Notice to Persons who have applied for Children from England.

GOVERNMENT EMIGRATION OFFICE, }
St. John, 21st April, 1853. }

THE copy of a Despatch to His Excellency the Lieutenant Governor, from His Grace the Duke of Newcastle, Her Majesty's Principal Secretary of State for the Colonies, has this day been received, announcing that the proposed Emigration of Children from England to this Province, will not take place. The following is the concluding paragraph of the Despatch, which is dated Downing Street, 29th March, 1853, "Considering, therefore, the difficulties and dangers of executing the plan, and seeing that, after all, there is no prospect that it could be carried to any such extent as to be of importance to the interests of the Province, I do not think that it ought to be prosecuted further."

(Signed) NEWCASTLE.

Persons in all parts of the Province who have made application for children from England, will please take notice that such cannot now be furnished. M. H. PERLEY,

(4 w.) H. M. Emigration Officer.

Vulcan Foundry Manufactures.

A LARGE assortment of the manufactures of the Vulcan Foundry, consisting of Bay State and Patent Union COOKING STOVES, FRANKLINS, Register GRATES, Close Stoves, POUGHS, &c., &c, all of the most approved patterns and descriptions. For sale at the Warehouse of the subscriber.

The above Goods can be recommended to the attention of the public.

Select School for Young Ladies,

Conducted by Miss THOMSON,

Assisted by her Father, Elder THOMSON, *M. A.*

IN the large Brick House, lately occupied by the Mayor, facing the sea, St. John, N. B.—The House is well adapted for a School, containing some of the largest rooms in the City, and being replete with convenience of every character.

Miss THOMSON being assisted by her Father *in the higher branches of Study*, and by her Mother in *the domestic arrangements*, hopes to render her School, in every respect, one of the first order.

In the government and discipline of the School, due regard is had to the health, happiness and improvement of the pupils; and while every reasonable indulgence is granted, the great objects of Education are kept constantly in view, viz.:—the full development and proper training of all the physical, intellectual and moral energies, and the formation of habits of industry, punctuality, good order and strict economy in the use of time.

Entrance and removal are unfettered by the usual conditions; and the month commences from the day a pupil enters.

A synopsis, with terms, &c., will be forwarded on application. St. John, N. B., April 9, 1853.
