

CEDAR HILL CEMETERY COMPANY OPENING ADDITION ON THE MANAWAGONISH ROAD

MAIN WALK SHOWING VAULT

Arrangements for the much needed extension of the Cedar Hill cemetery have been completed, full particulars of which will be found on another page of the Journal. The picture shows the results of the efforts made to beautify the present grounds and it is hoped to obtain similar results in the new addition.

For some years now there has been felt the need for more room, if the present property was to be kept up in a satisfactory manner and at one time arrangements were made to acquire the land immediately adjoining the cemetery to the south but the ban was placed on the use of this property by the Minister of Health, who notified the Cemetery Co. that he would not allow any burials to take place there.

SECRETARY OF WORLD'S W. C. T. U. GUEST OF MONTREAL UNIONS

Under the auspices of the Hochelaga County, W. C. T. U., a reception was held on Tuesday afternoon at the home of Mrs. Enright, 388 Roslyn avenue, Westmount, in honor of Miss Agnes Slack, hon. secretary of the World's W. C. T. U. Miss Slack, along with the following delegates from England and Scotland, are on their way to the Dominion W. C. T. U. convention, to be held in Toronto and the World's W. C. T. U. convention to be held in Philadelphia. Mrs. Ivens, Brighton, Mrs. Elliot, Southport, Mrs. Kirkby, Miss Elston, Harrogate, England, Mrs. McLaren, Galashiels, Miss Ferguson, Miss Gemmel, Glasgow, Scotland.

Miss Slack gave an address on the prohibition question in the Old Country. She quoted the opinions of medical men and scientific authorities on the deleterious effects of alcohol, and said that all temperance workers are agreed on four points, to make the selling of liquor to anyone under eighteen years of age illegal; local option; Sunday closing 4 p. m. and the restriction of drinking in clubs. Besides a large number from local unions there were present Dean Saunders, Judge Leet, Mr. Carter and Mr. Cayford of the Dominion Alliance. Tea was served, and a social hour spent with the visitors from overseas. Miss Slack presented the hostess with a bag of lavender plucked from the garden of Lord Clwyd, Aberfeldy, North Wales.

To Hold Rosebud Day In December

Local Council of Women to
Aid on Poppy Day — National Council Reports Heard.

It was decided to hold Rose Bud Day in the first week in December, as usual, at the monthly meeting of the Local Council of Women, held yesterday afternoon; to loan the banks of the Council to the G. W. V. A. for Poppy Day and to co-operate in making that day a success. The resignation of Mrs. G. C. Poole, as recording secretary was received and referred to the executive, regret being expressed that Mrs. Poole found it necessary to give up the office. Reports from the National Council were read and others will be taken up at the next meeting of the Local Council. Mrs. Tennant reported that the milk committee that 30 babies were provided for until a year from this date. Mrs. Hooper made a reference to the chair of Preventative Medicine which has been established at Queen's University, Kingston, Ont., as a great step forward in public health matters.

In the absence of the president, Mrs. E. Atherton Smith, the chair was occupied by Mrs. R. J. Hooper, first vice president and Mrs. G. W. Campbell acted as secretary.

Before proceeding with the business Mrs. Hooper referred to a letter which she had received from Mrs. Smith, regretting her absence and expressing her pleasure at hearing that Mrs. E. A. Young and Miss Grace Leavitt were recovering from their recent illness and that Mrs. James Brittain had been remembered by the Council on her birthday.

The minutes of the last meeting were read by Mrs. H. B. Peck and Mrs. G. W. Campbell was asked to act as recording secretary for the meeting.

The corresponding secretary, Mrs. H. B. Peck, read letters from the Kindergarten Alumnae, High School Alumnae, and New Brunswick Association of Graduate Nurses, enclosing list of delegates to the Council; letters of thanks from the Anti-Tuberculosis Association for the loan of boxes, Mrs. E. A. Young for flowers and loving messages while in the hospital; Miss Grace Leavitt for loving messages, Victorian Order of Nurses, for the loan of boxes and special thanks to Mrs. J. H. Doody, Mrs. A. C. D. Wilson and Miss Estey and to the Pythian Sisters, Women's Institute, Free Kindergarten, Catholic Women's League and the King's Daughters for aid given on their tag day; a communication from Mrs. G. C. Poole to the effect that on account of her health she must resign the office of recording secretary and one from the National Council calling attention to a resolution which will

come up at the next quarterly meeting in Montreal, dealing with the appointment of a Dominion Board of Censors for all printed matter. The two latter were referred to the executive and regret was expressed that Mrs. Poole had found it necessary to resign as secretary.

A communication was received from the G. W. V. A. asking for the loan of the Council boxes for tagging purposes on Poppy Day, Saturday November 11, and asking the co-operation of the members of the Council to make it a success.

It was decided to grant the request for the loan of the boxes and Mrs. Alice Estey and Mrs. Hooper were appointed representatives of the council, to attend an organization meeting on Wednesday next.

