LONDON ENTERS UPON NIGHT OF JOLLIFICATION

Merry Revellers Gather at
Famous Resorts to Receive
Election Returns and
Enjoy Themselves.

TRAMS AND BUSES FROM SUBURBS PACKED

Street Merchants and Music-
ians of All Types Busy
Almost Beyond Endurance.

London, Nov. 15—Long before nine o'clock tonight, when it was expected the first returns would be coming in, all the trams and buses from the suburbs were crowded with people going towards central London. They came apparently to get the election results and partly for a night of general jollification. Whitechapel and the east end sent their tens of thousands, a majority of them young people, in their best clothes. Fleet Street, where the newspaper offices are clustered, attracted its full share of crowds. It was so blocked that wheeled traffic had trouble to plough through. Most of the revellers found greater attractions around Piccadilly Circus, but the big department stores with various devices, such as huge thermometers and electric schemes for displaying the news, appeared the most popular centers. Famous newspaper cartoonists were employed by some of these to amuse the spectators with pictures on street blackboards between the bulletins.

Public Vehicles Busy

Meters of all descriptions rolled about the outskirts of the crowd some with ladies in fur, others packed with humbler suburbanites, nearly all of them flaunting placards with names of candidates. There was a good sprinkling of soldiers from the different guards regiments, who recently resumed the old custom of wearing their blazing scarlet jackets while on duty, many of them with girls on their arms.

Salvation Army bands took advantage of the occasion to hold meetings, and street merchants and musicians of all types were busy almost beyond endurance. The absence of cheering for the parties was noticeable. Party lines are so mixed that many of the citizens did not know just where they were, so far as concerned partisan ship.

ATTEMPTS MADE TO BRIBE MANITOBA'S ATTORNEY GENERAL

Such Is Accusation Laid
Against Clique of "Respect-
able Men" by Dr. C. W.
Gordon.

Winnipeg, Nov. 15—Rev. Dr. C. W. Gordon, former moderator of the Presbyterian General Assembly, stated in an address at this afternoon's session of the Presbyterian Synod of Manitoba, that Hon. R. W. Craig, Attorney General, had been offered \$50,000 by a respectable man in this city if he would let the temperance law go. Dr. Gordon was urging the Synod to throw its weight behind the temperance movement in fighting the liquor interests in the coming referendum.

Some of the most respectable men in Winnipeg were identified with the attempt to bribe the government, according to Dr. Gordon, who intimated that the bribe had been refused by Mr. Craig in the most emphatic way.

GERMANY MAKES 2ND PAYMENT ON THE BELGIUM ACCOUNT

Paris, Nov. 15—Germany today turned over the second installment of treasury notes to meet Belgium's reparations claims, under the decision of August 31, last. German reparations officials here deposited with the reparations commission 55,000,000 gold marks worth of such notes, payable in Brussels, May 15, 1923.

The cash balance due today under schedule of payments previously fixed upon was 60,000,000 gold marks. The difference of 5,000,000 marks is partially covered by other receipts already in the hands of the commission, and Germany has announced that she will deliver Friday such additional notes as are necessary to cover the balance due.

GLoucester County LIBERALS TO GATHER AT CARAQUET TODAY

To Choose Candidate for
Federal By-Election—Hon.
P. J. Veniot a Possibility.

Special to Journal
Caraquet, Nov. 15—Whether Hon. P. J. Veniot of Bathurst, Minister of Public Works in the Government of Hon. Dr. W. E. Foster, will permit the use of his name as a Liberal candidate for member of parliament to succeed Onesiphore Turgeon, appointed to the Senate, will be determined here tomorrow afternoon when the minister is expected to address the county convention of the party. Up to a late hour tonight, Hon. Mr. Veniot had not stated publicly that he would not allow his name to go before the delegates, although it has been reported, in outside political circles, that he would not abandon the provincial arena at this time. When asked in Bathurst, tonight, if he had reached a decision the Minister said that he would make an announcement at the convention, which will assemble at 2 p. m.

Hon. Mr. Veniot has been assured that he would have no opposition in the convention, should he consent to be a candidate. For several weeks friends have been urging him to step into Dominion politics, and he promised all that he would give their request serious consideration.

Should the Minister eliminate himself from consideration, there are three men whose names may go before the convention. They are J. Andrew Doucette, county councillor of Caraquetville; John G. Robichaud, M. L. A. of Shipigan; and Seraphin Leger, M. L. A. of Caraquet. Councillor Doucette is said to be favored by many delegates, should Hon. Mr. Veniot decline to enter the Dominion field. Should one of the three members of the legislature be selected a provincial election would, of course, be necessary.

