THE COLONIAL
Life Assurance Company.

GOVERNOR,

The Right Hon. The Earl of ELGIN and KINCARDINE, Governor General of Canada.

Head Office. 22 St. *Andrew Square, Edinburgh*,

BOARD OF DIRECTORS:

Agent—DUNCAN ROBERTSON.

THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of affording to the Colonies of Great Britain the advantages of Life Assurance, and its regulations have been so framed, as to attain that object in the most efficient manner under the most liberal covenants. The progress of the business has been attended with complete success, and the Company has obtained the entire confidence of those whose patronage it was its object to seek.

From the wide basis of its constitution, and the extent of its resources, the Company affords advantages which no local institution can confer; and it has good ground for asking public preference and support over other British Offices doing business in the Colonies, not only with reference to the facilities which it affords, by receiving premiums and paying claims in any British Colony where its Policy Holders may reside, but on the ground that, in seeking business out of Great Britain, it does so not as an after thought, its Colonial arrangements not being mere extension of or addition to a home business, but as part of its original scheme and intention.

The Profits of the Company for the period from 1846 to 1854,

fall to be divided as at 25th May, 1854, and parties who assure during the present year will participate.

☞ Every information as to the Company, and its terms and conditions for Assurance, can be had on application to

DUNCAN ROBERTSON,
Secretary to the Local Board in St. John, New-Brunswick.

Agency, St. John, N. B., 7th Jan., 1853.

THESE are to Certify, that Messrs. ROBERT and HUGH DAVIS, having recently lost by Fire their Milling Establishment in the Parish of Hampstead, Queen's County, and having furnished me with the several proofs as required by the conditions of Insurance, and being satisfied therewith, I have paid them their claims; and do hereby declare that I still do, and have no desire to relinquish the Insurance on their Property in Woodstock, notwithstanding the several rumours that have been circulated regarding the origin of the fire, and also as to the value of the Property recently destroyed.

Dr. Marchisi's Uterine Catholicon

IS Respectfully offered to the Citizens of Saint John and vicinity, as a preparation of earliest importance to families, and destined to become identified with the health and happiness of FEMALES.

This CATHOLICON will cure 95 per cent. of all chronic diseases incidental to the respectable female, married or unmarried, and usually known under the name of FEMALE COMPLAINTS. Of these are PROLAPSUS UTERI, or falling of the Womb; FLOUR ALBUS, or Whites; CHRONIC INFLAMATION AND ULCERATION OF THE WOMB; INCIDENTAL HEMORRHAGE, or Flooding; PAINFUL, SUPPRESSED, AND IRREGULAR MENSTRUATION, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.

MANY PROMINENT PHYSICIANS in the city of New York and other places, finding themselves without a remedy in inveterate cases of the above complaints and having due regard for the welfare of their patients, have recommended the use of this medicine; and, after witnessing its salutary effects are now manifesting their approbation, not only by resorting to it in their treatment of all the diseases of which it is intended, but in some instances accepting the agency of it to facilitate its introduction into more general use by the Faculty.

The influence of this composition upon the female constitution is of the most friendly kind; the most delicate and feeble female need have no fears in its use for any length of time, for it contains no mercury nor any article which can prove in any way injurious, being made entirely of vegetable extracts, and prepared so as to taste like a pleasant cordial.

The MODUS OPERANDI of this remedy, in the cure of this class of diseases, is through the general economy of the system, with a peculiar determination to the female organs.

ADDITIONAL PROOF of this Catholicon being worthy of the afflicted, as a SUCCESSFUL, SAFE, AND CHEAP REMEDY, will be found in the pamphlet, together with important observations touching the nature and symptoms of the diseases to which the attention of Ladies and Practitioners is respectfully invited.

THE INGREDIENTS, as certified by high medical authority, (see pamphlet,) are ALL VEGETABLE, and are not associated with any article unfriendly to the animal economy.
