THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of affording to the Colonies of Great Britain the advantages of Life Assurance, and its regulations have been so framed, as to attain that object in the most efficient manner under the most liberal covenants. The progress of the business has been attended with complete success, and the Company has obtained the entire confidence of those whose patronage it was its object to seek.

From the wide basis of its constitution, and the extent of its resources, the Company affords advantages which no local institution can confer; and it has good ground for asking public preference and support over other British Offices doing business in the Colonies, not only with reference to the facilities which it affords, by receiving premiums and paying claims in any British Colony where its Policy Holders may reside, but on the ground that, in seeking business out of Great Britain, it does so not as an after thought, its Colonial arrangements not being mere extension of or addition to a home business, but as part of its original scheme and intention.

The Profits of the Company for the period from 1846 to 1854,

fall to be divided as at 25th May, 1854, and parties who assure during the present year will participate.

☞ Every information as to the Company, and its terms and conditions for Assurance, can be had on application to

DUNCAN ROBERTSON,
Secretary to the Local Board in St. John, New-Brunswick. St. John, 29th Jan. 1853.

DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton-under-Lyne, dated July 31, 1852.

To Professor Holloway.

Dear Sir,—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs, that he has been restored to the enjoyment of good health.

I remain, dear Sir, yours faithfully,
(Signed) WILLIAM BOSTOCK.
