Lot Holders Are Shareholders

One of the big reasons why individuals and families should take advantage of the opportunity to purchase in Cedar Hill extension is that they immediately become shareholders and assistants in beautifying the new cemetery. Lots are not sold for profit. They are sold to provide a revenue with which to "carry on." Trees must be planted, flower beds and walks must be laid out and purchasers all have their share in carrying on this work.

The vault in the present cemetery is sufficiently large to handle everything that may come its way during the winter months. Lot holders in the new extension need not be put to any inconvenience.

Therefore, we unhesitatingly advise you to purchase at once. 100 lots will be sold for \$25.00 each, and you may have your choice of any location in the entire cemetery. As soon as the first 100 are sold the price will be advanced to that set by the directors of \$40.00 and \$75.00, according to location.

Get in touch with either of the undersigned at once. You will be given every assistance to make your choice.

Weddings

McHarg-Higgins

At nuptial mass in the Cathedral of the Holy Cross, Boston, on Oct. 25, Rev. Father Dacey united in marriage Mary Virginia Higgins and Frederick Norris McHarg, both of this city. The bride was becomingly attired in a suit of marten shade broad cloth trimmed with beaver, with hat of silver and henna. She was attended by her cousin Miss Mary Townshend, who looked very pretty in a zigzag brown suit with hat to match. Donald Townshend supported the groom. The bridesmaid was the recipient of a ruby ring and the best man a diamond stick pin, gifts of the groom. The groom's gift to the bride was a check. After the ceremony they motored to the home of the bride's aunt, Mrs. D. A. McPhee, where a dainty breakfast was served. Among the gifts received by the bride was a check from the firm of P. C. Wesley Co. with whom she was employed, and a cut-glass vase from Wm. Lind and employees. After a short honeymoon, they will return to St. John where they will reside at 13 Camden street.

At St. Rose's church, yesterday morning at 7 o'clock, Miss Lillian, daughter of Mr. and Mrs. Daniel Gillis, Prospect street, Fairville, was united in marriage to Hector Baracoli, proprietor of Hector's restaurant, Prince William street. The marriage was performed by the Very Rev. Dean Charles Collins, and Miss Frances Gillis, sister of the bride, and James Montemuro acted as witnesses. Bell-Farwell

Moncton, Oct. 31.—The news of the marriage of H. Seeley Bell in Los Angeles, Cal., some time ago, created a great deal of interest among a large circle of Mr. Bell's friends in this city, and a number of citizens were at the C. N. R. depot last evening to meet Mr. Bell and his bride on their arrival by the evening express from St. John. Mr. and Mrs. Bell were warmly greeted and welcomed. The marriage, news of which came as a surprise to Mr. Bell's many friends and acquaintances, took place in Los Angeles on October 16, the ceremony being performed in the Church of James and St. Barnabas, the officiating clergyman being Rev. Dean McCormick of St. Paul's Pro-Cathedral.

The bride, a very charming young lady, who was formerly Miss Mabel Grace Farwell, daughter of Mrs. Chas. R. Farwell, of Los Angeles, was given in marriage by her mother and was attended by her sister, Miss Margaret L. Farwell. The groom was supported by the bride's brother, Mr. Richard S. Farwell.

Following the ceremony a wedding dinner was held at the Beverly Hills Hotel. Approaching Marriage

Many friends in Fredericton will be interested to learn of the approaching marriage at Victoria, B. C., of Miss Edna Baird, daughter of Mr. and Mrs. Harry P. Baird, formerly of Fredericton and Rev. George K. King, late of Metapedia, Que., who left a few days ago for Vancouver en route to China as a missionary.

Miss Baird was one of the best known musicians in the city of Fredericton and a very active worker in all branches of St. Paul's Presbyterian church. With her parents and other members of her family, she left Fredericton in May last for Victoria, presumably to reside, but the interesting announcement just received is to the effect that after her marriage she will sail for North Honan, China, where she will assist her husband in his life work as a missionary under appointment by the Board of Foreign Missions of the Presbyterian Church in Canada.

Rev. Mr. King is a son of the late Dr. King of Buctouche and a brother of Rev. Louis King, of Escominc, Quebec. He was ordained in May last as pastor of the Presbyterian church at Metapedia, Quebec and designated to North Honan, China.

Woodsmen Are In Great Demand

Employment Bureau Reports No Trouble in Placing This Class of Help — Places Found in October.

