St. John, 19th Sept.

To be Let, for a Term of Years, at a moderate rent,

And immediate possession given:—

The "DOUGLAS ARMS INN," ON THE NEREPIS ROAD.

As the Grand Trunk Line of the European and North American Railway must pass in this direction, and have a Station in the immediate neighbourhood of the Hotel, which has been built expressly for a large business, the *Douglas Arms* offers an excellent opportunity for a safe and profitable investment, to any person possessed of sufficient means, and who is qualified for the management of a respectable and genteel business. In the summer season, passengers by the the Steamers from Indian Town, can be landed, twice daily, in from forty to fifty minutes, at Brundage's Point; and by carriage, in thirty minutes more, they may be comfortably seated in the Douglas Arms.—From the time of leaving the City it would only require about one hour and a half to reach the Establishment. The climate is delightful and remarkably healthy. The fog seldom reaches the valley of the Nerepis, even while this city remains for many days together enveloped in its cold and chilling embraces.

The Douglas Arms, being on the main road to Fredericton, which connects Saint John with the Seat of Government, has been long established both as a Summer and Winter Hotel: and is distant from the City eighteen miles by the land route and thirteen by the water. Its proximity to St. John renders it a most convenient and comfortable resort in the Summer season for private families and pleasure parties.

The country in the neighbourhood of the Douglas Arms offers many attractions to sportsmen and others. The House contains seven comfortable parlours, a large dining room, twenty-one bed-rooms, a grocery shop, or bar-room, a large brick and Roman cement tank for holding rain water, a well arranged kitchen, in which there are a brick oven, a large boiler, and an excellent cooking stove. On the same flat there are also a large hall stove, and a convenient frost proof cellar.

In addition to a sufficient number of Barns for the use of the Farm, a new one has lately been erected, forty feet wide by fifty feet long, for the accommodation of the summer and winter travelling.

The Douglas Arms has been re-built on a large and splendid scale, and is in every way suited to the situation and growing importance of that beautiful and picturesque part of the country. The Hotel will be let either alone or with the large and valuable Farm attached to it. For particulars apply to

For Terms apply to the subscriber, on the Premises. PATRICK DEERING.

DR. FONTAINE'S
Balm of a Thousand Flowers,
For the Toilet, the Nursery, for Bathing and many Medicinal purposes;

HIGHLY perfumed by its own ingredients: recommended by the Faculty of almost every European city, and established under the patronage of almost every Physician in London and Paris, and thousands of individuals, who make daily use of it in New-York, Philadelphia and Boston. It is the greatest luxury a lady or gentleman could wish for the improvement of health, for comfort and personal embellishment, and its delicate soothing sensation, and the delightful softness it imparts to the complexion.

We give a few of the prominent properties of the

Balm of a Thousand Flowers!

already well established by actual experience.

FIRST:

This Balm remedies every defect of the complexion,

and establishes in its stead Beauty and Health, at the time when both, by the changes of age, or freaks of nature, or disease, have been obscured or undermined—it cleanses the skin, and draws to the surface all impurities, and every species of pimples and blotches; also removes tan, sunburns, sallowness, and freckles, imparting to the skin its original purity, and an unsurpassed freshness, rendering it clear, smooth, and white.

SECOND:

It promotes the growth and increase of the Hair—causing it to curl in the most natural manner.

It cleanses the head from dandruff, giving vigor, health and life to the very roots of the hair.

THIRD:

It is a superior article for Shaving, being superior to all descriptions of Soaps, Creams, Pastes, &c.

As a *Dentrifice for Cleansing the Teeth*, it is by far the most medicinal of any compound yet discovered, preventing decay, relieving pain, ulcers and cankers, and renders the teeth white as alabaster. For bath-... for suffering infants, and for adults, to promote ...s of body, cleanliness, health and strength, ... eruptions, &c., there is no article ...n this BALM. It may be used in ...d or soft water.

TAILORING ESTABLISHMENT.

THIS was the first place of the kind ever opened since Saint John contained twenty inhabitants, conducted upon the low price *Cash system*, and strictly carried it out.

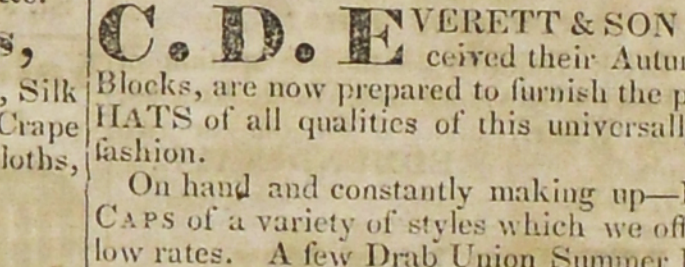

It is now five years since the Proprietors, working Tailors, men who knew their business, and were regularly brought up to their trade in the Old Country, asked themselves, could a Merchant Tailor's business not be carried on, and make the customers pay *cash down*, allowing we charge them one-half of what we know to be usually charged where they are in the habit of crediting all who may patronise their system. In order to keep pace with the present day, we determined to deviate a little from those who had gone before us.

