Delightful Musicale And Tea Yesterday

Ladies of St. John the Baptist Church Provided Fine Entertainment.

There was a busy stir at the former Wiggins' Orphanage yesterday in rooms that were dispensing in jars autumnal fruits of the summer's labors, as well as the ever-present and desired ice-cream. In another room, small tables were set and delicious candy was quickly disposed of. The spacious hall was gay with flowers and a happy throng of people, who were graciously received by Mrs. J. H. Doody, who was dressed in mauve, with picture hat, Mrs. Katie Ritchie, who wore a rich black costume, with turban, and Mrs. Hugh O'Connor, also in black, with touches of white, that were most becoming, thoroughly enjoyed themselves. Mrs. O'Connor was the General Convenor of the whole arrangements, with Mrs. Doody in charge of the musicale, Miss Nellie Coholan the manager of the programme, which was carried out with great success. Those who took part with vocal and instrumental solos, accompanied by Miss Coholan, were Mr. Harry McQuade, Miss Alice Harris, Mrs. William Deur, Miss Mildred White, Mr. Gillis, of Fairville, Miss Bernice Mooney, Miss Marian Power and Miss Florence Kiervan. The City Cornet Band played in the hall upstairs and greatly added to the pleasure of the evening's entertainment. The tea that was served was as usual when these energetic ladies take such matters in hand, with prompt service, delicious viands, and artistic surroundings, the waitresses being atractive and very delighted to supply sandwiches of every variety, daintily conceived. Cake of all kinds and the best of coffee finished a most satisfying menu.

Others who were busily employed were: Mrs. Edward Mooney, convenor, Mrs. Henry Stevens and Mrs. William Driscoll in charge of the tea room; Mrs. Harry Regan, Mrs. William Ward, Mrs. Palmer, Mrs. Thomas Baxter in charge of the tables in the outer room; Miss Mary Lowe and a number of other young ladies, in charge of the ice cream booth; Mrs. Daniel Owens, and Mrs. John Magee, in charge of the candy; Miss Annie Magee and Miss Beatrice Mooney in charge of the home-cooking table; Mrs. Thomas Killen, Mrs. A. Mahoney, Mrs. M. Osborne and Miss A. Killen who had in charge the arrangements for the tea and coffee; Mr. Louis Doyle chief decorator and Mr. Barry O'Neill, Mr. Daniel Doyle, Mr. Charles Garnett, who dispensed soft drinks. Visitors were very much pleased with the fine building, which now becomes a school for boys, under the auspices of the Roman Catholic Church, of the Diocese of St. John.

Y. W. C. A. Regular Board Meeting

Reports Were Received from Girls' Work, Travellers' Aid and Treasurer.

The regular board meeting of the Y.W.C.A. was held yesterday afternoon at the recreational centre, the vice-presidnt, Mrs. Logie, in the chair. After the devotional exercises, led by Miss Alice Rising, the board took the opportunity of welcoming Mrs. Foster, the new general secretary of the Association, to her new appointment. The cafeteria report was read and proved to be very satisfactory to the board, the month of August being the busiest experienced for some time. This was due in a large measure to the Exhibition and the resulting large influx of visitors to the city, many of them finding accommodation at the cafeteria. The board expressed deep regret at the departure of Miss Sellars, who was in charge of the cafeteria, but at the same time they feel very fortunate in securing Miss Pauline Baird to take the place of Miss Sellars.

The girls' work report was submitted by Mrs. J. D. Hunter who told of the C.G.I.T. camp held at Chipman for a period of two weeks during the month of August. Mrs. Hunter said that eighty-two girls had attended the camp and she took this as an omen of the ever-increasing popularity of this splendid annual outing held on the banks of the Salmon river. The days were passed in swimming, bible study, picnics, first aid lectures, athletics, and various other forms of amusements, both instructive and entertaining. The first aid lectures at the camp were delivered by Miss Armstrong, and the religious studies were led by Mrs. J. D. Jamieson. William McIntosh, of the Natural History, gave a very interesting lecture on "Indian Lore." Mrs. Hunter expressed the wish that next year the Y.W.C.A. would be able to hold a camp of their own. While these C.G.I.T. camps have really been the results of the efforts of the Association, nevertheless the Y.W.C.A. would feel more satisfied if they could have a camp entirely independent of any other organization.

