The 'DOUGLAS ARMS INN', ON THE NEREPEP ROAD. As the Grand Trunk Line of the European and North American Railway must pass through the neighbourhood of the Hotel, which has been built expressly for a large business, the Douglas Arms offers an excellent opportunity for a safe and profitable investment, in any person possessing sufficient means, and who is qualified for the management of a respectable and genteel business. In the summer season, passengers by the Steamers from Indian Town, can be landed, twice daily, in from forty to fifty minutes, at Bruns- wick's Point; and by carriage, in thirty minutes more, they may be comfortably seated in the Douglas Arms. From the time of leaving the City it would require but one hour and a half to reach the Establishment. The climate is delightful and healthy. The food is excellent, and the service is of the highest quality. For many days together enveloped in its cold and chilling embraces.
