To be Let, for a Term of Years, at a moderate rent,

The "DOUGLAS ARMS INN,"
ON THE NEREPIS ROAD.

AS the Grand Trunk Line of the European and North American Railway must pass in this direction, and have a Station in the immediate neighbourhood of the Hotel, which has been built expressly for a large business, the *Douglas Arms* offers an excellent opportunity for a safe and profitable investment, to any person possessed of sufficient means, and who is qualified for the management of a respectable and genteel business. In the summer season, passengers by the the Steamers from Indian Town, can be landed, twice daily, in from forty to fifty minutes, at Brundage's Point; and by carriage, in thirty minutes more, they may be comfortably seated in the Douglas Arms.—From the time of leaving the City it would only require about one hour and a half to reach the Establishment. The climate is delightful and remarkably healthy. The fog seldom reaches the valley of the Nerepis, even while this city remains for many days together enveloped in its cold and chilling embraces.

The Douglas Arms, being on the main road to Fredericton, which connects Saint John with the Seat of Government, has been long established both as a Summer and Winter Hotel: and is distant from the City eighteen miles by the land route and thirteen by the water. Its proximity to St. John renders it a most convenient and comfortable resort in the Summer season for private families and pleasure parties.

The country in the neighbourhood of the Douglas Arms offers many attractions to sportsmen and others. The House contains seven comfortable parlours, a large dining room, twenty-one bed-rooms, a grocery shop, or bar-room, a large brick and Roman cement tank for holding rain water, a well arranged kitchen, in which there are a brick oven, a large boiler, and an excellent cooking stove. On the same flat there are also a large hall stove, and a convenient frost proof cellar.

In addition to a sufficient number of Barns for the use of the Farm, a new one has lately been erected, forty feet wide by fifty feet long, for the accommodation of the summer and winter travelling.

The Douglas Arms has been re-built on a large and splendid scale, and is in every way suited to the situation and growing importance of that beautiful and picturesque part of the country. The Hotel will be let either alone or with the large and valuable Farm attached to it. For particulars apply to

DR. FONTAINE'S
Balm of a Thousand Flowers,
For the Toilet, the Nursery, for Bathing and many Medicinal purposes;

HIGHLY perfumed by its own ingredients: recommended by the Faculty of almost every European city, and established under the patronage of almost every Physician in London and Paris, and thousands of individuals, who make daily use of it in New-York, Philadelphia and Boston. It is the greatest luxury a lady or gentleman could wish for the improvement of health, for comfort and personal embellishment, and its delicate soothing sensation, and the delightful softness it imparts to the complexion.

We give a few of the prominent properties of the

Balm of a Thousand Flowers!

already well established by actual experience.

FIRST:

This Balm remedies every defect of the complexion,

and establishes in its stead Beauty and Health, at the time when both, by the changes of age, or freaks of nature, or disease, have been obscured or undermined—it cleanses the skin, and draws to the surface all impurities, and every species of pimples and blotches; also removes tan, sunburns, sallowness, and freckles, imparting to the skin its original purity, and an unsurpassed freshness, rendering it clear, smooth, and white.

SECOND:

It promotes the growth and increase of the Hair—causing it to curl in the most natural manner.

It cleanses the head from dandruff, giving vigor, health and life to the very roots of the hair.

THIRD:

It is a superior article for Shaving, being superior to all descriptions of Soaps, Creams, Pastes, &c.

As a *Dentrifice for Cleansing the Teeth*, it is by far the most medicinal of any compound yet discovered, preventing decay, relieving pain, ulcers and cankers, and renders the teeth white as alabaster. For bathing, for suffering infants, and for adults, to promote sweetness of body, cleanliness, health and strength, and to prevent eruptions, &c., there is no article more suitable than this BALM. It may be used in cold or warm, hard or soft water.

No. 37, BEDFORD-SQUARE, LONDON,
Doctor of Medicine, Matriculated Member of the University of Edinburgh, Licentiate of Apothecaries' Hall, London, Honorary Member of the London Hospital, Medical Society, &c.

