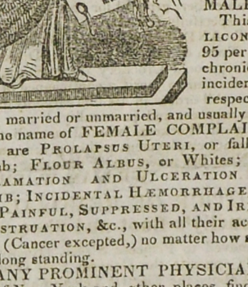
Dr. Marchisi's Uterine Catholicon.


IS Respectfully offered to the Citizens of Saint John and vicinity, as a preparation of earliest importance to families, and destined to become identified with the health and happiness of FEMALES.
This CATHOLICON will cure 95 per cent. of all chronic diseases incidental to the respectable female, married or unmarried, and usually known under the name of FEMALE COMPLAINTS. Of these are PROLAPSUS UTERI, or falling of the Womb; FLOUR ALBUS, or Whites; CHRONIC INFLAMATION AND ULCERATION OF THE WOMB; INCIDENTAL HÆMORRHAGE, or Flooding; PAINFUL, SUPPRESSED, AND IRREGULAR MENSTRUATION, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.
MANY PROMINENT PHYSICIANS in the city of New York and other places, finding themselves without a remedy in inveterate cases of the above complaints and having due regard for the welfare of their patients, have recommended the use of this medicine; and, after witnessing its salutary effects are now manifesting their approbation, not only by resorting to it in their treatment of all the diseases of which it is intended, but in some instances accepting the agency of it to facilitate its introduction into more general use by the Faculty.
The influence of this composition upon the female constitution is of the most friendly kind; the most delicate and feeble female need have no fears in its use for any length of time, for it contains no mercury nor any article which can prove in any way injurious, being made entirely of vegetable extracts, and prepared so as to taste like a pleasant cordial.
The MODUS OPERANDI of this remedy, in the cure of this class of diseases, is through the general economy of the system, with a peculiar determination to the female organs.
ADDITIONAL PROOF of this Catholicon being worthy of the afflicted, as a SUCCESSFUL, SAFE, AND CHEAP REMEDY, will be found in the pamphlet, together with important observations touching the nature and symptoms of the diseases, to which the attention of Ladies and Practitioners is respectfully invited.
THE INGREDIENTS, as certified by high medical authority, (see pamphlet,) are ALL VEGETABLE, and are not associated with any article unfriendly to the animal economy.

REVIEWS OF THE WORK.
"MANHOOD, by J. L. Curtis.—We agree with the Author that, so far from works of this class being objectionable in the hands of youth, or difficulties being opposed, every facility should be given to their circulation; and to strengthen our opinion, we need but refer to the recent distressing events at our Military and Scholastic Academies at Carshalton and Woolwich."—*Naval and Military Gazette*, 1st *February*, 1851.
"We feel no hesitation in saying, that there is no member of society by whom the book will not be found useful—whether such person hold the relation of a parent, preceptor, or a clergyman."—*Sun*, Evening Paper.
"Curtis on Manhood.—Fortunate for a country would it be, did its youth put into practice the philanthropic and scientific maxims here laid down—one cause of matrimonial misery might then be banished from our land, and the race of the enervate be succeeded by a renewal of the hardy, vigorous spirits of the olden time."—*Chronicle*.

Never Failing Remedy.
HOLLOWAY'S OINTMENT.
A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS' SUFFERING.
Copy of a Letter from Mr. Thomas, Chemist, Liverpool, dated August 20th, 1852.
To Professor Holloway.
Dear Sir,—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About ten years ago, Mr. W. Cummins, of Saltney-street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly ten years. Recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.
(Signed) J. THOMPSON.
A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.
Copy of a Letter from Mr. Hird, Draper, of Keady, near Gainsboro', dated March 1st, 1852.
To Professor Holloway.
Sir,—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.
I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines, she would have been saved also. I shall be happy to testify the truth of this to any enduirer.
(Signed) J. HIRD, Draper.
ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS, DEBILITY AND GENERAL ILL-HEALTH.
Copy of a Letter from Mr. J. M. Clennell, of Newcastle-on-Tyne, dated September 20th, 1852.
To Professor Holloway.
Dear Sir,—I am authorised by Mrs. Gibbon, of 31 Bailey-street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill-health, accompanied with a disordered stomach and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states, that in a wonderfully short time they effected a perfect cure of her legs, and restored her constitution to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.
I remain, dear Sir, yours faithfully,
(Signed) JOHN MORTON CLENNELL.
CERTAIN REMEDY FOR SCORBUTIC HUMOURS, AND ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.
Copy of a Letter from Messrs. Walker & Co., Chemists, Bath.
To Professor Holloway.
Dear Sir,—Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies, her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above seventy years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.
A Private in the Bath Police Force, also, has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.
We remain, dear Sir, your's faithfully,
April 6th, 1852. (Signed) WALKER & Co.

