

PREMIER FOSTER COMES TO THE RESCUE OF MR. FISHER AND SPEAKS AT IMPERIAL

Leader of Government Declares He Has No Desire to Dictate to the People of St. John Regarding Hydro Distribution, But That Attacks on Musquash Development and Suggestions of Irregularities Impelled Him to Take the Platform—Premier Promises Investigation if Formal Charges of Graft Are Made—Messrs. Willet, Fisher, Kribs and Philips Also Speak.

A meeting held last evening in the Imperial in the interests of G. Fred Fisher, who is opposing Mayor McLellan in the recall election, was attended by an audience which filled the house and listened patiently to four of the speakers, Roy Willet, chairman of the United Organizations, who also acted as chairman of the meeting; Mr. Fisher, Gordon Kribs, an engineer of the New Brunswick Hydro Electric Commission; and Premier Foster, but the last speaker of the evening, Herbert Philips, had to be content with less than half the number that heard the others. The audience was in good humor and the speakers were given a splendid hearing, the few questions that were asked being answered, with the exception of one put to Mr. Kribs, who said he did not know what was taking place there. While the audience was arriving the orchestra of the Imperial furnished an excellent program of music.

Premier Foster made one remark which, while it caused a laugh, was resented by many in the audience. Dealing with the city and its progress in past years he painted a very gloomy picture, claiming that industry after industry had gone away from here. Chairman Willet in his introductory remarks said the meeting had been called to place before the people all the facts in the present campaign. It was not a question as to who should be mayor but whether the people of St. John wanted the hydro electric energy or not. Mayor McLellan had been converted by documents which he had read after taking office, and which he had found in the office, as he (McLellan), had ridiculed these very papers in his (the speaker's) presence. The United Organizations had not brought on the recall election because Mayor McLellan recommended the Bodell offer, but because they believed the mayor had gone over to the ranks of the enemy.

He then introduced Mr. Fisher, who expressed his appreciation of the fact that so many persons had come out to hear the issues of the campaign discussed.

Mr. Fisher's Regret

He also expressed his regret that more public meetings had not been arranged for, he had recommended such a course but the committee who had the matter in hand had found difficulties which they had not been able to surmount.

He made a special plea to the supporters of the "Schofield" plan to forget it, as it meant delay and if the city was to get the full benefit from Musquash, action must be taken at once. He stood for the immediate signing of the contract and if elected it would be signed at once. Mr. Fisher referred to a statement that he had on one occasion approved of a valuation of over \$3,000,000 for the Power Company plant and claimed that he had never at any time approved of such a valuation. Dealing with losses to investors he said it was not the fault of the city if such occurred but the blame lay at the doors of the men who sold the securities.

The taxation cry, he claimed, was only a bogey and need not be considered. The deficits in the first years of operation would be taken care of either by temporary borrowings or by making the original bond issue large enough to provide for them. A voice from the gallery asked what about the interest? To this Mr. Fisher replied that the capital would take care of the interest until such time as the operation would carry itself.

Gordon Kribs

The next speaker was Gordon Kribs introduced by the chairman as a Canadian who had been educated in Canadian schools. Mr. Kribs said his mission was to place before the audience some facts in connection with hydro and what the policy of the government meant to the people. He had no personal axe to grind and had considerable experience in Ontario—voice from the gallery: "Ontario has Niagara behind it." This elicited considerable applause.

HEART PALPITATED And Was Short of Breath

Through one cause or another a large majority of people are troubled, more or less, with some form of heart trouble. Many people may be unaware of having anything wrong with their heart till some little excitement, overwork or worry starts it to palpitate and throb, skip beats, beat fast for a time and then so slow as to seem almost to stop, then it causes great anxiety and alarm.

MILBURN'S Heart and Nerve Pills

will give prompt and permanent relief. Mrs. A. E. Bishop, 16 Hawthorne Ave., Hamilton, Ont., writes: "I take pleasure in recommending Milburn's Heart and Nerve Pills to all persons troubled as I had been. I suffered from palpitation of the heart and shortage of breath; my heart would skip beats, and in the night, at times, I would have to sit up to get my breath. I could not go up stairs without my heart fluttering, and my nerves were all unstrung, but since using your famous Pills I have felt like a different person." Price 50c. a box at all dealers or mailed direct on receipt of order to The T. Milburn Co., Limited, Toronto, Ont.

MAYOR HEARTILY GREETED AT FAIR

His Worship Opens Community Festivities in Arena and Declares He Is Confident of Re-election.