Miss Estey, treasurer, reported a balance on hand in the general fund of \$54.96 and bills for milk for the month of September \$141. She reported receipt of \$10 from Royal Standard Chapter for the milk fund.

Mrs. W. B. Tennant reported to the milk committee that everything was going along smoothly and the mothers who were getting milk for the babies brought them regularly to the clinics. Of the 37 babies who had been adopted for a year, 30 were still on the list and would be cared for until next October.

Mrs. Peck read the report of Miss Leavitt for the Recreation Hut furnishing committee. The amount received was \$145 and there had been expended \$141.66, leaving a balance on hand of \$3.34, with which it was proposed to buy grapes for the boys on Thanksgiving Day.

Mrs. J. D. Seely reported that she and Miss McCluskey had visited the Municipal House and found everything in order. They had not been very cordially received and had not been shown the "cooler." Later she had seen A. M. Rowan and been informed by him that the "cooler" had been done away with for some time. Mrs. Seely also reported on a concert given at the Boys' Industrial Home, which had been very successful.

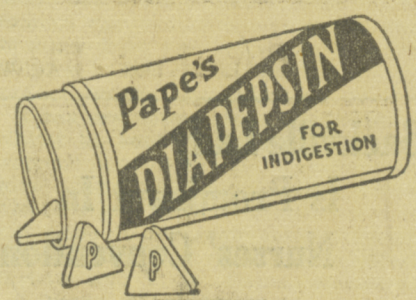

The several reports were ordered received and filed.

The report of the National Council was then taken up, this having been forwarded by Mrs. Harry Carpenter to Mrs. Hooper. The minutes of the convention were read by Mrs. Peck and the reports of the conveners of committees by various members.

The report of the public health committee was read by Miss Clara McGivern. In this report, there was suggestion that the committee be re-organized along standard lines, with

sub-conveners for the different phases of public health work, twelve in all, instead of as at present there being one national convener for all. In connection with public health Mrs. Hooper referred to the action of Queen's University, Kingston, in establishing a chair of "preventative medicine," the first Canadian University to take this step, and to their having secured the services of Dr. John R. Currie of Edinburgh as the lecturer in this branch of teaching. She also announced that the Women's Institute would hold a tea on Tuesday next at the Natural History rooms for the Health Centre.

Mrs. Tennant brought up the question of Rose Bud Day and it was decided to send a communication to the

mayor asking for permission to hold it at the usual time, the first Saturday in December.

The thanks of the meeting for her services as secretary, were extended to Mrs. Campbell.

MAIN ST. TUXIS BOYS

The feature of the Main street Baptist Tuxis Boys meeting last evening was an initiation conducted by Carl Wetmore, Mr. Lenham, the leader of the Exmouth street Methodist Tuxis and Rev. Dr. Hutchinson, eleven boys being put through the ceremony. After the initiation a short session of story-telling was indulged in and ice cream served.

DODGE BROTHERS BUSINESS SEDAN

Exceptional interest has been aroused by practical arrangement of the interior.

The entire rear compartment furnishing seat, seat cushions, back cushions, frame, foot rest, carpet and all—can be moved from the car in a few moments.

The front seat is then tilted forward, giving a gross clearance of twenty-two inches through the rear doors.

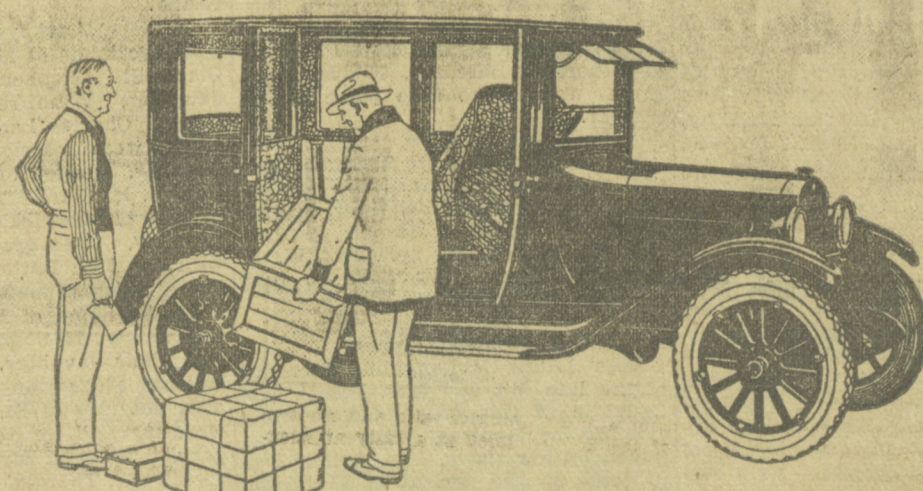

In this way, a space of sixty-four cubic feet in the rear compartment is made available for loading.

When the rear seat fixtures are back in place, the interior is complete and attractive in appearance. Its convertibility is not apparent to the eye.

Business men, farmers, salesmen, campers, tourists and everyone who has occasion, at times, to carry bulky articles or luggage, will readily appreciate the great utility of this construction.
