Third Division of Profits!

MINERVA LIFE ASSURANCE COMPANY OF LONDON,
ESTABLISHED, 1836.

AT the Third Quinquennial Meeting of this Company, held in London, 24th June, 1852, a Surplus of £42,400 Sterling, (being four-fifths of £53,000 Sterling,) was declared distributable amongst the Policy holders entitled to participate. This sum allows of a reduction of Premium for the next five years, of £9,633 16s. 3d. Sterling, per annum, or an equivalent reversionary Bonus payable at Death, of £68,939 10s. 7d.

The reduction of Premium averages 35.22 per cent. on the Premiums payable during the next five years.

The reversionary Bonus averages 60 per cent. on the Premiums received during the last five years, or 9 per cent. on the sums Assured.

Upon the Policies which had been full five years in existence, the reversionary Bonus averages 2½ per cent. Premium on the sum assured, a result which has been seldom equalled, and will bear comparison with that of any Office.

The following Table illustrates the Bonusses declared:

	Average Reduction of Premium.	Average Reversionary Bonus.
1st Division—1842	16.833 per cent.	31 per cent.
2d, " 1847	31.333 "	53¾ "
3d, " 1852	35.22 "	60 "

On the 31st December last, the Existing Assurances were	£1,099,843	16	2
The Capital Funds of the Company were	230,262	15	6
The Annual Income was	47,721	2	6
The Divisible Surplus was	53,000	0	6

The Directors consider, and trust the Policy holders will agree with them, that the position of the Company is highly satisfactory, and hope that, taking into account the continually increasing competition they have to encounter, the progress of the Company has equalled their expectations, as the benefits actually realized equal, and in most cases surpass, those afforded by the largest established Offices.

The Road to Health!
HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION.
Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot Street, Liverpool, dated 6th June, 1851.
To Professor HOLLOWAY.

Sir,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her being able to bear up under it; fortunately, she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the *speedy* cure, I think speaks much in favour of your astonishing Pills.
(Signed) R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMAN'S LAND.
Copy of a Letter inserted in the "Hobart Town Courier," of 1st March, 1851, *by Major J. Walch.*

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs. During this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.
From Messrs. Thew & Son, Proprietors of the "Lynn Advertiser," who can vouch for the following statement.—August 2nd, 1851.
To Professor HOLLOWAY.

Sir,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age; and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) HENRY COE, North Street, Lynn, Norfolk.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT.
Copy of a Letter addressed to J. K. Heydon, Esq. Sydney, New South Wales, dated Feb. 25, 1851.

Sir,—A Mr. Thomas Clark, a Settler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, together with the Gravel. His medical attendants, after trying all their skill, candidly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so; the first dose gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required. (Signed)
WM. JONES, Proprietor of the *Goulburn Herald,* New South Wales.

WONDERFUL EFFICACY OF HOLLOWAY'S PILLS IN CASES OF DROPSY.
Persons suffering from Dropsy, either about the turn of life, or at other times, should immediately have recourse to these Pills, as hundreds of persons are annually cured, by their use, of this direful complaint in its different stages, when all other means had failed.

These celebrated Pills are wonderfully efficacious in the following complaints.

Ague, Asthma, Bilious Complaints, Blotches on the Skin, Bowel complaints, Colics, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Head-ache, Indigestion, Inflammation, Jaundice, Liver complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula, or King's Evil, Sore Throats, Stone and Gravel, Secondary Symptoms, Tic-Douloureux, Tumours, Ulcers, Venereal Affections, Worms of all kinds, Weakness, from whatever cause, &c. &c.

Sold at the Establishment of Professor HOLLOWAY, 244, Strand (near Temple Bar), London, and by all respectable Druggists and Dealers in Medicines throughout the civilized World; by S. L.