The Community Fair which is being held under the joint auspices of Dominion L.O.L. 1411 and Johnston L.O.B.A. No. 19, in the new Hockey Arena, was officially opened last night by Mayor McLellan. R. B. Stackhouse, chairman of the committee in charge of the fair, introduced the mayor, and in a short speech expressed his pleasure in being invited to participate. The speaker said that he never expected to see an auditorium such as the new arena, and the public should give the young men who had faith to build it all the support it's possible. Speaking of the present mayorality campaign the mayor said that he was quite satisfied to let the intelligence of the people settle the question on November 13, and that he was not afraid of the result. This was received with prolonged hand clapping on the part of those present. He then declared the fair officially open, regarding the fact that he could not stay longer, as he had to attend a meeting in West St. John.

The arena is very tastefully decorated for the fair with streamers, bunting and flags. Each booth, of which there are a good many, has some distinctive decoration. St. Mary's band was present and gave a greatly appreciated programme. The committee in charge of the fair is composed of R. B. Stackhouse, chairman; C. L. Hamilton, secretary; J. M. Howe, treasurer; and Mrs. Clara Stevens, who is general convener of the ladies.

A special attraction of the fair is the lottery of a five passenger car which was presented to the committee by the management of the arena. The drawing for the car will take place on the last night of the fair. Tickets for this special attraction are on sale in all the drug stores in the city.

A list of the different booths and of those in charge follows: Refreshments—Mrs. McLeod and Mrs. Cummings; Fancy work—Mrs. E. Hayward, Mrs. T. H. Gilbert and Mrs. Wm. Edwards.

Soft drinks—Robert Hamilton. Blanket Booth—J. T. Smith and W. L. Conlon.

Doll Wheel—R. Stackhouse, Jr. Croquet—Wheeler—J. Moore and James Day.

Cat game—Kenneth Hamilton. Ladies Air Gun—M. J. Laskey. Gents Air Gun—Charles Bruce. House-House—Walter O'Toole. Amusement Tent—Wm. Whitebone and James Main.

Fish Pond—Mrs. Harris. American Doll Booth—John Moore. Country Store—Mrs. Brown, assisted by a committee of ladies.

Electric Doll Wheel—John Corbett. Laydown Wheel—Geo. E. Chase. Variety Wheel—John Beaman. Illuminated Yacht—E. H. Carter. Home Cooking—Mrs. J. M. Howe. Mrs. James McAniff and Miss E. Jennings.

Aluminum Wheel—James Reid. Hoop-la—George G. McGuire. Country Club Ice Cream—Mrs. Jas. Moore, John McLeod.

There are numerous other games, bagatelle, devil among the tails, excelsior, ring toss, ladies and gents bean toss, spindle game and bowling alley.

The door prize for last evening, a manicure set, was won by the holder of ticket No. 10.

STORM DAMAGES TELEPHONE AND OTHER WIRES

Poles Go Down at Spruce Lake and 16 Circuits to Moncton Burned Out—Boston and St. Stephen Lines Restored.

The property of the New Brunswick Telephone Company, was considerably damaged by the snow storm which swept over the province early yesterday morning, especially in the southern district.

About 7 a.m. five poles at Spruce Lake went down, which put out of commission all circuits between St. John and St. George and St. Stephen.

Audience Fatigued.

The chairman announced Herbert Philips as the next speaker but the audience was so busy leaving the theatre that it was some minutes before he could be heard. Mr. Philips said the citizens had been told during the campaign of last spring by Mr. McLellan that the Power Company was after Musquash energy. That was true and while they had not yet got the Musquash they had stolen the mayor.

In connection with his approval of the Bodell offer, Mr. Philips said that was in his opinion the ultimate decision that Mr. Bodell would go and he had recommended that the people be given an opportunity to express their views on it and he still held the same view of it. He did not think Mr. Bodell had gone very far in the way of cooperation with the city to arrive at a conclusion fair to all sides, but as it was the best that could be obtained he was willing to recommend a plebiscite.

He urged the immediate signing of the contract with the New Brunswick Electric Power Commission. The singing of the National Anthem brought the meeting to a close.

as well as the Boston circuit, or six circuits in all. These were restored by 4 p.m.

New Brunswick Power Company wire, highly charged, broke under the weight of snow at Brookville, fell across the Telephone wires and burned down five lines, putting sixteen circuits between St. John and Moncton out of business. After temporary repairs had been made to these lines six poles were discovered down at Norton caused by the heavy snow fall; as well as three poles at Upper Greenwich, Kings Co. Much damage was caused at East St. John, and along the Loch Lomond Road, but just how much has not been ascertained. Some slight damage was caused at Rothesay.

