education.—Fee, £2.

COUNCIL:
Rev. Fredk. Tomkins, M. A., London, Pres. & Prof.
Rev. A. Geikie, Prof. Academical Inst., Toronto.
Rev. W. H. Heudebourck, Homerton College, Lond.
Rev. Jas. Porter, University College, London.
Freeman Tupper, Esq., Treasurer College.
Mr. J. W. Hutchinson, Assist. Sec'y.
Geo. McLeod, Esq.
W. H. Freeman, Esq.
Capt. Jas. Collins.

The College Buildings occupy a most delightful and healthy situation, commanding a view of the entire town and surrounding country. All letters are to be addressed (post-paid) to the President of Gorham College, Liverpool, Nova-Scotia.

OFFICE.—*Corner of Prince William and Princess Streets, opposite the Commercial Bank.*

THE "*Equitable*" Fire Office will, by a constant analysis of its own experience from time to time, adopt such rates of Premium as the nature o the risk may justify.

With this view, an annual investigation will be made into each class of risk, and a return of one moiety—or fifty per cent.—of the net excess, will be made to all Classes of Insurers whose policies have been in force for three years.

The engagements of the "*Equitable*" are guaranteed by a responsible proprietary, and an ample subscribed Capital. The insured are free from the liabilities of a *Mutual Insurance Society*, and entitled, according to the plan of the Company, to a return of half the profits.

Buildings of Stone, Brick, or Wood and their contents, Vessels on the Stocks, and every description of property insured at moderate rates of premium.

Losses adjusted and paid in St. John without referring to London.

No charge made for Policies.

Blank forms of Application and every other Information may be obtained on application to
