RICH'S SAFES AGAIN.

RODNEY, MISS., Dec. 7, 1852.

ISAAC BRIDGE, Esq., New Orleans.

Dear Sir,—We send you one of Rich & Co.'s Safes, tried in the fire in our town on the 23d Aug. This Safe stood an extreme heat of a large frame building in which it was used, surrounded by a quantity of bagging, flour, rope, whisky, and many other combustible articles. It will shew for itself the heat it sustained. We, therefore, do hereby certify that this is one of the best Safes we have seen. All other Safes, except this make, proved worthless, as can now be proven on the ruins.

Yours respectfully,
WORTHINGTON & CO.

The above are the only makers of SALAMANDER SAFES, combining both Wilder's & Rich's Patents, having Yale's Powder Proof Locks, with two keys, and are decidedly unequalled by any SAFES made in the United States. For sale by

ON THE
Philosophy of Marriage and the Secret Infirmities of Youth and Maturity.

With fifty Coloured Engravings on Steel.

In a Sealed Envelope, price 2s. 6d. sterling,

SELF-PRESERVATION: an Analytical Investigation of the Physiology and Functions of Marriage, in all the bearings in which that important subject affects the health and happiness of man, with its disqualifications and impediments, tracing their origin to the effects of juvenile solitary habits, youthful excess, tropical climates, or close study; followed by practical remarks, founded on twenty years' experience in the treatment of impuissance, nervous debility, local weakness, spermatorrhœa, syphilis, and all diseases of the urinary and generative system. Illustrated by Fifty Coloured Engravings on the anatomy of the reproductive organs and their relative conditions in health and disease. By SAMUEL LA'MERT, M. D., No. 37, Bedford-square, London, Doctor of Medicine, Matriculated Member of the University of Edinburgh, Honorary Member of the London Hospital Medical Society, Licentiate of Apothecaries' Hall, London, &c.

The essential object of this treatise is to point out the fearful consequences resulting from certain habits, irregularities and excesses, which have produced more misery in youth, degradation in manhood, and premature decay at all stages of life, than, perhaps, any other class of disease known to modern pathologists. Its perusal is particularly recommended to persons entertaining secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled. The contents embrace the origin, effects, prevention and treatment of the deplorable catalogue of maladies connected with nervous debility, exhaustion of the vital energies, prostration of mental and physical capacity, local and general weakness, acute and chronic spermatorrhœa, and their endless modifications. The treatment adopted is founded on experience gained in the most celebrated schools of medicine, and by the most eminent practitioners, both in Great Britain and in Continental Europe. Every peculiarity relating to the physiology, pathology, and general treatment of the diseases incidental to the generative system is clearly explained, and the means of immediate relief and ultimate cure described in detail. The professional reputation of Dr. La'Mert, who has taken the most distinguished medical and academic honours, at home and abroad, is in itself a sufficient guarantee that those who may place themselves under his care will, in every instance, meet with that delicate consideration and inviolable secrecy which are so requisite in the treatment of these cases.

CAUTION.—In consequence of the extensive sale of this work, which has now attained its fiftieth edition, several spurious and imperfect copies are in circulation. The genuine edition can be had only from the Author or his advertised agents.

The work may be had in St. John, of H. Chubb & Co., price 2s. 6d. stg.; Halifax, Messrs. Morton & Co.; Quebec, at the *Gazette* Office; Montreal, Mr. Dawson, bookseller. Sept. 11, 1852.

HOLLOWAY'S O...

A CRIPPLE SETS ASIDE HIS CR... TEN YEARS' SUFFE...

Copy of a Letter from Mr. Thomas ... pool, dated August 20th, 18...

To Professor Holloway.

Dear Sir,—I am enabled to furnish you with an extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About ten years ago, W. Cummins, of Saltney-street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly ten years. Recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper, of ... near Gainsboro', dated March 1st, 1852.

To Professor Holloway.

Sir,—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines, she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD.

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS, DEBILITY AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. J. M. Clennell, of ... castle-on-Tyne, dated September 20th, 1852.

To Professor Holloway.

Dear Sir,—I am authorised by Mrs. Gibbon, of Bailey-street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill-health, accompanied with a disordered stomach and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states, that in a wonderfully short time they effected a perfect cure of her legs, and restored her constitution to health and strength, and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, dear Sir, yours faithfully,
(Signed) JOHN MORTON CLENNELL.

CERTAIN REMEDY FOR SCORBUTIC HUMOURS, AND ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker & Co., Chemists, Bath.

To Professor Holloway.

Dear Sir,—Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies, her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above seventy years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A Private in the Bath Police Force, has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, dear Sir, yours faithfully,
April 6th, 1852. (Signed) WALKER & Co.

The Pills should be used conjointly with the Ointment in most of the following cases:—