It is hard for one to realize that the first snow storm, which did not seem very heavy, and which faded away so quickly with the sun, would cause so much damage. In places the telephone wires were weighted to such an extent by the snow that they could be reached with the hand by standing on the road.

It is needless to say that this damage interfered considerably with telephone service in the province, but the company is making strenuous efforts to repair damages and restore the service to normal. Crews and material have been rushed to the points of trouble in the company's cars as well as extra cars commandeered for the occasion. It is expected that all repairs will be at least temporarily effected early this morning.

The C. P. R. Telegraph experienced considerable wire trouble as a result of the storm. Both east and west wires were torn down by the weight of the snow.

PERSONALS

Frank Pearson and Mrs. Pearson, of Bridgetown, N. S., are at the Victoria, Clyde E. Rideout, George O. Britton, O. L. Dickson and H. H. Hatfield, of Hartland, were at the Victoria yesterday.

R. H. Willet, of Bridgetown, N. S., is at the Royal.

W. O. Christie, of Amherst, was a guest of the Royal yesterday.

Max A. Mowat, of Campbell, was at the Royal yesterday.

Obituary

The Late Mrs. H. T. Walsh. The death occurred Wednesday night, at her residence, 130 Market Place, West St. John, of Mrs. Ellen Walsh, wife of Henry T. Walsh. She had been in poor health for several months, following an operation last spring. She had been a resident of West St. John for the past twelve years, and previous to that had spent some time in the United States with her husband. She was a daughter of the late William R. Burns. Besides her husband, a well known carpenter, she is survived by one brother, T. M. Burns, secretary of the Board of Health, and two sisters, the Misses Annie and Agnes Burns, of this city. Another brother, William R. Burns, died only a fortnight ago. The funeral will take place on Saturday morning with High Mass of Requiem at the Church of the Assumption at 9 o'clock.

Ozias Weatherall.

The death of Ozias Weatherall of 50 Harding street, Fairville, occurred on Wednesday morning in the General Public Hospital after being operated upon. He was taken to the hospital on Tuesday, and news of his death came as a great shock to his relatives and friends. He was sixty years old, and is survived by his wife, one son, Ronald; two daughters, Mrs. Loretta Dunham of Montreal and Miss Arilla Weatherall of St. John; and one half-sister, Mrs. Michael Thorne of Thorne town, Queens county. He was a native of Queens county, but had been residing some time in Fairville, where he was well and favorably known. He was a member of the Sons of England. The funeral will take place this afternoon at 2:30 o'clock from his late residence to Cedar Hill.

Mrs. Marcus Rockwell. The death of Mrs. Marcus Rockwell occurred at Dorchester, at an early hour Sunday morning after a lingering illness of over a year's duration. Mrs. Rockwell, who was widely known and respected, was 59 years of age. Besides her husband she is survived by two sons and seven daughters. The sons are Elmer, of Trenton, Mass., and Lorne, at home. The daughters are, Mrs. Frank E. Doucet, Moncton; Mrs. Harold Urquhart, and Miss Mildred Rockwell, both of Fairville, Mass.; Mrs. Harry MacDonald, Truro; Mrs. Henry Cheshire, Sydney, and the Misses Fannie and Jean, at home.

Mrs. J. Harvey Mann. The sad news has been received in Moncton of the death of Mrs. J. Harvey Mann, of Stoneham, Mass. Mrs. Mann formerly resided in Moncton but removed to Stoneham twelve years ago. She leaves her husband and five children, besides her mother, Mrs. Annie Dunham, of Moncton, two sisters, Miss Elizabeth Dunham and Mrs. L. L. Stoddard, both of Moncton, four brothers, David, of Truro, Richard and Oscar in the U. S. and William, of Moncton. Mrs. Mann was 33 years old on the day of her death.

C. V. Wetmore. At Sydney, N. S., C. V. Wetmore, president of the Sydney Liberal Club, and for twenty years a prominent citizen, died Wednesday following a paralytic stroke about two weeks ago. He is survived by his wife, two sis-

ters and one brother A. D. Wetmore, district plant superintendent, West ern Union Telegraph Co., residing at 155 Charlotte street, who left on Wednesday to attend the funeral. The late Mr. Wetmore was the youngest son of the late Colonel Douglas Wetmore, of St. George, and was in his 56th year. The body will be taken this morning to St. George for interment.

