SELECT SCHOOL
For Young Ladies,

CONDUCTED by MISS THOMSON, assisted by her father, ELDER THOMSON, M. A., in the large Brick House, lately occupied by the Mayor, facing the Sea, and within three minutes walk of Queen's Square, St. John, N. B. The House is in St. James' street, and is well adapted for a School, containing some of the largest rooms in the City, and being replete with convenience of every character.

The advantages enjoyed by their Pupils are of a superior order, affording them a liberal and solid education; the strictest attention being paid to the formation of their character, and to their moral and religious training. The course of instruction pursued in this Establishment is based upon the principles of natural and careful cultivation, rather than of constrained exertion—of developing the characteristic capabilities of the children under their care, rendering their studies a pleasure rather than a task.

Arrangements will be made to accommodate those Pupils who may wish to dine with the family.

References to Clergymen and Parents of great respectability, who have now Children as Boarders with Miss Thomson.

☞ R. T. intends to devote particular attention to his daughter's Pupils; but as his time will only be required in her Class-room at *certain periods,* he has, by the wish of several parents, consented to form TWO CLASSES FOR YOUNG GENTLEMEN, in a separate part of the House.

Terms, &c., may be known on application.

RICH'S SAFES AGAIN.

RODNEY, MISS., Dec. 7, 1852.
ISAAC BRIDGE, Esq., New Orleans.

Dear Sir,—We send you one of Rich & Co.'s Safes, tried in the fire in our town on the 23d Aug. This Safe stood an extreme heat of a large frame building in which it was used, surrounded by a quantity of bagging, flour, rope, whisky, and many other combustible articles. It will shew for itself the heat it sustained. We, therefore, do hereby certify that this is one of the best Safes we have seen. All other Safes, except this make, proved worthless, as can now be proven on the ruins.
— Yours respectfully,
WORTHINGTON & CO.

The above are the only makers of SALAMANDER SAFES, combining both Wilder's & Rich's Patents, having Yale's Powder Proof Locks, with two keys, and are decidedly unequalled by any SAFES made in the United States. For sale by

Sir,—I avail myself of the first opportunity … ing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimmings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. In this melancholy condition I waited personally upon Mr. Hughes, … Harlech, for the purpose of consulting him as to what I had better do. He kindly recommended your Pills; I tried them without delay, and after taking them for a short time, I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.—I am, Sir, your obedient servant,