The call for tomorrow's convention was issued by Hon. J. P. Byrne, of Bathurst, Attorney General, and president of the Gloucester County Liberal Association.

BLANKET OF FOG ENVELOPS BELGIUM

Trains Delayed and Naviga-
tion on Sheldt Held Up 48
Hours.

Brussels, Nov. 15—Fog of unprecedented density has enveloped Belgium for the past 48 hours. Trains are delayed and navigation on the Sheldt has been stopped.

The steamer Lapland from New York which was due Monday morning, has not yet arrived. The British steamer Clifton is ashore at the entrance to the Sheldt. Sixty vessels are being held up in the river while fifty others have stopped at Flushing.

RESTIGOUCHE AROUSSED OVER P. O. THEFT CASE

Two of Campbellton's Young
Men on Trial Charged
With Robbing Regis-
tered Mails.

SHIRETOWN FILLED WITH VISITORS

Many Coming Long Distance
to Follow Trial, So Great
Is Interest.

Special to The Journal.
Dalhousie, Nov. 15.—The Restigouche County Court opened here yesterday, Judge McLatchey presiding. As the criminal docket was expected to take up the entire week, it was decided to postpone all civil cases, they to be taken up in Chambers at Campbellton.

The two main cases were that of the King vs. Patrick Doyle, and the King vs. Reuben Dickie. In both these cases the indictment contained several charges. The grand jury brought in true bill in both cases. In the case of Doyle they found a bill on four counts, theft of \$500, \$10, a sum not specified, all from the Campbellton Post Office, and receiving stolen money. In the case of Dickie they found a true bill on the count of opening and allowing other persons to open, registered mail, he being an employee of the post office in Campbellton.

All day Tuesday was taken up by the grand jury and today the case of Doyle was taken up by the court. Mr. A. Kelly, of Campbellton, appearing for the crown, and James Friel, K. C., Moncton, for the prisoner. Between ten and fifteen witnesses were examined, and the case will be continued today, taking up, it is expected, the whole day. The Dickie case will then be taken up and H. A. Powell, K. C., of St. John will represent the prisoner.

The case has aroused a great deal of interest all over the county, and the shiretown is filled with visitors, most of whom are from Campbellton. The feeling is running high, both of the accused being young men and returned soldiers.

The lawyers present in the court were James Friel, K. C., Moncton; A. T. LeBlanc, K. C., H. A. Carr, M. A. Kelly, J. Allan LeBlanc and Colin MacKenzie, all of Campbellton. Alexander Thompson, post office inspector and W. F. Griffiths, of the district superintendent's office, were present for the department.

The postmaster at Campbellton is A. D. McKendrick, who has held the office for upwards of thirty years. The amounts stolen total \$785, \$300 of which was taken from the post office safe.

The evidence so far produced shows that the pilfering was going on at the Campbellton post office from registered mail for over a year. That Reuben Dickie was night clerk, on duty from 8 o'clock in the evening until 8 o'clock the next morning, and that all the money lost was contained in mail lying in the Campbellton office over night. The last robbery complained of took place between September 30 and October 2. The \$500 amount was sent from a branch of the Provincial Bank of Canada at Matapedia to the Campbellton branch. Miss Fougere is manager of the former and Louis J. Bourque of the latter. One of the amounts missing was in a letter addressed to the government Bank of Commerce, and another in a letter addressed to the Lounsbury Co., Campbellton.

Patrick Doyle has been an employee of the town of Campbellton for several months.

NOTE DISSIPATES DANGER OF BREAK IN THE NEAR EAST

Constantinople, Nov. 15.—Any immediate danger of a rupture between the Allies and the Kemalists authorities seems to have been dissipated today by the receipt by the Allies of a note from the Ankara government, declaring that the terms of the Mudania armistice compact will be respected by the Nationalists, and that there will be no insistence on the withdrawal of Allied troops from the zones laid down in the Mudania convention. The note, which had been eagerly awaited for several days, brought relief to the Allied authorities, and the population of the capital, who have seriously doubted the good intentions of the Ankara government.

It is felt here that the unfavorable reception of the Kemalists demands throughout the world caused them to reconsider their decisions and adopt a more conciliatory attitude.

While all the clauses of the Nationalist note are not wholly acceptable or pleasing to the Allies, the document is considered to offer a reasonable basis for discussion and negotiations.

FOUNDER'S DAY OBSERVED AT MT. ALLISON

Dr. Webster Delivered Elo-
quent Address and Pleads
for More Attention to
Canadian History.