Mrs. Jennie A. Waring. Many friends will regret to learn of the death of Mrs. Jennie A. Waring, widow of George H. Waring, which occurred last evening at the residence of her son-in-law, George R. McKean, 36 Mecklenburg St. She is survived by one son, Russell F. Waring of Braintree, Mass., and two daughters, Mrs. Geo. R. McKean and Miss Grace H. Waring, both of St. John.

Died

WALSH—At 180 Market Place, West St. John, on November 8, Ellen, wife of Henry T. Walsh. Notice of funeral later.

WARRING—On Nov. 9, 1922, after a short illness, Jennie A. Waring, widow of George H. Waring, leaving one son, and two daughters to mourn. Notice of funeral later.

Make the Medicine Yourself at Home It's Cheap—but You Can't Beat It.

If you want to take care of that bad, hang on cough and do it in a few hours, better get one ounce of Parmit (double strength) and mix a half pint at home.

You can do this in two minutes by adding a little sugar and enough water to fill a half pint bottle. You'll travel the world over before you get a medicine that will act so surely and quickly on the mucous membrane of the nose and throat. It halts the inflammation, the tickling sensation stops with the first spoonful, the heavy breathing goes and clean mucous, free from irritation and mucus follows.

For Catarrhal conditions such as mucous droppings, clogged nostrils and watery eyes, it won't disappoint—ask for Parmit (double strength). Speak plainly so that the druggist will know exactly what you want.

Weddings

Burke—Walton

A pretty wedding took place at 6:30 o'clock yesterday morning in St. Rose's Church, Fairville, when Miss Letitia Walton and Arthur Burke, both of Milford, were united in marriage with Nuptial Mass by Very Rev. Dean Charles Collins, Mrs. Agnes Curwin a sister of the bride, and William Burke, a brother of the groom, were in attendance as witnesses to the ceremony. The bride received many beautiful gifts from her large circle of friends.

IS THE POWER AT MUSQUASH?

Every outside engineer that has been called into consultation by the city declares that there isn't enough power at Musquash to supply regularly the amounts for which the commission is willing to contract. The source of the estimates upon which the commission bases its own confidence has not been disclosed.

It must be noted that, while the commission is willing to enter into a contract with the City of St. John for ten million K.W.H. per year, it has refused to put in the contract any guarantee of continuous service. So that, in the event of discontinuance, no matter what disaster the city might suffer from temporary lack of light and power, it could have no recourse by law for damages suffered.

Recognizing this danger every engineer called into consultation by the city has pointed out the necessity of a steam plant in reserve.

Halifax has already proved the wisdom of this. A lightning storm last summer put the hydro plant out of business and but for the steam plant the city would have been in darkness for hours. St. Stephen, depending solely upon water power, had a similar experience and was compelled to construct a steam plant.

Yet none of the estimates of costs of operation under hydro take this into consideration.

A Clear, Beautiful Skin

There are millions of tiny openings or pores in the skin and these must be kept open and clean if the beauty of the skin is to be maintained.

Because it cleanses these pores and encourages the healthful action of the skin, Dr. Chase's Ointment is most effective as a skin beautifier. Roughness, redness, pimples and all sorts of skin blemishes disappear by its use, and the skin is left clear, smooth and velvety.

SUCCESS

How to attain it. The personal requisites; the need of moderation; the value of education; the element of luck. A notable series of articles by LORD BEAVERBROOK

Once New Brunswick's Max Aitken, now a dominant Empire force, will be printed in

THE DAILY JOURNAL Begins Saturday, Nov. 11.

Beware Infectious COUGHS

Do you realise the risk you run riding in a crowded train or street-car without a Peps tablet in your mouth?

Every sneeze, every cough, fills the air you breathe with countless disease-germs that immediately make for any weak spot in your throat and chest. Be wise, always carry Peps, and occasionally let one of these germ-killing tablets dissolve in your mouth to ward off the infection. Then you will not be "full of cold" on the morrow, with the possibility of influenza, pleurisy or pneumonia supervening.

Just as you breathe in the germs that cause infectious throat and lung ailments, etc., so you must breathe in the soothing germicidal Peps medicine to rout out the germs before they can cause serious trouble. Free from harmful drugs, Peps are the safest and best remedy for sudden colds and chills, gripe, sore throat, laryngitis, night-cough, hoarseness, wheeziness, bronchitis and chest weakness in old and young.

Of all Chemists and Dealers, or the Peps Co., Dupont Street, Toronto. 20c. box; 1 for \$1.25. Imitations are worthless.