Some few friends—for be it known we had but few, save and except the man who pays for his coat before worn out—said you cannot expect to succeed, the place is too small, but you will soon know every body who is good and who is bad. We concluded that to discriminate, who was and who was not, was too nice a point for our experience, consequently we continued just as we commenced—namely, *Cash on delivery*, the course we adopted being entirely original with ourselves.

The man who gets his Clothes at this Establishment has not to pay for those who never pay.

A Dress Suit from £2 10s. to £5.

Here is your Remedy!
HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of St. Mary's Street, Weymouth, dated May 15, 1851.

To Professor HOLLOWAY.

SIR,—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature. (Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING.

To Professor HOLLOWAY.

SIR,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact. (Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated December 13th, 1850.

To Professor HOLLOWAY.

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Newborough, near Hexham, dated May 15th, 1850.

To Professor HOLLOWAY.

SIR,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment, I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Signed) JOHN FORFAR.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs,	Chilblains,	Gout,	Sore throats,
Bad Breasts,	Chapped hands,	Glandular Swellings,	Skin-diseases,
Burns,	Corns (Soft),	Lumbago,	Scurvy,
Bunions,	Cancers,	Piles,	Sore-heads,
Bite of Mos-chetoes and Sand-Flies,	Contracted & Stiff joints,	Rheumatism, Scalds,	Tumours, Ulcers,
Coco Bay,	Elephantiasis,	Sore Nipples,	Wounds,
Chiego-foot,	Fistulas		Yaws.

Sold at the Establishment of Professor HOLLOWAY, 244, Strand, (near Temple Bar,) London, and by most all respectable Druggists and Dealers in Medicines throughout the civilized World; by S. L. TILLEY, *Provincial Agent*, No. 2 King-street, Saint John, N. B.; A. Coy & Son, Fredericton; W. T. Baird, Woodstock; Alexander Lockhart, Quaco; James Beck, Bend of Petitcodiac; O. K. Sayre, Dorchester; John Bell, Shediac; John Lewis, Hillsborough; John Curry, Canning; and Jas. G. White, Bellisle; at the following prices—1s. 9d., 4s. 6d., and 7s. each Box. There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of Patients are affixed to each Box.

BY SAMUEL LA'MERT, M. D.

REVIEW OF THE WORK

Marriage requires the fulfilment of several conditions, in order that it may be really the cause of mutual happiness. Could the veil, which covers the origin of domestic wretchedness, be raised, and its true source in every instance disclosed, in how many could it be traced to physical disqualifications and their attendant disappointments. Excesses are always injurious; the gift, which when used in moderation is fraught with advantage, becomes, when abused, the prolific source of mischief, and of greater or less injury to the constitution and vital powers. The particular excesses, on the nature and consequences of which this Treatise professes to dilate are productive of greater misery to the human frame than any other to which it is subject.

This Work contains an accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Nor are these the sole contents of the work, the means of escape, as well as the nature of the danger, are pointed out in clear and intelligible language. It deservedly requires the closest attention and study, for what subject can be of more importance than the preservation of health, and of the physical capabilities of which every man should be possessed. It unfortunately, happens, that the unhappy victim of excessive indulgence and vicious habits, whether acquired in early life, or from the follies of advanced age, while suffering from their invariable consequences, unwisely entertains a fear of applying to a qualified physician for relief. Shame and the dread so frequently but erroneously entertained that these complaints are beyond the reach of art, alike restrict him, and prevent his seeking for assistance where alone it can be procured. In acting thus, he forgets that accurate discrimination in ascertaining the causes of disease, sympathy with the sufferer, and above all, secrecy invariably characterize the intelligent and practical physician, and to the medical man, who can show by his possession of the requisite legal qualification that he is entitled to esteem and respect in his professional pursuits the utmost confidence should be extended. DR. LA'MERT has obtained the highest medical honours as his diplomas testify, and the great extent of his practice for many years is a guarantee for his professional experience, which has reference almost solely to the treatment of these diseases.

The work may be had in St. John, of H. CHUBB & Co., price 2s. 6d. Stg.; Halifax, Messrs. MORTON & Co.; Quebec, Mr. NEILSON.