EMPHASIZED NEED OF NATIONAL SPIRIT

Expressed Regret at Lack of
True Patriotism for One's
Country.

Special to The Journal.

Sackville, N. B., Nov. 15.—Founders Day at Mount Allison was fittingly observed today by the three institutions. At 10.15 a.m. a procession, consisting of regents, relatives of the founder, professors, Alumni visitors and students formed at Centennial Hall and proceeded to Fawcett Memorial Hall where an appropriate program was carried out.

Dr. Borden, President of Mount Allison University presided at the meeting and with him on the platform were members of the Board of Regents, Faculty and visitors.

After a selection by a string quartette, the Te Deum was effectively rendered by the Choral Class under the direction of Prof. Brunton, head of the Mount Allison Conservatory.

Responsive reading was led by Rev. Dr. Philip, pastor of the Sackville Methodist Church, and responsive scripture reading by Dr. J. M. Palmer, principal of the Mt. A. Academy.

"How lovely are thy dwellings" Liddell, was beautifully rendered by Miss Ethel Poole.

Dr. J. C. Webster of Shediac, delivered an eloquent address in praise of the founder. In introducing the speaker, Dr. Borden paid high tribute to the speaker's ability, pointing out that Dr. Webster was a Mount Allison man who had made a name for himself on both sides of the Atlantic.

In his opening remarks, Dr. Webster referred in appreciative terms to the founder of Mount Allison Institutions the late Charles F. Allison, and remarked upon the wonderful progress the Institutions had made.

The speaker delivered a timely and stimulating discourse on the need for the development of a national spirit, and the need for a rejuvenation of the historical societies of the Maritime Provinces and referred appreciatively to the sympathetic efforts of the Secretary of State, Hon. A. B. Cope, in getting the Federal Government to assist in producing lantern slides, etc., for illustrated lectures on Canadian history.

At the conclusion of Dr. Webster's excellent discourse, the chairman read a letter from Dr. Webster in which he offered to contribute to Mount Allison University a five year lecture-ship in Canadian history, value \$300 per annum. This announcement was received with applause by the audience.

Dr. Webster's letter read as follows: "In order to stimulate an interest in Canadian History in the University, and in appreciation of the stand taken by the Regents of Mount Allison in regard to higher education in the Maritime Provinces, should like to establish a five year lecture-ship in Canadian history to the value of \$300 per annum. I think there will be no difficulty in obtaining competent lecturers to give short courses. Signed, J. Clarence Webster."

At the conclusion of the service the procession formed again and marched to the cemetery, where each dropped a spray of evergreen upon the grave of the founder.

BLACK HAND LETTER THREATENS LIFE OF BRIDGETOWN MAN

Bridgetown, N. S., Nov. 15.—A black hand letter demanding three hundred dollars and threatening his life if the money was not forthcoming, was received by Johnson Howe, storekeeper of Bridgetown, it became known today. The letter directed that the money be placed in a can in front of his store midnight, Tuesday. The police put a dammy there but no one was seen.

The letter threatened: "If you don't leave the money, I will come in some night and take the money and your life."

EARLY RETURNS INDICATE SWEEPING VICTORY FOR THE CONSERVATIVE PARTY

Premier Law's Party Has Returned More Members to Commons Than All Other Parties Combined, So Far as Returns Show at an Early Hour This Morning — Labor Triumphed in Industrial Centres, Notably Glasgow — Liberals Gained Seven Seats, Conservatives Six, Georgians Three, and Independents Two.

London, Nov. 15.—The Conservative party has returned more members to parliament than all the parties combined so far as returns completed up to an early hour show. The Laborites come next and the Labor party is considered due for congratulations as it already has a gain of 28 seats. These are all in the congested industrial areas, notably in Glasgow, where the predictions that Labor would triumph have been fulfilled, and the results of the last election overturned by a flood of Laborite votes, the Conservatives and Georgians being ousted in several divisions. This was the most striking feature of the returns, but may be balanced by counts to be made today.

THREE CANDIDATES NOW IN FIELD FOR HALIFAX ELECTION

Conservatives of Federal Con-
stituency Will Not Contest
By-Election.

Halifax, N. S., Nov. 15.—The Conservatives of the Federal Constituency of Halifax, will not contest the coming by-election, according to the following resolution of a committee, appointed by a recent Conservative meeting to consider the matter:

"Whereas, upon assurance of the Liberal party and candidates at the last general Dominion election that if the Liberals were returned to power, Canada would quickly enter upon a 'Golden Era,' the citizens of Nova Scotia returned a 'solid sixteen' members to support a Liberal government in Ottawa.