Among the workmen at this season woodsmen are in greatest demand, according to the officials of the Prince William Street employment bureau, who says that there is no trouble placing this class of help at wages averaging \$35. In the women's department of the bureau house-maids are in greatest request, a positive scarcity being reported. Out of door work shows a falling off, as is usual at this time of the year, and a short period is anticipated until the winter season opens. Work in Courtenay Bay is expected to slacken shortly. General conditions are considered better than they were last year in this section of the province, and a busy winter is looked for.

During October the employment bureau here found places for 223 more out of 375 who applied for positions. The majority of the 375 men were designated as unskilled, and practically all resided in St. John. Part of the number went to the woods.

In the women's department 79 applied for employment during the month, 45 obtaining places. There are enquiries from householders for 26 maids now on file at the bureau, with no supply in sight yesterday. The St. John offices take care of the city, St. John river territory and Charlotte Co.

Simonds, Mr. and Mrs. H. C. Green, Mrs. Robert McPherson and Mr. and Mrs. L. E. Whitaker. Refreshments were served during the evening.

Lumber Case In Circuit Court

In the circuit court yesterday before Chief Justice McKeown hearing was begun in the case of W. Malcolm Mackay Co., Ltd., vs the Royal Exchange Insurance Co., an action for the recovery of \$3,500 on a policy of fire insurance. The fire occurred in June, 1921, at Burton, Sunbury county, destroying lumber which was the subject of the risk. The plaintiff had financed the cutting of the lumber by Atkinson & Co. of Fredericton, N. B. In all there was \$35,000 insurance on the lumber, and after the loss occurred settlement was made by almost all the others.

A clause in the Royal Exchange policy called for a certain distance to lie between standing brush and the piled lumber, and the plaintiffs contend that this clause was adhered to. An inspection of the lumber was made by Mr. Helms, insurance agent. One company which had been insured for \$3,500 dropped out and the Royal Exchange took the line. It is the contention of the defence now that this meant a new contract and that the company was not bound by a previous inspection.

At the morning session evidence was given for the plaintiff by Hugh Mackay and Mr. Atkinson of Fredericton.

In the afternoon the cross examination of these witnesses was conducted and evidence given by Mr. DeLong and Mr. Stockford. This closed the case for the plaintiff and M. G. Teed, K. C. opened for the defence putting R. W. Frink on the stand. The cross examination of this witness was concluded at adjournment at 5.30 last evening.

The case will be resumed this morning.

Hon. J. B. M. Baxter, K. C., and F. R. Taylor, K. C., are appearing for the plaintiff and Teed and Teed for the defence.

BOILS Made Him Sick and Miserable

Mr. Richard Zelenoski, McLean, Sask., writes:—"I had been suffering continuously, with boils, for three years, and during that time I tried many different remedies without any success whatever. In spite of all my efforts I was compelled to go to the hospital. This was in the Fall of the year, and right in the busiest time of the season. Upon my return home I just took about two weeks until my neck and arms were again occupied by the boils which made me feel very sick and miserable."

One day one of my friends advised me to try Burdock Bitters, and after I had used less than two bottles I was very much surprised at the result.

It is now over two years since I got in touch with B. B. B. and I have had no bother with boils since. I will recommend it to all persons suffering from any defect in the blood."

Manager Ross Gives Explanation

Courtenay Bay Residents Complained of Noise—Resolution Forwarded to Minister of Public Works.

Commissioner Frink reported yesterday that he had had an interview with Mr. Ross, manager of the St. John Dry Dock and Shipbuilding Company, in reference to the complaint of residents of Courtenay Bay that dredging operations carried on during the night were a nuisance and interfered with their sleep.

Mr. Ross had expressed himself as willing to do anything he could to abate the noise complained of, and said he had given orders to have the whistling stopped between the hours of 10 p.m. and 6 a.m. and to use lights for signalling purposes during those hours. They could hardly stop the night work altogether, as it would mean the disorganization of the work and about seventy men would be thrown out of employment.

The matter came before the common council yesterday afternoon, and while accepting the explanation of Mr. Ross, it was decided to adopt the resolution of the committee and forward the complaint to the minister of public works.

SUFFERED SO FROM HEART AND NERVES LIFE WAS A BURDEN

Mr. A. H. Lee, Beamsville, Ont., writes:—"I am delighted to let you know what I have to say regarding the good Milburn's Heart and Nerve Pills did me."

A short time ago I suffered, with heart and nerve trouble, and was so bad I could not sleep, only about two hours each night. My heart was so bad I had spells when driving on the road and would faint away, and neighbors would carry me in from my wagon. I also took these pills in the night and during my daily work on the farm. My nerves were so bad I would jump out of bed, and was then compelled to walk the floor before I could settle down again, but after taking a few boxes of
