The Newest and most Fashionable Dances will be taught. Days of tuition, every TUESDAY and SATURDAY, from 4 to 7 o'clock, in the afternoon, at LAWRENCE'S HALL, King-street. [Nws.] March 20, 1852.

Keating's Cough Lozenges.

A CERTAIN REMEDY for disorders of the *Pulmonary Organs*—in Difficulty of Breathing—in Redundancy of Phlegm—in Incipient CONSUMPTION (of which COUGH is the most positive indication) they are of unerring efficacy. In ASTHMA, and in WINTER COUGH, they have *never* been known to fail.

KEATING'S COUGH LOZENGES are free from every deleterious ingredient; they may, therefore, be taken at all times, *by the most delicate female and by the youngest child;* while the PUBLIC SPEAKER and the PROFESSIONAL SINGER will find them invaluable in allaying the hoarseness and irritation incidental to vocal exertion, and consequently a powerful auxiliary in the production of MELODIOUS ENUNCIATION.

Prepared and sold in Boxes, and Tins, of various sizes, by THOMAS KEATING, Chemist, &c., No. 79, St. Paul's Church Yard, London. Sold by all Druggists in the world.

N. B.—To prevent spurious imitations, please to observe that the words "KEATING'S COUGH LOZENGES" are engraved on the Government Stamp of each box.

IMPORTANT TESTIMONIALS.

Copy of a Letter from "COLONEL HAWKER, (the well-known Author on "GUNS AND SHOOTING.")

Longparish House, near Whitchurch, Hants, October 21st, 1846.

SIR,—I cannot resist informing you of the extraordinary effect I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or digestive organs.

I am, Sir, your humble servant,
P. HAWKER.

To Mr. KEATING, 79, St. Paul's Churchyard.

Melbourne, Port Philip, May 16th, 1848.

DEAR SIR,—I duly received per Maitland the case of Lozenges and have much pleasure in saying that they have met with a ready sale,—therefore, send me now the value of ten pounds, that is, double the last sent, packed in two cases with tins, &c. as before.

The Lozenges require only to be tried, and I am sure the sale will be immense. I am not an advocate for Proprietary Medicines in the general way, but assure you that the Lozenges have done so much good in almost every case in which we have recommended them, that I believe them better adapted to this climate than anything else we have seen used.

Believe me, dear Sir, your's faithfully,

Mr. THOMAS KEATING. DANL. R. LONG.