The travellers' aid report was read by Mrs. James F. Robertson and contained the happy information that the Dominion government had decided to allow a yearly grant of $500.00 to go towards the expenses attendant upn such work. It also said that the Orange Lodge had made a gift of $100.00 to the Travellers' Aid Society, and as the treasury of the Society is at the preent time a trifle low, these reimbursements are very welcome. Miss Hoyt imparted the information that a total of 290 trains and 23 boats had been met during the month of August, 123 persons had found accommodation at the Y.W.C.A. home, and 195 people had been assisted in various ways at the Union Depot.

The financial report was read by Mrs. Somerville. From the finance committee came the suggestion that the ladies of the board should undertake to find at least one money-raising plan every month. The Association will hold a rummage sale during the first week of October and all members are asked to contribute their old clothes. Miss Clara McGivern was elected a member of the board. The new financial secretary, Miss Julia Pirie has taken charge of her position and was at her desk yesterday.

Will Be Missed By Board of Directors

Miss Alice P. Sellars Who Was in Charge of Y. W. C. A. Cafeteria Left for Ontario.

Miss Alice P. Sellers, who has been in charge of the Cafetaria at the King Street quarters of the Y.W.C.A., has left for her home in Ontario, and will be much missed by the Board of Directors. The Report that was handed in at yesterday's meeting was replete with original thought, and made many helpful suggestions that will be very beneficial to the work. One little item that was very attractively reported, was the birthday treat that was tendered Miss Sellers last month, when the house staff testified to her efficiency and popularity by making her a presentation. She was much touched by the thoughtfulness of the donors and did not seem to realize anything but their kindness, her own merit being completely submerged. Miss Sellars has done much to facilitate the work here, and is succeeded by Miss Pauline Baird, who has been in the work for some time, and Mrs. Percival Foster, of Toronto, who is an experienced worker, who has been in many branches of the work, and will bring to the Y.W.C.A., as its General Secretary, a trained mind and a deep sympathy and understanding of the wonderful scope of the fine things that can be accomplished with the young womanhood of St. John.

Delighted With His Visit Here

E. O. Gallagher, Who Has Been Supplying the Pulpit in St. Luke's, Leaves for Toronto.

Mr. E. O. Gallagher, B. A., of Toronto, who has been supplying the pulpit of St. Luke's with great acceptability all summer, has been up the river to Fredericton, where he was charmed with the scenery and the beauty of the Queen city of New Brunswick. He was accompanied by Mr. H. S. Coulthard, who is medical student at the University of Toronto, and has been spending the summer at the biological station at St. Andrew's-by-the-sea. They returned on the boat yesterday. Mr. Gallagher is a graduate of the University of Toronto, taking honors in Modern History, and is now a student in the celebrated Wycliffe College, where he is taking a theological course, and meanwhile is also on his second year of study for the M.A. on Political Philosophy, at the University of Toronto, his Alma Mater. Mr. Gallagher has considerable literary ability and has edited for some time the official magazine of Wycliffe College with great success. He should have a very successful future, if he can keep his health and learn to conserve the nervous energy that makes him a driving power in his work and in any endeavor that has his interest. He has deep sympathy and a wide knowledge of human nature, for so young a man, being only twenty-four. The Rev. R. P. McKim was indeed fortunate to have obtained the services of one so earnest and so in accord with his own fine ideals of Christian service. Mr. Gallagher returns to Toronto on Thursday evening, his last service to the church here, being the prayer service that is always held on Wednesday and will be conducted by him this evening. He has been the guest of Mr. and Mrs. Gaspard Tapley, Douglas Avenue for some weeks.

Will Attend The Conference

Mrs. Richard Hooper Going to National Conference of Child Welfare Campaign of Canada.

Mrs. Richard Hooper, of the St. John Board of Health, will attend the National Conference of the Child Welfare Campaign in Canada, the first session beginning on Monday, the twenty-fifth, lasting for a period of five days. While in Toronto, Mrs. Hooper will be the guest of Mr. and Mrs. Segsworth. Mrs. Hooper is one of six who are Councillors for all Canada, and has held this position for two years on the National Board of Child Welfare for Canada. There is a very important matter that will be brought up at this gathering, in reference to the establishment of a permanent headquarters, where the work can be sufficiently carried on 365 days in the year. The work of the branches can then be controlled from the headquarters, as in other organizations and far more effectual results, it is felt, will accrue. Mrs. Hooper will remain for a few days after the meetings close, to visit her friends and have a well-earned vacation after the continued effort she has put into all endeavors here, and also in Toronto with three sessions every day, with committees as well.