"And, in order that a further and untrammelled opportunity may be given the Liberal members of Nova Scotia to implement their promises, 'This committee is of the opinion that, while it would welcome a general election to afford an opportunity to place a strong and competent government in power at Ottawa, no useful end would be achieved in nominating and electing one opposition candidate from Nova Scotia, in this Dominion by-election.'

Three candidates are now in the field in Halifax, two Liberals and one Labor.

ISMET SATISFIED OVER CONFERENCE WITH POINCARÉ

Says Kemalists Will Not be
Cause of Any Fresh Inci-
dents at Constantinople.

Paris, Nov. 15.—Ismet Pasha, head of the Turkish delegation to the Lusane peace conference, discussed with Premier Poincaré, today, the Near East situation. At the conclusion of his interview with the Premier he declared:

"My three-quarters of an hour with M. Poincaré was most satisfactory. After a sleepless night and a busy day, Ismet received fifty or more correspondents at his quarters at the Hotel Carillon. 'It is not certain that I will go to London,' he said, 'so far I have received no official invitation to do so.'

"If there are any fresh incidents at Constantinople, it won't be our fault. We want peace also. You may be sure that whatever we sign, we will not violate."

Ismet said he had been officially informed that the Lausanne conference was still set for November 20.

JUDENBURG UNDER MARTIAL LAW

Vienna, Nov. 15.—Martial law has been proclaimed at Judenburg, in Styria, where the military and police, reinforced by students, hold the city and bridgehead, while across the river more than 2,000 workmen face them, threateningly.

Capt. J. B. Watson, Stockton on Tees; Albert Shaw, Newcastle on Tyne. Sir T. Robinson, Lancashire, Stratford; Sir John Collie, Glasgow, Strath; Sir Alfred Mond, West Swans; Col. Henry Guest, Bristol, North.

The Asquithian Liberals gained seven seats, the Conservatives six, the Georgians three, and the Independents two members of the government were defeated. Col. Leslie Wilson, chief Conservative whip, and Colonel Stanley, under-secretary for home affairs.

The compilation of the popular vote of the parties had not been finished up to four o'clock, but at 1 a.m. the total vote computed was: Conservative 665,867; Labor, 459,708; Liberal 333,441; National Liberal, 96,526; others, 46,829.

Late today (Thursday) the votes from all the country districts will be counted and they may show drifts in other directions.

There have been no great surprises. The Conservatives are leading all the other parties combined. The Labor members elected thus far are less than half the number of Conservatives, but more than both sections of the Liberal party.

The returns are thought, by students of politics, to be a fair gauge of Labor's strength as compared with the other parties. Great gains by Labor in the country districts are not expected. The Liberals are doing rather better than was looked for. The combined factions of the Liberal party, which may decide to work together in the next House, big far to exceed 120, unless the country voters turn in unexpected directions.

Comparatively few of the party leaders were among those whose fate was decided tonight, except Premier Bonar Law, who won his Glasgow constituency, and former Premier Asquith, who was elected by a narrow margin.

One surprise on the bulletin boards was the election of a Liberal for Oxford, where, in both town and university, the Liberals have been in the wilderness for many years.

Lady Astor Given Strong Support
Lady Astor comes back to the House from Plymouth, despite the strong campaign made against her because of her attitude on the liquor question. She had practically the same support she commanded in the first elections.

The other women candidates have been unsuccessful up to this hour. Prime Minister Bonar Law remained up till shortly after midnight in Downing street, and Mr. Lloyd George slightly later at his home in Vincent Square. Both were kept constantly advised of the progress of the count though neither would make any comment, even to his intimates, according to reports.

PROMINENT STOCK BROKERS CHARGED WITH CONSPIRACY

Toronto and Montreal Men
Alleged to Have Defrauded
Their Clients.

Toronto, Nov. 15.—Charged with conspiracy to defraud their clients, four prominent Toronto and Montreal stock brokers, former members of the Toronto stock exchange, were placed under arrest today. Those held are Adin E. Bryant, Toronto, who was taken into custody here by local detectives and Norris P. Bryant, his brother; Chester G. Pickett, and Andrew Dunn, who were arrested in Montreal by Toronto and Montreal detectives. All the prisoners were members of the firm of Bryant and I. adurach 123456 1534 17 Bryant and Iard, who assigned last spring, and who before the assignment had offices in the C.P.R. building here and on St. Francois Xavier street, Montreal.

The amount said to be involved in the alleged conspiracy is approximately \$500,000. Adin Bryant, who was locked up in court street station, was later released on \$10,000 bail. The other prisoners are now on their way to Toronto.