Division of Profits in 1854.
THE 25th May, 1853, is the last day for receiving proposals from parties desirous of securing the advantages of the present year's entry, and it is requested that all such proposals be lodged with the Agents of the Company, at home, or abroad, on or before that date.

THE COLONIAL Life Assurance Company.
GOVERNOR,
The Right Hon. The Earl of ELGIN and KINCARDINE, Governor General of Canada.
Head Office—22, St. Andrew Square, Edinburgh.
BOARD OF DIRECTORS IN ST. JOHN, N. B.
The Hon. JOHN ROBERTSON, *Merchant*,
CHARLES WARD, Esquire, *Merchant*,
WILLIAM H. STREET, Esquire, *Merchant*,
JOHN WISHART, Esquire, *Merchant*,
JOHN DUNCAN, Esquire, *Merchant*.
THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of affording to the Colonies of Great Britain the advantages of Life Assurance, and its regulations have been so framed, as to attain that object in the most efficient manner under the most liberal covenants. The progress of the business has been attended with complete success.
From the wide basis of its constitution, and the extent of its resources, the Company affords advantages which no local institution can confer; and it has good ground for asking public preference and support over other British Offices doing business in the Colonies, not only with reference to the facilities which it affords, by receiving premiums and paying claims in any British Colony where its Policy Holders may reside, but on the ground that, in seeking business out of Great Britain, it does so not as an after thought, its Colonial arrangements not being a mere extension of or addition to a home business, but as part of its original scheme and intention.
The Profits of the Company for the period from 1846 to 1854, fall to be divided as at 25th May, 1854, and parties who assure during the present year will participate.
☞ Every information as to the Company, and its terms and conditions for Assurance, can be had on application to

Keating's Cough Lozenges.
A CERTAIN REMEDY for disorders of the Pulmonary Organs. In Difficulty of Breathing—in Redundancy of Phlegm—in Incipient Consumption (of which COUGH is the most positive indication) they are of unerring efficacy. In ASTHMA, and in WINTER COUGH, they have never been known to fail.
KEATING'S COUGH LOZENGES are free from every deleterious ingredient; they may, therefore, be taken at all times, *by the most delicate female and by the youngest child;* while the PUBLIC SPEAKER and the PROFESSIONAL SINGER will find them invaluable in allaying the hoarseness and irritation incidental to vocal exertion, and consequently a powerful auxiliary in the production of MELODIOUS ENUNCIATION.
Prepared and sold in Boxes, and Tins, of various sizes, by THOMAS KEATING, Chemist, &c. No. 79, St. Paul's Church Yard, London. Sold by all Druggists in the world.
N. B.—To prevent spurious imitations, please observe that the words "KEATING'S COUGH LOZENGES" are engraved on the Government Stamp of each box.
IMPORTANT TESTIMONIALS.
Copy of a Letter from COLONEL HAWKER, the well-known Author on "GUNS AND SHOOTING."
Longparish House, near Whitchurch, Hants, October 21st, 1846.
SIR,—I cannot resist informing you of the extraordinary effect I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or digestive organs.
I am, Sir, your humble servant,
P. HAWKER.
To Mr. KEATING, 79, St. Paul's Churchyard.
Melbourne, Port Philip, May 16th, 1850.
DEAR SIR,—I duly received per Maitland the Lozenges, and have much pleasure in saying that they have met with a ready sale,—therefore, send me the value of ten pounds, that is, double the last, packed in two cases with tins, &c. as before.
The Lozenges require only to be tried, and I … the sale will be immense. I am not an advocate for Proprietary Medicines in the general way, but … you that the Lozenges have done so much good … most every case in which we have recommended … that I believe them better adapted to this climate … anything else we have seen used.
