WESLEYAN ACADEMY, Mount Allison, Sackville, N. B.

Principal—The Rev. HUMPHREY PICKARD, A.M.
Chaplain—The Rev. ALBERT DESBRISAY.
Treasurer—CHARLES F. ALLISON, Esq.
Steward—Mr. THOMPSON TRUEMAN.

THIS Institution will continue to be conducted upon the same principles which have rendered it so generally popular, and secured for it such extensive patronage from almost every part of these Provinces. It has now been opened and in successful operation upwards of ten years. The arrangements which were made to accomplish the important object for which it had been founded, were such as obtained for it, from its very commencement, a high position in the public estimation; and those upon whom the direction of its affairs has devolved, have been stimulated and encouraged by its prosperity, to continued efforts to render it, in all its departments, ever increasingly efficient. Every year in its history has consequently, been marked by valuable additions to its Educational facilities, and by more or less extensive general improvements throughout the Establishment. The attention of Young Men, and of Parents and guardians of youth, is, therefore, respectfully invited to it, as an institution where the advantages of a thorough intellectual training may be obtained in safety and comfort and under most favourable circumstances.

Select Boarding and Day School for Young Ladies,

Conducted by Miss THOMSON,

Assisted by her Father, Elder THOMSON, *M. A.*,

SAINT JOHN, N. B.

IN the government and discipline of the School, due regard is had to the health, happiness and improvement of the pupils; and while every reasonable indulgence is granted, the great objects of education are kept constantly in view, viz.:—the full development and proper training of all the physical, intellectual and moral energies, and the formation of habits of industry, punctuality, good order and strict economy in the use of time.

The Educational and Domestic arrangements offer unusual facilities for elder pupils. There is also a separate preparatory department for younger pupils.

Miss Thomson informs her friends that her classes will be closed on the 17th of June, and re-opened on the 18th of July, on which day she hopes all her pupils will be present, that the classes may be formed for regular business.

References to Parents of great respectability given, and a synopsis, with terms, forwarded on application.

Miss T. is thankful to add that her Father has consented to give her pupils the whole of his time during the hours of study and recitation.

SAINT JOHN SEMINARY, Princess Street,

THIS SEMINARY will be opened on Monday the 1st of August, in Princess Street, (south side, a few doors East from Germain Street,) by Messrs. MALCOLMSON & HUTCHINSON, who design it not only for Boys, but also to supply a want expressed by many intelligent and respectable parents anxious to obtain for their daughters, at moderate expense, the usual requisites of a sound and liberal Education.

For Young Ladies who may find it inconvenient to attend in the forenoon, or may not wish to mix with the junior scholars, private Classes will be formed, in the School Rooms, between the hours of 4 and 6, P. M.

Mr. M. would acquaint his friends that Mr. H. is a young gentleman of considerable literary acquirements and experience in teaching, that he has during the last four years been employed as Teacher in two Academies of the highest grade in Scotland.

The whole arrangements of the Institution are adapted to the Improved Modern System of both Male and Female Education.—The following Branches form the standard course of instruction:—Greek, Latin, French, and English; Algebra, Geometry, Trigonometry, Mensuration, and Arithmetic, Theoretical, Mental, and Practical; Book-keeping, by double and by single entry; Natural Philosophy, Astronomy, Political and Physical Geography, Natural and Civil History, English Grammar, English Composition; and the Composition, Origin, and Primary signification of Words; Spelling, Reading, and Writing—together with all the usual subordinate and subsidiary branches.

Mr. M. will be in attendance at the School Room, on and after Monday the 27th instant, from half-past 4 to 6 o'clock, to answer inquiries and enrol pupils for the different classes to be formed.

HOLMAN & FERNALD,

(Late Edwards, Holman & Co.)

MANUFACTURERS OF THE

Improved Salamander Safes, BOSTON.

THE Certificates and Premiums given to our manufacture and the decided preference shown to it by all who regard the subject unbiassed by interest or unprejudiced in any way, surely warrant us in urging upon the community, with strong emphasis, its acknowledged if not unequalled merit. Considering the cheapness of the article, it is surprising so few of our merchants and business men provide themselves with Safes. The cost is very trifling compared with their value—the interest on the price of a medium one being but four or five dollars a year—yet hundreds of persons who are doing an extensive business, and who would not for a day suffer their buildings or other property to be uninsured, have no hesitation in risking the loss of their Books and Papers, often far more valuable. We never knew the owner of a Safe, however, who would part with it for ten times the cost, provided he could not get another. Our Safes have been repeatedly tested in the hottest fires, and in every instance the contents have been found unscathed.

Safes of all sizes manufactured, to suit any desired location. The interior arrangement can be constructed in any way that the purchaser may require.

We have appointed

GEORGE THOMAS,
South Market Wharf, St. John, N. B.
June 25. As our Agent for New-Brunswick.
