Third Division of Profits!

MINERVA LIFE ASSURANCE COMPANY OF LONDON, ESTABLISHED, 1836.

AT the Third Quinquennial Meeting of this Company, held in London, 24th June, 1852, a Surplus of £42,400 Sterling, (being four-fifths of £53,000 Sterling,) was declared distributable amongst the Policy holders entitled to participate. This sum allows of a reduction of Premium for the next five years, of £9,633 16s. 3d. Sterling, per annum, or an equivalent reversionary Bonus payable at Death, of £68,939 10s. 7d.

The reduction of Premium averages 35.22 per cent. on the Premiums payable during the next five years.

The reversionary Bonus averages 60 per cent. on the Premiums received during the last five years, or 9 per cent. on the sums Assured.

Upon the Policies which had been full five years in existence, the reversionary Bonus averages 2¼ per cent. Premium on the sum assured, a result which has been seldom equalled, and will bear comparison with that of any Office.

The following Table illustrates the Bonusses declared:

		Average Reduction of Premium.	Average Reversionary Bonus.
1st Division—1842		16.833 per cent.	31 per cent.
2d, "	1847	31.333 "	53¼ "
3d, "	1852	35.22 "	60 "

On the 31st December last, the Existing Assurances were	£1,099,843	16	2
The Capital Funds of the Company were - - -	230,262	15	6
The Annual Income was -	47,721	2	6
The Divisible Surplus was -	53,000	0	6

The Directors consider, and trust the Policy holders will agree with them, that the position of the Company is highly satisfactory, and hope that, taking into account the continually increasing competition they have to encounter, the progress of the Company has equalled their expectations, as the benefits actually realized equal, and in most cases surpass, those afforded by the largest established Offices.

HOLLOWAY's OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS' SUFFERING.

Copy of a Letter from Mr. Thomas, Chemist, Liverpool, dated August 20th, 1852.

To Professor Holloway.

Dear Sir,—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About ten years ago, Mr. W. Cummins, of Saltney-street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly ten years. Recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper, of Ready, near Gainsboro', dated March 1st, 1852.

To Professor Holloway.

Sir,—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines, she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS, DEBILITY AND GENERAL ILL-HEALTH.

Copy of a Letter from Mr. J. M. Clennell, of Newcastle-on-Tyne, dated September 20th, 1852.

To Professor Holloway.

Dear Sir,—I am authorised by Mrs. Gibbon, of 31, Bailey-street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill-health, accompanied with a disordered stomach and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states, that in a wonderfully short time they effected a perfect cure of her legs, and restored her constitution to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, dear Sir, yours faithfully,
(Signed) JOHN MORTON CLENNELL.

CERTAIN REMEDY FOR SCORBUTIC HUMOURS, AND ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs Walker & Co., Chemists, Bath.

To Professor Holloway.

Dear Sir,—Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies, her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above seventy years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A Private in the Bath Police Force, also, has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, dear Sir, your's faithfully,
(Signed) WALKER & Co.

FARM for Sale.

THE Subscriber offers his FARM, on the Post Road leading from Annapolis to Digby, and 1½ miles from the Town of Annapolis, for sale. The Farm contains 330 acres, consisting of tillage, pasture and wood land, with 20 acres of dyked marsh, and there is upon the Premises an extensive Orchard of Apple trees, the most of which are engrafted with the best kinds of fruit. The Buildings, which are mostly new, consist of a comfortable Cottage, three large Barns, sheep sheds, wood-house, piggery, &c. &c.; all of which are in good repair, and have been during the past summer covered with fire-proof paint.

The situation is remarkably fine, and commands a most extensive view of the surrounding country. The soil consists of rich red loam, produces heavy crops, and is not easily affected by drought. There is upon the premises, and within 100 rods of the barns, a Peat B..., from which any quantity may be taken for the preparation of composts, and the river along the whole front of the farm afford an inexhaustible supply of marsh mud, an excellent manure for grain and grass. The facilities for the shipment of produce, with the fast increasing importance of St. John, and the growing market in the United States, offer in the purchase of the above a safe and desirable investment, and is well worthy the attention of intending purchasers. Application to be made to the Subscriber, who will afford any information which may be desired.

N. B.—A portion of the purchase money may remain on Mortgage if desired.

GEORGE S. MILLIDGE.
