The Great British Quarterlies AND BLACKWOOD'S MAGAZINE.

LEONARD SCOTT & CO.,
No. 54, Gold st., New York,

CONTINUE to publish the following British Periodicals, viz.

The London Quarterly Review (*Conservative*)
The Edinburgh Review (*Whig*,)
The North British Review (*Free Church*,)
The Westminster Review (*Liberal*,)—and
Blackwood's Edinburgh Magazine (*Tory*.)

These Reprints have now been in successful operation in this country for *twenty years*, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class, and from numerous *Eclectics* and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that Magazine, and first appearing in its columns both in Great Britain and in the United States. Such works as "The Caxtons," and "My New Novel," (both by Bulwer,) "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of *Blackwood*, after it has been issued by Messrs. Scott & Co., so that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

The Subscriber having been appointed Agent to the above Company for New-Brunswick, begs to announce that he is prepared to receive Proposals for FIRE AND LIFE ASSURANCE. The large Capital of the Company, and the number and influence of its Proprietors, enable it to rank with the most eligible Offices, either in America or Europe, with respect to the advantages offered to the Public.

FIRE BRANCH.

Persons assured by this Company are not subject to any covenants or calls to make good losses which may happen to themselves or others, nor do they depend upon an uncertain fund or contribution, the Capital Stock of this Company being an unquestionable security to the Assured in case of Loss or Damage by Fire.

LIFE BRANCH.

In addition to the more customary methods of Insurance, the Company likewise Assures Lives on any of the following contingencies:—

For the term of One Year, Seven Years, or any other definite period.

For the whole continuance of Life.—The Premiums to cease, after a limited number of Annual Payments.

For Two Joint Lives.—The sum assured to be paid on the death of either.

On the longest of Two or Three Lives. The sum assured to be payable at the death of the last survivor; or,

On Survivorships.—To secure the payment of the sum assured, if a life A die before another life B.

For a sum to be payable at age 60, or at death.

Premiums on Credit.—A portion of the Premiums may remain on Credit. Assurances may be effected in various ways, not enumerated, to meet the convenience of parties.

The important advantages afforded by the Company in the Life Branch will include the following, viz:—

The Guarantee of an ample Capital, and Exemption of the Assured from liability of Partnership.

Moderate Premiums.

Large Participation of Profits by the Assured, amounting to Two-thirds of its net amount, which may be applied at the option of the party effecting the Assurance:—1st. By the immediate payment of the sum so apportioned.—2nd. By an equivalent reduction of the future Premiums.—Or, 3rd. By an equivalent increase of the sum assured.

Small Charge for Management.—The expenses of the Office being borne in due proportion by the two Branches.

Prompt Settlement of Claims.

Policies lapsed by non-payment of the Premium may be renewed within three months, by paying the Premium, with a fine of 10s. per cent., on the production of evidence to the satisfaction of the Directors of the good state of health of the life assured.

The Company will always be prepared to Purchase the Policies of this Office at their equitable value, or will grant a New Policy in lieu thereof, without any further payment of Premium, for a sum to be agreed on.

Extra Premiums, suitable to special circumstances, will be accepted, to enable a party possessing a Policy on the life of another to guard against the possibility of its being vitiated by the Life departing beyond limits, or by any other cause.

Thirty Days are allowed for the Payment of Premiums after the day on which they respectively become due.

Additional Advantages offered to Lives Assured with this Company at St. John, N. B.

I.—RESIDENCE.—Persons assured for the whole term of life will have permission, without the payment of extra Premium, to reside in any part of Europe, or in any place in North America to the north of 38 degrees of North Latitude, but not to the westward of the Mississippi River.

II.—VOYAGES.—They will also, if not seafaring by profession, be allowed, without any extra charge—

To cross and re-cross the Atlantic Ocean, in steamers or first-class sailing-vessels;

To pass from any part of Europe to any other, or from any part of North America to another, within the limits above specified; also,

To pass to and from, but not to reside in, any place which shall not be further south than 35 degrees of North Latitude, but not to the westward of the Mississippi River.
