MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq., of India Walk, Tobago, dated April 8th, 1852.

To Professor Holloway.

Dear Sir,—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skilfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy; and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks. (Signed) EDWARD ROWLEY.

INFALLIBLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEADACHES.

Extract of a Letter from Mr. S. Gowen, Chemist, of Clifton, near Bristol, dated July 14th, 1852.

To Professor Holloway.

Dear Sir,—I am requested by a lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years herself and family suffered from continual bad health, arising from disorders of the liver and stomach, indigestion, loss of appetite, violent headaches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result. At last, she had recourse to your invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further, she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scarlatina, having effected positive cures of these diseases with no other remedy.

(Signed) S. GOWEN.

DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton-under-Lyne, dated July 31, 1852.

To Professor Holloway.

Dear Sir,—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs, that he has been restored to the enjoyment of good health.

I remain, dear Sir, yours faithfully,
(Signed) WILLIAM BOSTOCK.

RICH'S SAFES AGAIN.

RODNEY, MISS., Dec. 7, 1852.

ISAAC BRIDGE, Esq., New Orleans.

Dear Sir,—We send you one of Rich & Co.'s Safes, tried in the fire in our town on the 23d Aug. This Safe stood an extreme heat of a large frame building in which it was used, surrounded by a quantity of bagging, flour, rope, whisky, and many other combustible articles. It will shew for itself the heat it sustained. We, therefore, do hereby certify that this is one of the best Safes we have seen. All other Safes, except this make, proved worthless, as can now be proven on the ruins.

Yours respectfully,

The above are the only makers of SALAMANDER SAFES, combining both Wilder's & Rich's Patents, having Yale's Powder Proof Locks, with two keys, and are decidedly unequalled by any SAFES made in the United States. For sale by

FARM for Sale.

...pasture and wood... marsh, and there is upon the Premises an extensive Orchard of Apple trees, the most of which are engrafted with the best kinds of fruit. The Buildings, which are mostly new, consist of a comfortable Cottage, three large Barns, sheep sheds, woodhouse, piggery, &c. &c.; all of which are in good repair, and have been during the past summer covered with fire-proof paint.

The situation is remarkably fine, and commands a most extensive view of the surrounding country. The soil consists of rich red loam, produces heavy crops, and is not easily affected by drought. There is upon the premises, and within 100 rods of the barns, a Peat Bog, from which any quantity may be taken for the preparation of composts, and the river flats along the whole front of the farm afford an inexhaustible supply of marsh mud, an excellent manure for grain and grass. The facilities for the shipment of produce, with the fast increasing importance of St. John, and the growing market in the United States, offer in the purchase of the above a safe and desirable investment, and is well worthy the attention of intending purchasers. Application to be made to the Subscriber, who will afford any information which may be desired.

N. B.—A portion of the purchase money may remain on Mortgage if desired.

GEORGE S. MILLIDGE.

Annapolis, N. S., 9th Dec., 1852. tf.

Beware of Imposition!

IN consequence of the *wholesale fraud* that has been for some time practised by unprincipled persons, who have purchased empty Sarsaparilla bottles, and filled them with some concocted stuff purporting to be the genuine—the Proprietor, to prevent this, cautions purchasers against buying that which is not properly wrapped with DR. CHILTON'S Certificate on green paper, as well as the signature of DR. S. P. TOWNSEND on the steel plate label on the outside wrapper, and the stamp over the cork of each bottle.