REVIEW OF THE WORK

Marriage requires the fulfilment of several conditions, in order that it may be really the cause of mutual happiness. Could the veil, which covers the origin of domestic wretchedness, be raised, and its true source in every instance disclosed, in how many could it be traced to physical disqualifications and their attendant disappointments. Excesses are always injurious; the gift, which when used in moderation is fraught with advantage, becomes, when abused, the prolific source of mischief, and of greater or less injury to the constitution and vital powers. The particular excesses, on the nature and consequences of which this Treatise professes to dilate, are productive of greater misery to the human frame, than any other to which it is subject.

This Work contains an accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Nor are these the sole contents of the work, the means of escape, as well as the nature of the danger, are pointed out in clear and intelligble language. It deservedly requires the closest attention and study, for what subject can be of more importance than the preservation of health, and of the physical capabilities of which every man should be possessed. It unfortunately, happens, that the unhappy victim of excessive indulgence and vicious habits, whether acquired in early life, or from the follies of advanced age, while suffering from their invariable consequences, unwisely entertains a fear of applying to a qualified physician for relief. Shame and the dread so frequently but erroneously entertained that these complaints are beyond the reach of art, alike restrict him, and prevent his seeking for assistance where alone it can be procured. In acting thus, he forgets that accurate discrimination in ascertaining the causes of disease, sympathy with the sufferer, and above all, secrecy invariably characterize the intelligent and practical physician, and to the medical man, who can show by his possession of the requisite legal qualification that he is entitled to esteem and respect in his professional pursuits the utmost confidence should be extended. DR. LA'MERT has obtained the highest medical honours as his diplomas testify, and the great extent of his practice for many years is a guarantee for his professional experience, which has reference almost solely to the treatment of these diseases.

The work may be had in St. John, of H. CHUBB & Co., price 2s. 6d. Stg.; Halifax, Messrs. MORTON & Co.; Quebec, Mr. NEILSON.

The Road to Health!
HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION

Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot Street, Liverpool, dated 6th June, 1851.

To Professor HOLLOWAY.

Sir,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately, she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the *severity of the attack*, and the *speedy* cure, I think, speaks much in favour of your astonishing Pills.
(Signed) R. W. KIRKUS.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the "Lynn Advertiser," who can vouch for the following statement.—August 2nd, 1851.

To Professor HOLLOWAY.

Sir,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age; and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered by their means comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) HENRY COE,
North Street, Lynn, Norfolk.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT.

Copy of a Letter addressed to J. K. Heydon, Esq., Sydney, New South Wales, dated Feb. 25, 1851.

Sir,—A Mr. Thomas Clark, a Settler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, together with the Gravel. His medical attendants, after trying all their skill, candidly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so; the first dose gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required. (Signed)
WM. JONES, Proprietor of the *Goulburn Herald*, New South Wales.

TAILORING ESTABLISHMENT.

THIS was the first place of the kind ever opened since Saint John contained twenty inhabitants, conducted upon the low price *Cash system*, and strictly carried it out.

It is now five years since the Proprietors, working Tailors, men who knew their business, and were regularly brought up to their trade in the Old Country, asked themselves, could a Merchant Tailor's business not be carried on, and make the customers pay *cash down*, allowing we charge them one-half of what we know to be usually charged where they are in the habit of crediting all who may patronise their system. In order to keep pace with the present day, we determined to deviate a little from those who had gone before us.

Some few friends—for be it known we had but few, save and except the man who pays for his coat before worn out—said you cannot expect to succeed, the place is too small, but you will soon know every body who is good and who is bad. We concluded that to discriminate, who was and who was not, was too nice a point for our experience, consequently we continued just as we commenced—namely, *Cash on delivery*, the course we adopted being entirely original with ourselves.

The man who gets his Clothes at this Establishment has not to pay for those who never pay.
